

Registered Charity

Ganton Village Hall CIO

Charity number 1212692

The Ganton Village Hall CIO was set up in March 2025 to update the Ganton Village Hall Trust (charity number 702240)

Once the CIO was registered with the Charity commission we applied to merge the two charities. We received permission to do this in December 2025.

We have been asking Barclays bank to update our account to be called the Ganton Village Hall CIO, for which we have just received the approval (June 2026)

Therefore, there is no trading activity for the Ganton Village Hall CIO for year ending 30<sup>th</sup> September 2025 as we were still trading as the Ganton Village Hall trust.

All accounts for the trust (charity number 702240) to 30<sup>th</sup> September 2025 have been filed with the charity commission
