Activities

Objects: THE RELIEF OF NEED OF MEN SUFFERING FROM CANCER, PARTICULARLY, BUT NOT EXCLUSIVELY, BY FACILITATING THE PROVISION OF EMOTIONAL SUPPORT GROUPS AND PEER TO PEER SUPPORT THROUGH THE OPPORTUNITY TO BENEFIT FROM THE THERAPEUTIC EXERCISE OF FLY-FISHING WITH THE AIM OF IMPROVING THE CONDITIONS OF LIFE OF SUCH PERSONS.

Activities: Reel Recovery UK helps men with any forms of cancer with their psychological wellbeing. Our free, two-day retreats, held across England & Wales, help these men cope with the impact of cancer by introducing them to the beneficial effects of fly-fishing, while providing a safe, supportive environment to explore their personal experiences of cancer with others who share their stories.
