Achievements and Performance

The results for the year, and the financial position as at the year end, are as set out in the attached financial statements. The Trustees consider the results to be satisfactory. The policy regarding reserve funds is that a minimum cash reserve fund of £25,000 be maintained.

Statement of Trustees' responsibilities

The trustees (who are also the directors of Mitcham Garden Village for the purposes of company law) are responsible for preparing the trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to

- select the most suitable accounting policies and then apply them consistently;
- observe the methods and principles set out in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charitable company's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charitable company and ensuring their proper application under charity law and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Freehold investment property is included in the balance sheet at the Trustees' conservative estimate of current market value. The last assessment of value was made by the Trustees in 1996 and indicated a then market value of £1,857,631. In the Trustees' opinion, the value of the freehold property is at least £7,500,000 and the current valuation has been adjusted to reflect this.

An independent valuation carried out on behalf of the Ipswich Building Society for re-mortgaging purposes on 1st October 2008 indicated an open market valuation of not less than £10,000,000.

The Trustees believe that the cost of obtaining a formal valuation would outweigh the benefits to be derived therefrom. The Trustees have not been able to ascertain the original cost.
