Trustees Year End Report For the Year Ended 30th June 2022

This year the charity received two very generous donations that enabled the Trustees to re-open for the applications from students. As a result the Trustees approved additional grants to five additional students.

As in previous years a wide range of university and college courses were undertaken by recipients who had received their main schooling in Dorset.

The charity continues to operate on a nil overhead cost basis thus enabling it to focus all its resources on assisting young people.

The Trustees are delighted that with the generous donations the Trust has been able to continue its work.
