The local C A B , Help the Aged, Young Carers in the Community, as well local Health Visitors Mental health organisations in the area connected with Surrey & Borders Partnership, Central Surrey Health and Children's Centres and Social Care Teams refer clients for support. Local schools in the community are supported with regular donations and funds are made available for pupils who require financial assistance to attend educational activities as well as the purchase of items of school uniform. Examiner's Report for the year ending 31st December 2021

To the Trustees

I have examined the books and accounts of the Ewell Parochial Trusts for the year ended 31st December 2021. I have checked the books and bank accounts and correspondence related to the grants and awards made by the Trustees.

In my opinion the final accounts presented to me give a true and fair view of the financial position of the Ewell Parochial Trusts.
