**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022**

The Trustees present their annual report together with the financial statements of Marshall's Charity, Welney for the year ended 31 December 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the accounts and comply with the Charity's trust deed, the Charities Act 2011 and the Charities Statement of Recommended Practice (second edition) and Financial Reporting Standard FRS 102.

OBJECTIVES AND CHARITABLE ACTIVITIES FOR THE PUBLIC BENEFIT

The Charity was set up for the following charitable purposes:

Maintenance and provision of almshouses for poor widows

The Charity owns and maintains 4 almshouses for the benefit of poor widows who are resident within the combined areas of administration of the East Cambridgeshire District Council, the Fenland District Council and King's Lynn and West Norfolk Borough Council, with a preference for poor widows who are resident in the Parish of Welney.

In return, the widows are required to contribute a weekly sum towards the cost of maintaining the almshouses, providing essential services and utilities.

Achievements

During the year, all four properties were occupied, yielding weekly contributions amounting to £12,406 (2021: £8,073). The total cost of maintaining and servicing the almshouses during the year was £17,383 (2021: £13,530).

Under the Scheme, the Trustees may establish a Cyclical Maintenance Fund to cover routine costs of maintaining and repairing the almshouses and other property belonging to the Charity. During the year, £3,000 (2021: £3,000) was transferred to the Cyclical Maintenance Fund.

The Scheme requires the Trustees to establish and maintain an Extraordinary Repair Fund to cover the extraordinary repair, improvement or rebuilding of the almshouses and other property belonging to the Charity. Transfers to this fund must amount to at least £120 per annum. During the year, £300 (2021: £300) was transferred to this fund.

Financial support to poor widows resident in the parish of Welney

The Scheme requires one-third of any surplus income generated by the Charity to be set aside for the benefit of poor widows resident in the parish of Welney.

Achievements

The Charity distributed £10,540 (2021: £10,460) to poor widows during the year. A total of 16 widows (2021: 16) were supported by the Charity.

Financial support to the Parochial Church Council of the Ecclesiastical Parish of Welney

The Scheme requires one-third of any surplus income generated by the Charity to be set aside for the benefit of the Parochial Church Council. Any funds provided are to fund the maintenance and repair of the church, church yard, fences, gates, and the heating and cleaning of the church.

Achievements

The Charity distributed £16,011 (2021: £11,476) to the Parochial Church Council.

Discretionary financial support to the inhabitants of the Parish of Welney

The Scheme requires one-third of any surplus income generated by the Charity to be set aside for the benefit of the inhabitants of the Parish of Welney. The number, timing and size of grants are at the discretion of the Trustees.

MARSHALL'S CHARITY, WELNEY

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements

In 2022, three discretionary grants were made to individuals totalling £564 (2021: £265). The Charity made three discretionary grant to institutions totalling £4,545 (2021: one grant totalling £734).

Public Benefit Statement

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

INVESTMENT POLICY AND PERFORMANCE

Investment policy

The financial objective of the Trustees when selecting investments is to achieve strong long-term returns (targeting CPI+5% per annum on average), volatility no greater than 75% of stock market volatility and to achieve a reliable, progressively rising annual distribution.

The Trustees invest in a diverse range of assets classes, with bias towards overseas equities, UK equities and property.

The Trustees avoid investments with weak environmental, social and governance (ESG) credentials. Indeed, the Trustees do not invest in companies that generate more than 10% of their revenue from the extraction and/or refining of oil and gas.

Investment performance

The policy above is achieved by investing in the following assets.

COIF Charities Investment Fund

This fund is invested in a diverse range of assets, principally property and shares to achieve long-term growth. The fund's strategy is aligned with the Trustees' Investment Policy.

During the year, the value of the portfolio fell by £70,176 (2021: increased by £115,871) owing to increases in interest rates and the slowing global economy.

Land at Bells Drove, Gold Hill and Lady Fen

The Charity owns and leases 209 acres of agricultural land. Management of the land is performed in house.

During the year, rental income amounted to £43,641 (2021: £43,641). Costs associated with the land amounted to £2,655 (2021: £2,312).

Residential property (Downham Market)

The Charity owns and leases (through Abbots Countrywide) two properties in Downham Market: 2 Heather Court and 11 Piebald Close.

During the year, rental income totalling £17,577 (2021: £16,680) was generated. Abbots' professional fees and property maintenance costs totalled £4,728 (2021: £4,178).

GRANT MAKING POLICY

Discretionary grants are awarded based on the following criteria:

- Beneficiaries must be inhabitants of the Parish of Welney.
- The grant must have the widest possible benefit to the inhabitants of Welney.

MARSHALL'S CHARITY, WELNEY

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

RISK MANAGEMENT

The Trustees consider that the main risks facing the Charity are as follows:

Fall in value of investments

The Trustees believe that volatility in the value of the COIF Charities Investment Fund constitutes the most significant financial risk to the Charity. This risk is mitigated by having experienced fund managers and regular trustee oversight.

Non payment of rent

Failure of the tenants to pay rent would result in a material fall in income. This risk is mitigated through regular contact with tenants, helping to ensure that any circumstances causing non payment of rent are addressed promptly.

Safeguarding

Many of the beneficiaries of the Charity are elderly, particularly the tenants of the almshouses. There is a risk that the Charity fails to take reasonable steps to safeguard them. This risk is mitigated through regular safeguarding reviews at Trustees' meetings and, where deemed necessary, the solicitation of independent professional advice.

Ineffective grants

The Trustees consider that the most significant operational risk is providing grants that fail to further the charitable objectives of the Charity. This is mitigated by careful due diligence and, where deemed proportionate, regular monitoring.

Non-compliance with laws and regulations

The Charity is required to comply with laws and regulations, such as the Charities Act 2011 and let property regulations. A breach of these regulations could be detrimental to the reputation of the Charity. The Trustees mitigate this risk by consulting external professionals with knowledge of these laws and regulations.

RESERVES POLICY

The Trustees aim to maintain free reserves in unrestricted funds at a level equating to approximately 12 months of expenditure. The Trustees consider that this level will provide sufficient resources and time to enable the Trustees to respond to a sudden adverse shock on the operations of the Charity, minimising the impact on beneficiaries. The Trustees consider that 12 months is sufficient given the discretion they have over grant making, historic profitability of the activities performed by the Charity and the relatively short time period required to realise investments.

The cost of running the Charity for a year is estimated to be £50,000. Free reserves (unrestricted funds less designated funds and funds tied up in almshouses, Downham Market properties and land) equated to £649,791. The Trustees are investigating ways to align reserves with the target level, such as increasing awareness of the Charity's offering using social media and amending the governing document to encompass more beneficiaries.

FUNDRAISING PRACTICES

The Charity does not actively engage in fundraising and does not employ or engage professional fundraisers. Therefore, the Charity is not registered with the Fundraising Regulator. However, this will be reviewed should fundraising activities increase in the future. In any case, the Charity is committed to avoiding any intrusive fundraising practices and will never pressurise potential donors.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

FINANCIAL REVIEW

Total income from charitable activities (almshouses contributions) amounted to £12,406 (2021: £8,073). Income from fundraising activities (rent from residential property and agricultural land) amounted to £61,473 (2021: £60,323). Other income (wayleaves) amounted to £370 (2021: £370).

Expenditure on charitable activities (chiefly maintenance of the almshouses and grants to widows and the Church) amounted to £66,457 (2021: £41,768). Expenditure on raising funds (cost of administering and maintaining the agricultural land and residential properties) amounted to £24,867 (2021: £13,791).

The loss on revaluation of the investments was £70,176 (2021: £283,531 gain).

The gain on revaluation of property, plant and equipment (PPE) was £nil (2021: £110,000).

Before investment gains, a deficit of £17,075 arose (2021: £13,207 surplus). After losses on investments, the overall deficit was £87,251 (2021: £406,738 surplus).

At the end of the reporting period, the Charity had net assets totalling £3,052,901 (2021: £3,140,152). Cash at bank and in hand amounted to £62,328 (2021: £78,487).

Unrestricted general funds amounted to £2,947,291 (2021: £3,008,875). The Cyclical Maintenance Fund totalled £35,629 (2021: £42,522). The Extraordinary Repair Fund totalled £600 (2021: £300). The Widows Fund totalled £20,243 (2021: £27,021). The Church Fund totalled £Nil (2021: £10,947). The Public Purpose Fund totalled £49,138 (2021: £50,487). For details on the purposes of these funds, please see note 18.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

PLANS FOR THE FUTURE

The Trustees plan to invest in promoting greater awareness of the Charity. Potential steps in the short-term include making better use of social media and developing a dedicated website.

The Trustees will also continue to seek grant-giving opportunities to support the inhabitants of the Parish of Welney.

The Trustees will continue with their overhaul of the Charity's governance. An important part of this is the conversion to a Charitable Incorporated Organisation (CIO) with wider objectives. Converting to a CIO with wider objectives and an updated constitution will enable the Charity to have a greater impact on its beneficiaries.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure

The Charity was created on 8 August 1904 by the lodging of a sealed deed with the Board of the Charity Commissioners. This was duly registered on 26 June 1906. The Charity's current governing document is a Scheme dated 7 February 1986 as amended on 21 January 1998.

Trustees

The Scheme requires the Board of Trustees to comprise 11 trustees: two Ex-officio Trustees, four Nominative Trustees and five Co-optative Trustees.

The Ex-officio Trustees are the The Lord Bishop of Ely and The Rector of the Ecclesiastical Parish of Welney for

the timebeing and by virtue of their respective offices.

Nominative Trustees are appointed by Welney Parish Council. Each appointment is for a term of four years. The appointments may be (but need not be) members of the Council.

Co-optative Trustees are persons who (through residence, occupation, employment or otherwise) have special knowledge of the parish of Welney. Every further Co-optative Trustee is appointed for a term of five years by a resolution of the Trustees passed at a special meeting.

No person is entitled to act as a Trustee, whether on a first or on any subsequent entry into the office, until after signing in the minute book a declaration of acceptance and of willingness to act in the trusts of the Scheme.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF MARSHALL'S CHARITY, WELNEY
(the Charity)**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2022.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

1. GENERAL INFORMATION

Marshall's Charity, Welney is an unincorporated charity registered in England and Wales. Its registered office is The Beeches, 79 Ely Road, Little Downham, Ely, Cambridgeshire, CB6 2NS.

2. ACCOUNTING POLICIES**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Marshall's Charity, Welney meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 GOING CONCERN

The Trustees have assessed the Charity's forecast income and expenditure over the next 12 months. Based on this assessment, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

2.3 INCOME

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Clerk's fees and expenses are allocated on the basis of time spent.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs associated with managing the agricultural land, Downham Market residential properties and the COIF Charities Investment Fund.

MARSHALL'S CHARITY, WELNEY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (CONTINUED)

2.4 EXPENDITURE (CONTINUED)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the revaluation model, tangible fixed assets whose fair value can be measured reliably shall be carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Revaluations are made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting date.

Fair values are determined from market-based evidence by appraisal that is normally undertaken by professionally qualified valuers. If there is no market-based evidence of fair value because of the specialised nature of the tangible fixed asset and it is rarely sold, except as part of a contributing business, the Charity may need to estimate fair value using an income or depreciated replacement cost approach.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

- | | |
|-------------------|---------------------------------------------------------------------------------------------------|
| Freehold property | - Not depreciated as residual value of almshouses is estimated to be in excess of carrying value. |
|-------------------|---------------------------------------------------------------------------------------------------|

MARSHALL'S CHARITY, WELNEY

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

2. ACCOUNTING POLICIES (CONTINUED)**2.7 INVESTMENTS**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 LIABILITIES

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.11 FINANCIAL INSTRUMENTS

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

MARSHALL'S CHARITY, WELNEY

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022**

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Valuation of investment properties and almshouses

The investment properties and almshouses have been professionally valued by Brown & Co. The valuation has been made in accordance with the RICS Valuation - Global Standards and complies with International Valuation Standards and the UK National Supplement.

Many assumptions have to be made when valuing the agricultural land, residential properties and almshouses owned by the Charity, including rental yields and the condition of the properties. At the end of the reporting period, the carrying value of these assets amounted to £2,297,500 (2021: £2,297,500).
