Objectives and activities

Public benefit

The objectives of the charity for the public benefit are as follows:

Alms Homes provide low cost accommodation to the elderly people of Weymouth and Portland who find it difficult to finance and support themselves in their own home.

Edwards Gifts provides an annual dinner to the elderly persons in the alms homes accommodation.

Income derived from the investments of each constituent and from the maintenance contribution income of the alms homes is applied towards these charitable objectives.

The Trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

Policy on reserves

The charity's funds are split between Alms Homes and Edwards Gifts and between unrestricted income and expendable endowment funds for the two constituents. The balance held as unrestricted income funds at 31 December 2022 was £191,601 (Alms Homes £153,290 and Edwards Gifts £38,311). The balance held as expendable endowment funds at 31 December 2022 was £2,489,305 (Alms Homes £2,436,405 and Edwards Gifts £52,900). The charity receives income from its properties and investments which is split between Alms Homes and Edwards Gifts as appropriate as it arises.

Alms Homes investments are held to provide income for the maintenance of the properties.

Alms Homes maintenance contributions are set at a level to generate sufficient reserves to finance the following:

- A cyclical maintenance fund: For providing ordinary maintenance and repair of the alms houses. The trustees anticipate, on average, three units become vacant each year. Prior to each unit being offered for re-occupancy, it is subject to necessary refurbishment. The exterior of the properties are also subject to regular maintenance works.

- An extraordinary repair fund: For extraordinary repair, improvement or rebuilding of the alms houses. The trustees acknowledge the age and listed building status of the alms homes adds further costs and complications for any proposed works and, as a result, costs for seemingly simple repairs can be easily escalate to levels capable of clearing all available reserves of the charity. The trustees are now reviewing repair and renovation requirements to determine the level of extraordinary repair fund required.

TRUSTEES' REPORT

Investment policy and objectives

There are no restrictions on the trustees' power to invest. The trustees intend that the real value of the assets of the charity should be maintained and enhanced over the long term. Investments consist of holdings in COIF Charities Investment Fund - Income Units. The investments in SVS CH Investment Grade Fixed Funds managed by Smith & Williamson were sold in the year and the proceeds reinvested in full in the existing COIF Charities Investment Fund.

Structure, governance and management

Nature of governing document

The Sir Henry Edwards' Charities form part of The Weymouth Town Charities which are governed in accordance with a Scheme dated 7 June 1985 that relates to the two registered charities; The Sir Samuel Mico's Charities and The Sir Henry Edwards' Charities. The Sir Henry Edwards' Charities were registered with the Charity Commission on 4 April 1962 (registration number 202628) and consist of two separate constituents: Sir Henry Edwards' Charities Alms Homes (administered under the Scheme dated 7 June 1985) and Sir Henry Edwards' Charities Dinner Gifts (administered under the Scheme dated 7 June 1985).

Recruitment and appointment of trustees

Trustees are elected for a five year term and usually meet at least four times each year to review the activities of each of the charity's constituents. The Annual General Meeting is normally held in the spring of each year. The trustees who served during the year are listed on page 1.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 12 September 2023 and signed on its behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SIR HENRY EDWARDS' CHARITIES

I report on the accounts of the charity for the year ended 31 December 2022 which are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination .

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SIR HENRY EDWARDS' CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Statement of compliance

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the notes to these accounts. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued October 2019 and the Charities Act 2011.

Sir Henry Edwards' Charities meets the definition of a public benefit entity under FRS 102.

Exemption from preparing a cash flow statement

The charity adopts Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Going concern

The financial statements have been prepared on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be reliably measured.

Investment income

Interest on funds held on deposit is included upon notification of the interest paid or payable by the Bank. Investment income is accounted for when receivable and includes the related tax recoverable. This is normally upon notification by the investment advisor of the dividend or interest yield of the investment portfolio.

Charitable activities

Maintenance contributions from the occupants of the alms homes are recognised when the contributions fall due.

Expenditure

All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings in the statement of financial activities. Expenditure includes vat which cannot be recovered, and is reported as part of the expenditure to which it relates. Expenditure is classified under the following activity headings:

Charitable Activities

Charitable activities include the maintenance of the alms homes properties and the provision of grants for the elderly poor of Weymouth, together with support costs for these activities. Governance costs include the preparation and examination of the statutory accounts, the cost of trustees' meetings and cost of legal advice of trustees on governance and constitutional matters.

Tangible fixed assets

Tangible fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses. The alms homes properties were professionally valued on 15 December 2008 and the trustees have used the Nationwide House Price Index to calculate the uplift in market value to 1 January 2015. The charity took advantage of the FRS102 transition exemption to use this 1 January 2015 value as deemed cost without adopting a policy of revaluation.

Depreciation and amortisation

Depreciation is not provided on the alms homes properties as they are maintained in a continual state of sound repair and have a residual value not materially different from the amount that the properties are included in the accounts.

SIR HENRY EDWARDS' CHARITIES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

Fixed asset investments

Fixed asset investments are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid after taking account of any discounts due.

Cash at bank and in hand

Cash at bank and in hand includes cash held on investment accounts.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

Fund structure

Unrestricted income funds can be spent on any purpose within the charity's objects at the discretion of the trustees and is split between Alms Homes and Dinner Gifts

Expendable endowment funds represent the capital value of the properties and investments held by the charity, including all subsequent gains and losses, and is expendable at the discretion of the trustees to be applied for the purpose for which it was given. Expendable endowment funds are also split between Alms Homes and Dinner Gifts.

Transfers are made between income and capital funds to maintain endowment funds at their current value at the balance sheet date.
