THE LOUISA LILLEY ALMSHOUSES

TRUSTEES' REPORT

For the year ended 31 December 2024

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and Activities

a. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

Miss Louisa Lilley died on 4 May 1930. Under her Will, land was to be purchased and almshouses built for occupation by persons of either sex, provided they lived or had lived in Wellingborough or Irthlingborough or in the immediate neighbourhood, without regard to their political or religious beliefs. Trustees were to be appointed to build and manage the properties which were to be named The Louisa Lilley Almshouses. Age and character were to be taken into account in assessing applicants for occupancy.

Six almshouses were built in Irthlingborough and fourteen in Wellingborough.

Over the years the properties became outmoded and, on a local initiative, in 1976/77 the almshouses in Wellingborough were brought up to modern standards with grant aid from the Housing Corporation.

In 1981 the properties in Irthlingborough were also modernised using grant aid via the East Northants Council.

The Trust is now a registered housing association employing a salaried part-time secretary.

The Trustees meet regularly to ensure the properties are managed effectively and a high quality of service provided for the residents. The Trust properties are visited regularly by the part-time secretary to collect the maintenance contributions and ensure frequent contact between the management and residents. As part of their duties the Trustees make an annual inspection of the properties.

b. PUBLIC BENEFIT

The Trustees of The Louisa Lilley Almshouses accept the need to have regard to the Charity Commission's guidance on public benefit.

They recognise that it is their responsibility to ensure that the benefits offered by the charity are realised by promoting the charity within the county.

The aim is set out in the Report of the Trustees. The organisation believes in being fair, open and inclusive.

c. OMBUDSMAN

A National Ombudsman has been appointed to help residents who cannot get satisfaction from their landlords. That is unlikely to happen with regard to The Louisa Lilley Almshouses. Details are available on request from the Trust's secretary.

TRUSTEES' REPORT (continued) For the year ended 31 December 2024

d. MANAGEMENT POLICIES

Management policies have been approved and updated by the Trustees relating to the following issues:

- ii eligibility and selection criteria
- iii compliants procedure
- iii equal opportunities policy
- iv financial procedures
- v data protection (GDPR) policy
- vi chairman's responsibilities
- vii execution of repairs and maintenance policy
- viii maintenance contribution policy
- ix letter to new residents policy
- x premises contents policy
- xi residents personal details policy
- xii rules and regulations policy
- xii trustees responsibilities
- xiv voting by proxy policies

Achievements and performance

a. MAINTENANCE CONTRIBUTIONS AND FINANCE

Maintenance contributions are reviewed annually. Levels are still low compared with rents in both the public and private sectors but in the long term the properties will require major investment which

- i could mean asking for financial assistance from the successors to the Housing Corporation or other financial institutions including the Almshouse Association.
- ii necessitates the building up of reserves.

Help from the successors to the Housing Corporation is doubtful but traditionally to have any hope at all the Trust must be seen to be moving towards what are known as 'Target Rents' which are very much higher than the existing maintenance contributions. The Trustees therefore decided to move in that direction in accordance with guidance prepared by the then Housing Corporation and The Almshouse Association.

Maintenance contributions charged in 2024 and 2023 were as follows:

| | 2024 | 2023 | |
|---------------------------------|-------|-------|------------|
| 3 Bedroom unit (Wellingborough) | 80.00 | 80.00 | (per week) |
| Double units | 73.00 | 73.00 | (per week) |
| Single units | 67.00 | 67.00 | (per week) |

If any resident has difficulty meeting the maintenance contribution then financial help may be available through housing benefit. Application can be made to the appropriate local authority, ie Wellingborough Borough Council for the properties in Wellingborough; North Northamptonshire Council for the properties in Irthlingborough.

TRUSTEES' REPORT (continued) For the year ended 31 December 2024

b. TRUSTEES' REVIEW OF THE YEAR'S ACTIVITIES

There was a surplus for the period before unrealised revaluation gains on investments amounting to £18,730 (2023 - £39,136). Unrealised revaluation gains on investments for the period amounted to £37,021 (2023 - £83,200).

Unrestricted funds at 31 December 2024 amounted to £312,726 (2023 - £293,996). Revaluation reserve funds at 31 December 2024 amounted to £610,145 (2023 - £573,124)

The Trustees, in general, are of the opinion that the affairs of the Trust are in good order.

2024 was a successful year for the Trust.

We lost one Resident in 2024 who passed away unexpectedly at Wellingborough. A new Resident moved in fairly quickly and has fitted in well. We have a full, set of Residents at this time.

The Trust's Secretary, Michael Port, had a successful year and the Trustees wish to record their appreciation of all his efforts.

The gardens continue to improve with the new garden at Irthlingborough now being 90% complete.

Further work on the roofs has been done and will continue in 2025.

The Trustees are of the opinion that the affairs of the Trust are in good order.

Financial review

a. RESERVES POLICY

The Trustees' 'hands on' approach to managing the Trust's affairs, since its re-vitalisation in the late 1970's/early 1980's, has been very successful resulting in the Trust's current solid financial position.

The Trustees have endeavoured, and will continue to endeavour, to build up reserves which will be required in the long term to meet the cost of major enhancement works but they have had to balance this against the need, over recent years, to carry out substantial intermediate improvement works. The Trust has investment income and the only real source of income, to build up reserves, is from the maintenance contributions hence the Trustees agreed policy to increase maintenance contributions every year by the maximum permitted amount. Any shortfall in the long term investment required will have to be met either by funding from the Homes and Community Agency, which is unlikely, or loans via the Almshouses Association.

b. AVERAGE PAYMENT DATE

The average time taken between receipt and payment of purchase invoices is 7 days.

c. INVESTMENTS POLICY

Funds which are surplus to immediate spending needs are held either on interest bearing deposit accounts or in Charities Investment Fund income or accumulation shares. Units held in these investments are shown at market value.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

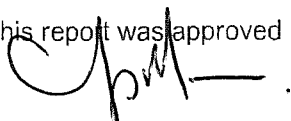

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. INDEPENDENT EXAMINER'S REPORT For the year ended 31 December 2024

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE LOUISA LILLEY ALMSHOUSES (the 'charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2024.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

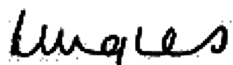

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 December 2024

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Louisa Lilley Almshouses meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Louisa Lilley Almshouses constitutes a public benefit entity as defined by FRS 102.

1.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.3 Going concern

The financial statements have been prepared on a going concern basis. The Trustees have considered relevant information, including the annual budget, forecast future cash flows and the impact of subsequent events in making their assessment.

The Trustees have not identified any further material uncertainties that may cast significant doubt about the ability of the charitable company to continue as a going concern.

Based on these assessments and having regard to the resources available to the charitable company, the Trustees have concluded that there is no material uncertainty and that they can continue to adopt the going concern basis in preparing the annual report and accounts.

1.4 Fixed assets - Housing land and buildings

Housing properties are stated at cost. The development cost of housing properties includes the following:

- a cost of acquiring land and buildings;
- b development expenditure;

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 December 2024

1. ACCOUNTING POLICIES (CONTINUED)

1.5 Depreciation - Housing land and buildings

Depreciation of housing properties was effectively recognised:

- a by housing association grants which reduced the net investments in housing properties, ie cost less housing association grant, to an amount which can be recovered from the expected net rental income; and
- b in respect of that proportion of cost not financed by either housing association grant, or by long term loan by making a transfer from reserves to accumulated depreciation.

No depreciation has been provided on housing properties during the year. The net value of properties shown in the balance sheet is estimated to be less than their land value.

1.6 Future cyclical repair and maintenance reserve

The reserve reflects the Trust's liability to maintain its properties in accordance with a planned programme of works and is maintained in accordance with an order by the Charity Commission dated 14 May 1982.

1.7 Housing Association grant

Social Housing Grant (SHG) is receivable from the Homes and Communities Agency and formerly from the Housing Corporation and is utilised to reduce the capital costs of housing properties, including land costs. SHG due from the HCA or received in advance is included as a current asset or liability. SHG received in respect of revenue expenditure is credited to the income and expenditure account in the same period as the expenditure to which it relates.

SHG is subordinated to the repayment of loans by agreement with the HCA. SHG released on sale of a property may be repayable but is normally available to be recycled and is credited to a Recycled Capital Grant Fund and included in the balance sheet in creditors.

1.8 Property management

The Trust carries out a programme of maintenance of its property portfolio designed to keep it in a good state of repair and suitable for the use for which it was originally constructed.

After taking account of HAG and other capital grants the Trustees have considered that a charge for depreciation would generally be unnecessary.

1.9 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on investments' in the Statement of financial activities.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES (CONTINUED)

1.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

1.11 Taxation

The Trust is accepted as a charity by HM Revenue & Customs. Income and capital gains of the Trust are generally exempt from tax if applied for charitable purposes.
