Structure, Governance & Management

The full title of the Charity is: "The Reveley Charities, incorporating the John Gale and Clarke Smith and Fuller Charities".

The working title of the Charity is "The Reveley Charities", more often referred to as "The Reveley Trust".

a) Committees

The Trust operates with one Committee of Trustees which meets approximately quarterly. During the spring meeting the Annual General Meeting is held. There are no other committees at present; other sub-committees may be raised as required.

b) **Trustees selection, appointment and competence**

Under the terms of the Trust Deed (see below) the Trustees should consist of the Rector of the Parish of Bushey, and up to twelve other “non-official Trustees, who shall be competent persons, resident in the County of Herts or within ten miles of Bushey”. New Trustees are appointed by the existing Trustees. This year Mr Carey Keates died and Dr Sarbani Jollyman and Dr Tim Jollyman were appointed as Trustees.

c) **Trust Deed**

The governing document of the Trust is the “Scheme for the Regulation and Management of the Charities of George Johnson Reveley” as approved on the 4th July 1881.

Objectives & Activities

The Charity’s sole purpose is the management of ten almshouses situated in Bushey, near Watford, which belong to the Charity, and are maintained to provide shelter for nine elderly residents, one dwelling being reserved for a Warden.

Under the terms of the Scheme document there are no restrictions on the Trustees with regard to the investment of capital, or the raising of loans.

The trustees confirm that they have referred to the guidance contained in the Charity Commission general guidance on public benefit when reviewing the charity’s aims and objectives and in planning future activities.

Committee

The Committee met on three occasions during the year for the Spring AGM. Trustees who acted during the year appear on page 1 above.

Independent Examiner

Mr Jack Debnam continues as Independent Examiner.

Activities and Results

All cottages are occupied with one change of tenancy in the past year. Following a review of rent charges to ensure generation of income reserves and to keep the premises in good repair, there was an increase in charges in 2024.

Maintenance

Following change of occupant one cottage was refurbished and re-let.

Welfare of Residents

Warden Marian Doyle continues to give attentive care to our residents, as did our Secretary Brenda Batten to the daily affairs of the Trust.

The charity is funded by the maintenance contribution from residents and investments. The former has been reviewed and in the light of our reserves and forecasted expenditure an increase as noted above has been made this year. Our investments have been kept under review.

Total incoming resources were £61565, direct charitable expenditure was £17990. A surplus of £30000 was invested in April this year. The charity is in a good financial state. No value is ascribed to the properties. The accounts are presented on a Receipts and Payments basis.

Reserves Policy.

The charity has cash of £45943 in hand and investments of £424049 representing at least 15 years direct charitable expenditure. This is considered adequate and appropriate in the light of the age of the buildings to be maintained. The adequacy of the reserves policy is reviewed annually.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:
