## **The Thomas Wall Trust**

### **Trustees' report on the accounts for the year ended 31st July 2024**

#### **Structure, Governance and Management**

The Thomas Wall Trust is governed under a Scheme of the High Court of Justice (Chancery Division) dated 15th December 1936 as varied by a Scheme dated 22nd July 1991. It is registered in England and Wales as a charity no 206121. The registered office address is shown on page 1.

#### **Trustees**

The Trustees of the Charity are shown on page 1.

#### **Method of Appointment of Trustees**

At full strength there are four Representative Trustees and five Co-optative Trustees. The Representative Trustees are nominated as follows:

- One by the Association of School and College Leaders
- One by the University of Oxford
- One by the University of Cambridge
- One by the University of London

The Co-optative Trustees on occurrence of a Co-optative vacancy appoint a person to fill it. In seeking new Co-optative Trustees, the Board seeks to ensure a balance of relevant skills in the Board. If the vacancy is not filled within six months, it is done so by resolution of all Trustees.

New Trustees are briefed on the history and objectives of the Trust, and Trustees responsibilities and duties in general. They also attend an induction with administrative staff, to gain a fuller understanding of what lies underneath the application and assessment process.

The Charity holds regular meetings of the Trustees four times a year, at which decisions are made on the general running of the charity and also on grants to charitable institutions. Decisions on grants to individuals are made throughout the year by Trustees.

The Trustees actively review the major risks which the Charity faces on a regular basis. The Trustees believe that maintaining the free reserves at the levels stated below, combined with a regular review of the controls over key financial systems will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which might arise and confirm that they have established systems to mitigate the significant risks.

#### **Objectives and Activities for the Public Benefit**

The objects of the Trust, as stated in the Scheme dated 15th December 1936, are as follows:-

The income of the Charity shall be applied at the sole and unfettered discretion of the Trustees in any matter which they shall consider conducive to the encouragement and assistance of educational work and social service both amongst the large centres of population in the City or County of London and elsewhere and, in exercising such discretion, the Trustees shall have regard to the directions or recommendations following:-

- a) That in the administration of the Charity it is recommended that the Trustees keep in touch or consult with the best authorities and the latest knowledge on education and social service.
- b) That the Trustees shall take a broad view of the meaning of "educational work and social service", and the encouragement and assistance thereof. In particular such encouragement and assistance shall not be confined to supporting institutions but shall include the aiding of individuals such as poor widows left with issue, poor teachers and young persons of promise but lacking the means of getting their training and the establishment and support of scholarships.

## The Thomas Wall Trust

### Trustees' report on the accounts (continued) for the year ended 31st July 2024

- c) That no grant shall be made towards the erection or renovation of buildings or to hospitals, almshouses or similar institutions and that in the administration of the Charity no support shall be given to any political party or to party propaganda.
- d) That none of the objects herein before suggested, which under present social conditions appear to be of paramount importance, shall be pursued after it has ceased in the opinion of the Trustees to be vital and pressing in the interests of the community but that the application of the said income shall be directed generally to promote and assist the education of the people and improvement of social conditions and for that purpose to assist progressive institutions whose objects come within the ambit of the trusts and which are free to adapt themselves to the ever-changing necessities of the nation.

These objectives were achieved in the year by the award of grants as detailed below.

The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

#### Achievements and Performance

The Statement of Financial Activities for the year is set out on page 8 of the financial statements. A summary of the financial results and the work of the charity is set out below.

The Grants to Individuals programme remains the same, aiming to support motivated adults living in the UK to undertake education and training that will increase their chances of employment with an increased maximum grant amount of £1,500.

The Grants to Registered Charities programmes focuses on communication skills linked to employment prospects, self-confidence, resilience, and life chances. The programme welcomes proposals which target people experiencing multiple deprivation or other groups demonstrably facing major hurdles to employment, especially, women, people with physical, mental, or learning disabilities, refugees and asylum seekers.

Between: 1<sup>st</sup> August 2023 - 31<sup>st</sup> July 2024:

**275 Applications received**   **76 Grants awarded**

Between 2023 and 2024, the Grants to Individuals Programme received 275 applications (2023:342) of which 76 were successful.

The Trust committed **92%** (£60,070, 2023: £68,757) of the annual budget of **£65,000.**

Between: 1<sup>st</sup> August 2023 - 31<sup>st</sup> July 2024:

**369 Applications received**   **22 Grants awarded**

Between 2023 and 2024, the Grants to Registered Charities Programme received 369 applications (2023: 507) of which 22 were successful (including multi grants). The total amount awarded was £105,624 (2023: £123,671) (plus £250 to the Thomas Wall Nursery). The original budget was £120,000.

The Trust committed **88%** of the annual budget of **£120,000.**

## **The Thomas Wall Trust**

### **Trustees' report on the accounts (continued) for the year ended 31st July 2024**

The charity is managed by the Trustees and derives its income mainly from investments managed by an independent fund management organisation. The charity received total income of £203,806 (2023: £201,287) in the year and realised gains on investments of £nil (2023:£nil). In addition, unrealised gains on investments amounted to £373,020 (2023: £114,081 loss).

#### **Governance**

Pellipar Services Limited (the operating arm of The Skinners' Company) has administered the charity since 1st January 2010.

---

#### **Financial Review**

##### **Reserves**

The reserves of this Trust should be considered to be the net assets on the Income Fund after the deduction of spending commitments already entered into.

The Trust needs reserves for two reasons:

- a) to cover fluctuations in cash-flow during each year. This is caused by income arriving in regular quarterly instalments whereas expenditure is concentrated into the three autumn months and July;
- b) to cover any unplanned large expenditure, such as professional fees for work involving its investment properties.

The Trust's income is relatively stable. The bulk of expenditure is on grants and is easily adjustable from one year to another, especially as grants are made for one year at a time. Very few factors affecting expenditure are outside the Trust's control.

The Trustees have designated the capital element of the reserves as non-distributable. The Trust's policy is to hold free reserves, high enough, but no higher than is needed, to fund the grants to individual students and cover the fluctuations in cash-flow during the year. The free reserves are those unrestricted funds not designated for specific purposes or otherwise committed. The charity had free reserves of £213,841 (2023: £220,539) at the year end which the Trustees consider to be sufficient for this purpose.

##### **Investment policy and returns**

The Trust's capital assets consist of investments and two properties.

The Trust's investment policy is at least to preserve the real value of the capital assets, safeguarding them against erosion of value by inflation, while at the same time deriving from them the best income that can be obtained safely.

With regard to its other investments, the Trustees' chosen means to achieve their policy is to place all those assets in a Common Investment Fund, specifically the funds managed by COIF (CCLA Ethical Investment Fund), because of its focus on the needs of charities. In that way risk is spread very much wider than would be possible in the Trust's own managed portfolio.

The policy is monitored by quarterly reports from COIF and an annual discussion with a COIF representative at a Trustees' meeting.

## **The Thomas Wall Trust**

### **Trustees' report on the accounts (continued) for the year ended 31st July 2024**

At the year end, the charity had net assets of £5,844,279 (2023: £5,493,119) comprising investments on the stock exchange, property and bank deposits, as shown on page 9.

Almost all of the charity's assets consist of the capital with which it was set up. The Trustees intend to retain this capital element of the fund which amounts to £5,630,438 (2023: £5,272,580). The charity's income which is needed to fulfil its objectives is derived from the investment of those assets. The charity's investments increased in value during the year by 6.9% (2023: 2% reduction). During the same period, the FTSE 100 index rose by 8.68% (2023: 3.8%).

#### **Plans for Future Periods**

Plans for 2024/25 include our annual review of eligibility criteria for awards to individuals and charities to ensure these continue to remain within Thomas Wall's original intentions and also reflect the needs of current society.

The Trustees are conscious that there is continuing demand for support from individuals and charities. We want to use our limited funds to help individuals to develop skills, (currently communication skills), to enable them to overcome personal disadvantage and become economically active. Similarly, those charities that the Trust wishes to support should meet defined criteria to support those in need by providing grants for charities with clear missions to facilitate this.

The trustees also plan to ensure that governance arrangements reflect modern day best practice by re-visiting the Trust's governing documents. We will also continue our regular oversight of investment policy including the balance of the portfolio.

#### **Fundraising**

The trustees do not undertake significant fundraising activities.

#### **Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts Reports) Regulations 2008 and trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditors**

A resolution proposing that Wenn Townsend be re-appointed as auditors of the charity will be put to the Trustees' meeting.

This report was approved by the Board on 28 November 2024.

Ms J Tyler  
(Chair)

## **The Thomas Wall Trust**

### **Independent Auditor's Report to the Trustees of The Thomas Wall Trust**

#### **Opinion**

We have audited the financial statements of The Thomas Wall Trust (the 'charity') for the year ended 31st July 2024 which comprise the Statement of Financial Activities, the Balance Sheet, and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st July 2024, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

## **The Thomas Wall Trust**

### **Independent Auditor's Report (continued) to the Trustees of The Thomas Wall Trust**

#### **Responsibilities of Trustees**

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the FRC's website at: <https://www.frc.org.uk/auditors/audit-assurance/auditor-s-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor%E2%80%99s-responsibilities-for>. This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Wenn Townsend**

## **The Thomas Wall Trust**

### **Notes to the accounts for the year ended 31st July 2024**

#### **1 Summary of significant accounting policies**

##### **a) General information and basis of preparation**

The Thomas Wall Trust is a charitable trust in the United Kingdom. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are detailed in the Trustees' Report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional and presentational currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound sterling.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### **b) Fund accounting**

The Charity's total funds consist of a general fund which the Trustees may use, for the furtherance of the objects of the Charity, at their discretion. Designated funds are unrestricted funds which have been set aside by the Trustees for a particular purpose.

##### **c) Income recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

##### **d) Expenditure recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

##### **e) Support costs allocation**

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs and governance costs. They are incurred directly in support of expenditure on the objects of the charity and include project management. The analysis of these costs is included in note 4.

##### **f) Fixed asset investments**

The Charity's investments and investment properties are included in the accounts at market value at the year end. Gains or losses arising on revaluation are recognised in the Statement of Financial Activities as unrealised gains or losses. Gains or losses arising on disposal are recognised in the Statement of Financial Activities as realised gains or losses.

## The Thomas Wall Trust

### Notes to the accounts (continued) for the year ended 31st July 2024

#### g) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

#### h) Key judgements and sources of estimation uncertainty

The preparation of financial statements requires management to make estimates, judgements and assumptions that affect reported income, expenses, assets and liabilities. However, the nature of estimation means that actual outcomes could differ from those estimates. The valuation of the investment properties may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period. As at 31st July 2024, the carrying amount of the investment properties was £1,213,900 (2023: £1,213,900).

### 2 Donations and legacies

Included in donations are the following including gift aid received in the year:

	2024 £	2023 £
Sundry donations	1,150	1,320
	<u>1,150</u>	<u>1,320</u>
<b>3 Investment income</b>		
Interest receivable	2,490	1,874
Dividends receivable from investments and unit trusts	129,469	127,398
	<u>131,959</u>	<u>129,272</u>
<b>4 Charitable activities</b>		
Grants made in the year - to individuals	51,688	68,685
- to charitable organisations	105,874	123,788
Legal fees	-	2,100
Audit	3,210	3,030
Management fees	58,628	54,125
Office costs including meetings, travel & training	2,415	1,904
Bank charges	321	322
Website costs	3,530	3,335
	<u>225,666</u>	<u>257,289</u>

Included within Grants made in the year are payments to the following organisations:

African Women Impact UK CIO	4,500	Neurodiversity UK	5,000
Bramber Bakehouse	5,000	New Hope Global	5,000
Creative Sparkworks	4,200	One to One Enfield	5,000
Dancesyndrome	5,000	Options in Life	5,000
EFA London	5,000	People Matter	4,224
Footprints Conductive Education Centre	5,000	Proud and Loud Arts	5,000
Forth Valley Welcome	5,000	Sateda	4,500
Healing for the Heart	5,000	Strength & Stem Ltd	5,000
Iranian Liverpool Community	5,000	Sunrise Diversity	5,000
Luminary Limited	5,000	TEMCA (Rainbow Haven)	3,200
Middlesex Association For The Blind	5,000	Thomas Wall Nursery	250
My Life	5,000		

All of the above recipients each received one grant payment during the year.

**The Thomas Wall Trust**  
**Notes to the accounts (continued)**  
**for the year ended 31st July 2024**

**5 Trustees' and key management personnel remuneration and expenses**

The Trustees neither received nor waived any remuneration during the year (2023: £Nil).

The total amount of employee benefits received by key management personnel is £Nil (2023: £Nil). The Trust has no employees.
