TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

The Trustees present their annual report together with the financial statements of the Charity for the 1 January 2023 to 31 December 2023.

Objectives and activities

a. Policies and objectives

The objects of the society are to promote the welfare of its members spiritually, socially, intellectually and physically and to aid missions at home and abroad.

b. Activities undertaken to achieve objectives

The society's policy objectives are met by the provision of sports facilities at Brigg Street Norwich and Hilltops Swardeston. The trustees are mindful of the need to ensure the activities of the charity fulfil the criteria for public benefit and have given careful consideration to the Charity Commissions general guidance.

c. Donations and grant-making policies

The society makes charitable donations to other organisations catering for young people and religious activities at home and abroad.

Grant and donation applications are reviewed by the Secretary and discussed at the meetings of the Finance Committee. Recommendations are subsequently put to the General Committee for approval.

d. Main activities undertaken to further the Charity's purposes for the public benefit

The trustees have had due regard to the Charity Commission guidance on public benefit. The activities undertaken to further the charity's purposes for the public benefit are described above.

Achievements and performance

a. Review of activities

The society provides table tennis facilities to its own teams at Brigg Street. The society also supported its own football and cricket teams.

During the year, the property at Brigg Street experienced a flood. An insurance claim was made in respect of the damages incurred and a settlement has been received following the year end. The Trustees are satisfied that there are no signs of material impairment to the property as at 31 December 2023.

In keeping with the society's objectives particular support has been given to young persons via the CEYMS / Swardeston Youth Cricket Development Programme, and Norfolk Cricket Board with donations of £11,000 (2022: £11,000).

There is a net deficit before the realised and unrealised gains on investments of £62,832 (2022: net deficit of £109,942).

b. Investment policy and performance

The society invests in stocks and shares using a professional firm of stockbrokers for advice. The society also invests in property. These generate the majority of the society's income and may provide capital growth. The current market value of the charity's UK quoted investments is £537,571 (2022: £565,125) and they have a historical cost value of £335,909 (2022: £359,001).

NORWICH CHURCH OF ENGLAND YOUNG MEN'S SOCIETY

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

Financial review

a. Going concern

The trustees are satisfied with the year-end financial position and that the charity remains a going concern.

b. Reserves policy

The trustees have reviewed the reserves of the charity. This review encompassed the nature of the income and expenditure streams, the need to match income with fixed commitments and the nature of the reserves. There is a need to retain sufficient reserves to fund the expected annual deficit and to guard against the potential loss of rental income.

During the year the charity's unrestricted reserves decreased from £1,187,245 to £1,147,320. With free reserves of £543,241 (2022: £576,104) being reserves excluding restricted funds and tangible fixed assets.

Restricted funds have increased from £1,821 to £1,917 as a result of the revaluation on the restricted COIF shares.

Structure, governance and management

a. Constitution

Norwich Church of England Young Men's Society is a registered charity, number 206425, and is constituted under a Trust deed.

b. Methods of appointment or election of Trustees

In looking for new trustees, the existing trustees bear in mind the experience and qualification of possible candidates who are supportive of the Charity's aims. Successful candidates are elected at a meeting of existing trustees.

c. Organisational structure and decision-making policies

The trustees hold ad hoc meetings to consider major matters affecting the society. They and the general committee are responsible for the day to day running of the society. The general committee members are elected at the annual general meeting.

Plans for future periods

There are ongoing discussions with Lakenham Hewett rugby club concerning revisions to their lease.

The Trustees' continue to explore alternative uses for parts of Brigg Street following the closure of the premises.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NORWICH CHURCH OF ENGLAND YOUNG MEN'S SOCIETY

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

Independent examiner's report to the Trustees of Norwich Church of England Young Men's Society ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2023.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Norwich Church of England Young Men's Society meets the definition of a public benefit entity under FRS 102

1.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold

1.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. Accounting policies (continued)

1.6 Tangible fixed assets and depreciation

The charity previously adopted a policy to write off expenditure directly to the statement of financial activities in respect of plant and machinery (of a capital nature). A policy of capitalising fixed assets costing in excess of £599 and charging depreciation was adopted from 1 January 2002 for all plant and equipment purchased thereafter.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following basis:

Freehold property	-	2% straight line
Plant and machinery	-	15% reducing balance / 33% straight line

1.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

NORWICH CHURCH OF ENGLAND YOUNG MEN'S SOCIETY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting policies (continued)

1.11 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measures at their settlement value.

1.12 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

1.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
