**Trustees' Annual Report****Year ended 31<sup>st</sup> December 2023**

The Trustees present their Annual Report and the Financial Statements for the year ended 31<sup>st</sup> December 2023, which have been prepared in accordance with part 8 of the Charities Act 2011.

**Structure, Governance and Management**

The Charity was established by the will of the late Catherine Wright in 1868 as "Wright's Institution" and was incorporated along with all its subsidiary funds by Royal Charter in 1914 as The Liverpool Merchants' Guild. It is registered with the Charity Commission no. 206454. The Charity's address is 110-114, Duke Street, Liverpool, L1 5AG.

The Royal Charter was amended by a Scheme of the Charity Commission in May 1972 which extended the objects of the Guild and the ways in which benefits could be paid to beneficiaries, established a Common Investment Fund in respect of all of the separate funds that comprised the Guild, and granted unrestricted powers of investment. At the same time the Byelaws were updated to reflect these changes.

A Supplemental Royal Charter was granted in December 2006 which updated and replaced the original Charter and subsequent amendment after the Charity Commission had agreed a Scheme which updated the definitions of the objects of the Charity and the powers of investment. The Board of Management were also granted power to provide indemnity insurance for themselves and a simplified procedure for dealing with any future amendments to the Royal Charter was introduced.

In addition to the Royal Charter there are a set of Byelaws which deal with administrative and management matters. The Byelaws were extensively revised in conjunction with the granting of the Supplemental Charter in December 2006. In particular, the new Byelaws recognised a single class of membership of the Guild, being persons paying an annual subscription of £2.10. Ex-officio membership of the Guild and the Board of Management was, with the consent of the existing office holders, brought to an end.

The Board of Management of the Guild is elected from the members of the Guild.

The following persons, who are all trustees, have been members of the Board of Management during the year:-

**Elected members:-**

Mr R.J. Carter	(Chairman)
Mr S.T. Chapple-Gill	
Mrs G. Ferrigno	
Mr A.T. Morris	
Mr L. Downey	
Mr K. Head	
Mr D. Bailey	
Mr W T M Roberts	
Dr C Lewis-Jones	

One third of the elected members are appointed on an annual basis at the Annual General Meeting.

There are two Sub-Committees appointed by the Board of Management.

**Finance Sub-Committee – which deals with the management of the Guild's investments**

Mr R.J. Carter	(Chairman)
Mr A.T. Morris	
Mr L. Downey	
Mr D. Bailey	

**Trustees' Annual Report**

**Year ended 31<sup>st</sup> December 2023**

Selection Sub-Committee – which deals with the award of pensions and grants.

Mrs G. Ferrigno (Chair)  
Mr R.J. Carter  
Mr S.T. Chapple-Gill  
Mr K. Head  
Mr D. Bailey  
Mr W T M Roberts  
Dr C Lewis-Jones

New members are recruited on the basis of the skills, relevant experience or expertise that they are able to contribute to the Board of Management. They undergo a short period of induction training explaining the constitution of the Guild, the responsibilities of a Member of the Board of Management and the workings of the sub-committee to which they will be allocated.

**Day to Day Management**

The day to day management of the Charity is conducted by Monetta LLP in their capacity as Secretaries.

**Risk Management**

The Board of Management has assessed the major risks and uncertainties facing the charity and have identified these as:-

Security of Assets, Investment Policies, Fraud, Disaster Recovery and Safety during Visits to Beneficiaries

A summary of the plans and strategy for managing these risks are as follows:-

**1. Security of Assets**

Safe custody arrangements have been made with regard to the Guild's investments such that all share and stock certificates are held by either the New York Mellon Bank or in electronic format by Rathbone Nominees Limited.

**2. Investment Policies**

The Trustees have put in place a written investment policy and have delegated discretionary management of the Guild's investments to Rathbone Investment Management who regularly monitor the performance of the Guild's investments which performance is also regularly reviewed at meetings of the Finance Committee.

**3. Fraud**

The Trustees regularly monitor the financial performance of the Guild. There is a segregation of duties and, whilst cash balances of Liverpool Merchants' Guild are frequently managed by both the Secretaries and the Investment Managers, the Trustees insist on confirmation that both the Secretaries and the Investment Managers have adequate professional indemnity and insurance cover in place.

**4. Disaster Recovery**

The Secretaries ensure that data back-up procedures are in place together with adequate insurance cover.

**Trustees' Annual Report****Year ended 31<sup>st</sup> December 2023****5. Safety during Visits to Beneficiaries**

The Trustees ensure that procedures with regard to the staff of the Secretaries visiting beneficiaries at home are strictly adhered to.

**Objectives and Activities**

The objects of the Charity as defined by the Supplemental Royal Charter of December 2006 are:-

*To relieve individuals who have been a professional or self-employed person, a person who worked in a supervisory capacity, or a clerical or non-manual worker, and their dependants, who are residing in Merseyside, or who have so resided for a continuous period of not less than fifteen years, who are not less than fifty years of age and who are in conditions of need, hardship or distress, either by paying pensions or by making grants or loans of money or providing or paying for items, services or facilities calculated to reduce such need, hardship or distress as aforesaid.*

*To accept and administer any funds or property given or bequeathed to the Guild upon any trusts for charitable purposes which, in the opinion of the Board of Management of the Guild, can be conveniently carried out and administered by the Guild.*

Benefit takes the form of pensions or grants of money for specific items of expense of such an amount as the Board of Management consider suitable to the circumstances of each individual case.

**Achievements and Performance**

Pensions were awarded to 13 new beneficiaries during the year (2022 - 25). The circumstances of existing beneficiaries were also reviewed resulting in an increase to their pensions of £33,900. Total pensions paid during the year amounted to £862,055. The Sub-Committee also made payments of grants totalling £103,683. The number of beneficiaries in receipt of pensions at the end of the year was 213 (2022 - 244).

**Plans for Future Periods**

The Liverpool Merchants' Guild continues to provide funding towards the support of independent living by means of the provision of specialist equipment or residential adaptations for individuals with special needs.

The principal short term and long term aims and objectives of The Liverpool Merchants' Guild are to increase the number of beneficiaries and positive efforts are still being made to achieve this aim, including updating the Guild's website to facilitate electronic applications.

All current beneficiaries have recently been informed that, in addition to making regular payments, The Liverpool Merchants' Guild also make grants available for items of exceptional expenditure. Additionally, grants are available to new applicants and this is stated both on the Guild's website and published in application guidelines.

**Marketing**

A range of materials, including a website, posters and brochures, have been produced to promote the Guild and it is hoped that this will result in an increase in the number of applications for benefit not only for grants to support independent living but also for ordinary pensions.

## Trustees' Annual Report

Year ended 31<sup>st</sup> December 2023

## Finances

The Supplemental Charter of December 2006 granted the Board of Management power to invest funds, employ a professional fund manager and to arrange for the investments of the Guild to be held in the name of a nominee in the same manner as trustees of a trust are permitted to do by the Trustee Act 2000.

The capital funds of the Guild may also be invested in a Common Investment Fund established by a Scheme of the Charity Commission on 4<sup>th</sup> May 1972.

In March 2007 the Charity Commission approved a Scheme whereby the previously separate named funds were formally amalgamated into a single fund entitled The Liverpool Merchants' Guild.

The capital of the Guild is grouped into four funds:

The Permanent Endowed Fund is made up of all the original separate funds which were incorporated into the Guild at the time the original Royal Charter was granted together with subsequent bequests which had stipulated that the capital was not expendable. This fund is a restricted fund and only income may be expended in furtherance of the objects of the Guild.

The Legacies Fund is also a restricted fund but comprises bequests to the Guild where there has been no stipulation regarding capital. The whole of this fund is expendable on the objects of the Guild although at present only the income is being used.

The General Fund is an unrestricted fund and comprises unconditional bequests to the Guild. At present only income is being utilised with any unspent income at the end of each year being transferred to the Reserve Fund.

The Reserve Fund is an unrestricted fund and comprises unspent income accumulated over many years. Part of the Reserve Fund has been utilised in previous years to finance loans to beneficiaries to enable them to carry out essential property repairs. A further part of the Reserve Fund is invested temporarily.

Rathbone Investment Management continued to manage the Guild's investments on a discretionary basis, in accordance with the parameters set by the Finance Committee, under the terms of their appointment which commenced on 1st October 2013.

The funds have performed as follows during the year: -

Bespoke Composite Benchmark – year to 31.12.2023 = 10.86%

	31.12.2022	31.12.2023	%-age change	Benchmark
<b>Common Investment Fund</b>				
Market value	43,988,306	47,052,405		
Cash held by Rathbones	<u>2,183,525</u> 46,171,831	<u>410,169</u> 47,462,574		
Income generated	-	1,479,167		
	<u>46,171,831</u>	<u>48,941,741</u>	6.00%	10.86%

## Trustees' Annual Report

Year ended 31<sup>st</sup> December 2023

	31.12.2022	31.12.2023	%-age change	Benchmark
Reserve Fund				
Market value	3,672,207	4,154,410		
Cash held by Rathbones	<u>388,318</u> 4,060,525	<u>222,500</u> 4,376,910		
Income generated	<u>-</u> <u>4,060,525</u>	<u>111,502</u> <u>4,488,412</u>	10.54%	10.86%
Management fees taken	<u>180,093</u>	<u>181,646</u>		

During the year the Common Investment Fund and the Reserve Fund had combined realised losses on investments totalling £38,445 and unrealised gains on investments amounting to £1,421,862.

Overall, taking cash balances into account, the combined value of the Common Investment Fund and the Reserve Fund at 31<sup>st</sup> December 2023 amounted to £52,627,203 which was an increase of £1,690,306 on the combined value of the Common Investment Fund and the Reserve Fund at 31<sup>st</sup> December 2022 in the sum of £50,936,897.

There were no legacies or donations received during the year (2022 – nil).

The principal funding sources of the Charity are the investments which the Charity holds. During the reporting period investment income amounted to £1,590,669 which sum substantially covered the Guild's expenditure on charitable activities of £1,101,153.

**Going Concern**

In accordance with the requirements of FRS102 SORP, the Trustees have reviewed the financial position of the Guild. This review has covered a period up to 31<sup>st</sup> December 2024 and the Trustees of the Guild are unanimously of the view that the Charity is a going concern.

The Trustees are also unanimously of the view that there are no material uncertainties about the Charity's ability to continue.

**Reserves**

Whilst all charitable payments are entirely discretionary and there is no irrevocable commitment for further expenditure, the Board of Management consider that a reasonable level of reserve would equate to approximately 12 months expenditure. Current free reserves, £4,960,666, are approximately 46 months expenditure.

The Board of Management are comfortable with the level of reserves held, particularly in view of its intention to actively seek to increase the number of beneficiaries.

**Responsibilities**

Charity Law requires the Board of Management to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its financial activities for that period. In preparing those financial statements the Board of Management is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the policies adopted are in accordance with the Statement of Recommended Practice "Charities SORP (FRS 102) issued by the Charity Commission and with applicable accounting standards subject to any material departures disclosed and explained in the financial statements.

## Trustees' Annual Report

Year ended 31<sup>st</sup> December 2023

- prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Charity will continue in business.

The Board of Management is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the Royal Charter of 2006. It is responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

The Trustees have complied with the duty in section 8 of the 2011 Charities Act to have due regard to the guidance on public benefit published by the Charity Commission (Public Benefit).

**Post Balance Sheet Events**

The Trustees have been closely monitoring events since the beginning of 2024 and can report that there has been a decrease of 5% in the level of dividend income generated by the Guild's investments comparing the first eight months of 2024 with the first eight months of 2023.

**Secretaries**

The Secretaries of the Guild are Monetta LLP, Chartered Accountants, 110-114 Duke Street, Liverpool, L1 5AG.

**Bankers**

The Guild's principal bankers are Barclays Bank PLC, City Office, 48B and 50 Lord Street, Liverpool, L2 1TD.

**Investment Managers**

The Guild's Investment Managers are Rathbone Investment Management, Port of Liverpool Building, Pier Head, Liverpool, L3 1NW.

**Auditors**

The Guild's auditors are Mitchell Charlesworth (Audit) Limited, Tempest, Suite 5.1, Tithebarn Street, Liverpool, L2 2DT.

**Solicitors**

The Guild's solicitors are Brabners LLP, Horton House, Exchange Flags, Liverpool, L2 3YL.

**Independent Auditors' Report to the Trustees of The Liverpool Merchants' Guild****Opinion**

We have audited the financial statements of The Liverpool Merchants' Guild (the 'charity') for the year ended 31 December 2023 which comprise the statement of financial activities, the statement of financial position, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' Report; or
- sufficient accounting records have not been kept; or

**Independent Auditors' Report to the Trustees of The Liverpool Merchants' Guild**

- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditors under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

**Extent to which the audit was considered capable of detecting irregularities, including fraud**

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including taxation legislation and data protection, anti-bribery, employment and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;

**Independent Auditors' Report to the Trustees of The Liverpool Merchants' Guild**

- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Other matters**

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

This has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice.

**Use of our audit report**

This report is made solely to the charity's trustees as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## 1 Accounting Policies

### Legal status

Liverpool Merchants' Guild constitutes a public benefit entity as defined by FRS 102.

### a Scope and basis of the financial statements

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of investments at market value, and are in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ('the SORP'), FRS 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland ('FRS 102'), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

The financial statements have been prepared on a going concern basis. This is discussed in the Trustees' report at page 5 under the heading 'going concern'.

### b Incoming Resources

Income arising on the Common Investment Fund investments is allocated to each fund in proportion to the value of the funds at 31st December 2022.

### c Investment Income

Dividends and bank interest are included as incoming resources when they are received.

### d Legacies and Donations Received

Legacies and donations are recognised upon receipt or when it is probable that they will be received.

Receipt is normally probable when:

- there has been grant of probate:
- the executors have established that there are sufficient assets in the estate, after settling any liabilities, to pay the legacy:
- any conditions attached to the legacy are either within the control of the charity or have been met.

### e Taxation

The Guild is a registered Charity and is not liable to UK taxation on its charitable activities and is not registered for VAT purposes. Expenditure is stated inclusive of any applicable VAT.

### f Pensions and Grants

All charitable payments are made for the benefit of individuals who meet the criteria for eligibility as set out in the Guild's Byelaws and Regulations and are made for the relief of hardship or need. All awards are made at the discretion of the Board of Management which does not enter into any commitment to renew or repeat any payment. Charitable payments are accounted for as and when paid.

### g Loans to Beneficiaries

Loans are granted to beneficiaries for the purpose of funding essential property maintenance or repairs. They are interest free and are repayable when the beneficiary ceases to occupy the property involved. Loans are only made from the Reserve Fund.

### h Investments

Investments held as fixed assets and current assets are all listed on a recognised stock exchange and are included in the financial statements at market value.

Those investments which are held as current assets are part of the Reserve Fund and are highly liquid investments which are readily realisable.

**1 Accounting Policies (cont)**

**i Investment Gains and Losses**

Realised and unrealised gains and losses on the Common Investment Fund investments are allocated to each capital fund in aliquot portions. Gains or losses arising on investments of the Reserve Fund are treated as additions or reductions to that fund and are available to set off against future expenditure.

**j Fund Accounting**

Following advice from the Charity Commission in June 1972, the Guild's capital funds were reclassified from a single permanent endowed capital account into restricted and unrestricted funds. Restricted funds have been further subdivided into permanent and expendable funds.

Funds in existence in June 1972, the date of implementation of the scheme by the Charity Commission, have been classified as permanent endowed funds and any additions to those funds since that date have been treated as additions to the permanent endowment. New funds received since June 1972 have been classified as restricted or unrestricted funds according to the terms or conditions attaching to the bequest to the Guild. Details of the various funds are set out in Notes 16 and 17.

All funds classified as restricted are held for the specific purpose of paying pensions or other benefits to eligible beneficiaries.

**k Debtors due after more than one year**

Debtors due after more than one year comprise loans to beneficiaries, both secured and unsecured. As there is no certainty when these amounts will be recovered the net present value, therefore, cannot be measured.

**l Current Assets - Investments**

Current asset investments represent stocks and shares quoted on recognised stock exchanges. Such stocks and shares can be immediately sold in exchange for cash which is receivable on the ordinary settlement terms of the stock exchange in question and have been revalued on the basis of prices quoted on the relevant Stock Exchange.

**m Current Assets - Cash at Bank**

Cash at bank represents monies held either at Barclays Bank or with Rathbone Investment Management. Such monies are immediately available and no notice period is required for access to same.

**n Current Liabilities - Creditors & Accruals**

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**o Financial instruments**

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

## 1 Accounting Policies (cont)

### *Other financial assets*

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

### *Impairment of financial assets*

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

### *Derecognition of financial assets*

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

### *Classification of financial liabilities*

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

### *Basic financial liabilities*

Basic financial liabilities, including creditors and bank loans, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

### *Derecognition of financial liabilities*

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

## 2 Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Expenditure on Charitable activities is allocated in proportion to the endowed, legacy and general fund values at 31st December 2022.

All charitable payments are for the benefit of individuals. At 31 December 2023 there were 213 beneficiaries. (2022 : 244).

**6 Trustees Remuneration**

No member of the Board of Management or any connected persons received any remuneration in respect of their services as trustees. Additionally no member of the Board of Management or any connected persons received or waived any reimbursement of expenses. (2022 - none)

S T Chapple Gill, a member of the Board of Management is a consultant to the firm Brabners LLP. Mr D. Bailey, also a member of the board of management, is a partner in the firm Brabners LLP. Brabners LLP provide legal services to the Guild. An Order has been obtained from the Charity Commission allowing the Guild to continue to utilise the services of this firm. £nil was charged by Brabners during the year (2022 - £nil). The amount outstanding to Brabners LLP at 31 December 2023 was £nil (2022 - £nil).

Mr A.T. Morris, who is a Trustee of Liverpool Merchants Guild, was an employee of Rathbone Investment Management (retired 30 June 2023). This latter company were appointed by the management Board of Liverpool Merchants' Guild to manage the Guild's investments on a discretionary basis with effect from 1<sup>st</sup> October 2013. Agreement to the appointment of Rathbone Investment Management was obtained from the Charity Commission. Rathbone Investment Management received remuneration included in these accounts amounting to £182,646. (2022 - £180,093). The amount outstanding to Rathbone Investment Management at 31 December 2023 was £46,657. (2022 - £45,209).

**7 Employees**

The Liverpool Merchants' Guild does not have any employees and does not provide any retirement or post employment benefits to anyone. (2022 - none)

#### 8 Transfer of Special Dividends

No special dividends or similar income have been received during the year which require a transfer between income and capital.

The Guild still considers it appropriate to make a transfer when such income arises. The capital funds would then have been credited in proportion to the fund values at the end of the previous year.

#### 9 Transfer between funds

At the end of each year transfers are made to or from the Reserve Fund in respect of the surplus or deficit of income on each of the other funds and is made up as follows:

	Note	Restricted Funds		Unrestricted Funds		Total Funds
