GRANBOROUGH VILLAGE HALL

TREASURERS REPORT for 2021/22

Set out below are the financial details of the refurbishment.

Thanks to the funding we received we still have funds of over £14,000 and we can therefore afford to look at further improvements such as the lighting. We now have oil central heating so the cost of electricity has reduced. 2021/22 was a restricted covid period which left us clear to carry out the refurbishment. The accounts will be audited shortly. There is nothing further to report.
