CHARITY OF ROGER REEDE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2022

OBJECTIVES AND ACTIVITIES

1. The Aims and Objects of the Charity

The foundation of the Charity derives from the Will of Roger Reede a Romford merchant and landowner who died in 1482. Its current governing document is a regulating Scheme of the Charity Commissioners sealed on the 16th August 1976, with subsequent amendments dated 28th November 1985, 19th August 1997, 31st January 2000, and 5th October 2001. The Charity Registration Number is 206827.

The Charity's object is the provision of Almshouses for the benefit of Poor Men of Good Character unable to maintain themselves by their own exertions through age, ill-health or infirmity. Over the past few years we have found it difficult to attract single gentlemen. The Charity Commissioners therefore agreed an amendment to the scheme (by a further scheme dated 5th October 2001) which states the Almspeople shall be poor men, or failing that, poor women who are unable to maintain themselves.

The wife of an Almsman may be accommodated, and likewise the widow of an Almsman.

There are 49 bungalows and flats on the Charity's Estate, plus a house, which has previously been occupied by the Wardens. The Estate is located in Church Lane, Romford, near the town centre, in the London Borough of Havering.

One Almshouse (separately funded by the Charity known as the William Hunnable Almshouse) has slightly different qualifications for occupancy. These are that those concerned shall be persons of good character who (except in special cases to be approved by the Charity Commissioners) are resident in the area of the Parish of Romford as constituted on 23rd July 1928.

It should furthermore be noted: -

(a) There are altogether three Almshouses (including the William Hunnable Almshouse) on the Charity's Estate which were funded with money derived from other sources and to which the Trustees were always permitted to appoint single ladies.

(b) A separate Charity known as "the Relief in Need Fund" is constituted by the Charity Commissioners' Scheme dated 16th August 1976 with an amendment dated 5th October 2001. A total of £500 has been transferred into this fund this year. The Trustees apply the income in relieving either generally or individually persons resident in the area of the ancient Parishes of Romford, Hornchurch and Dagenham who are in conditions of need, hardship or distress by making grants of money or providing or paying for items, services or facilities calculated to reduce the need, hardship or distress of such persons.

OBJECTIVES AND ACTIVITIES

2. Activities for the past year.

DISABILITY DISCRIMINATION ACT

The Building Sub Committee continues to take action to ensure that the requirements of this Act are whenever practicable, adhered to. With the safety and access for the disabled in mind a full review of the estate is undertaken on a regular basis by all members of the Building Sub Committee and the work required to be dealt with, noted and undertaken on a planned programme.

Apart from the normal maintenance and repairs the following works were carried out:-

- a) Full refurbishment and internal re-decoration Nos 18.30.43.
- b) Considerable work carried out to the large pond, clearing vegetation and bulrushes, and generally tidying the whole area.
- c) Continuing the programme of laying patios to rear gardens. 3 patios were completed this year.
- d) Replacing various Georgian window units due to seals being broken.
- e) General pruning of trees, cutting back bushes, clearing overgrown areas and tidying up around the estate.
- f) Repairs to Street lighting as and when necessary.
- g) A rolling programme of upgrading consumer units in all almshouses continues. At the same time as replacing the consumer units with trip switch style units, the electrical installation in the entire property is checked.
- h) 5-year electrical testing has now resumed with 15 properties being tested and minor faults dealt with.
- i) Conversion of 3-bedroom house (previously occupied by resident Wardens) into 2 x 1 bedroom maisonettes for Almshouse residents.

Further work planned to commence within the next twelve months (depending on the availability of units) Includes:

- (a) We are carrying out the project of replacing baths with walk in showers as and when properties become vacant or if a resident is unable to continue to use the bath. There remain 1 property to be upgraded in due course.
- (b) A project of partial refurbishment of Almshouses 30 to 39 as they become vacant. Estimated annual expense £100,000.
- (c) Upgrading of electrical installation to properties refurbished many years ago to meet present day requirements. Total estimated cost £50,000.
- (d) General maintenance in accordance with the planned 5 year maintenance programme.
- (e) Replacement of the remaining 50-year-old warm air heating units in the remaining 4 properties that are past economical repair.
- (f) Conversion of 3-bedroom house previously occupied by the wardens into two 1 bedroom marionettes for occupation by alms people. Total estimated cost £170,000.

Social Events are now slowly resuming following the lifting of Covid-19 restrictions.

The Charity's estate is now part of the Neighbourhood Watch Scheme.

CHARITY OF ROGER REEDE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2022

OBJECTIVES AND ACTIVITIES

Regular updates of updates of forthcoming social events and general reminders concerning property matters are placed on the two notice boards and circulated to residents.

3. Public benefit

The Trustees consider the Charity more than meets the Public Benefit test for the following reason:

The Charity provides good quality accommodation at modest cost for Elderly persons of limited means.

Annually notices seeking applicants for residence on the Estate are distributed to local Churches, Community Centres, Citizens Advice Bureaux, and 11 local Libraries. Notices are placed at Romford Town Hall and on the gates of the Almshouse Estate.

As recommended by the Almshouses Association, suitable candidates are placed on a waiting list for a period of twelve months following which the Charity re-advertises and re-priorities those on the new waiting list to ensure the most eligible beneficiaries are at the top of the list. The Interview Committee sees applicants, and references are taken up. One interview session has taken place during the year.

People on the waiting list are offered accommodation as soon as a property becomes available, following redecoration and any renovation which is required to be undertaken.

This year 2 married couples, 1 single gentleman and 1 single lady have been allocated accommodation.

Residents at present on the Estate comprise 11 married couples, 10 single men and 23 single women.

The profile of the Charity's existence in the Borough has been raised by involving the local Community Police officers in occasionally walking round the estate. In the past they have been occasionally visitors to our coffee mornings.

Covid - 19

A full discussion regarding this serious topic took place at the Trustees' meeting in March 2020. Copy posters had been obtained from the H.M.Government website and also the N.H.S. These posters were displayed throughout the estate.

Letters were delivered to all residents reminding them of the Government Guidelines and the action to be taken if anyone should feel unwell and suspect they had the virus.

The Clubroom was closed for a while and re-opened for small groups of residents prior to Christmas 2021. There are hand sanitisers placed in all communal areas. The communal Laundry remained open and was deep cleaned each evening, and a notice displayed that only one resident should be in there at any one time.

PPE was obtained from the Local Authority for using whilst cleaning the Laundry.

4. Discrimination

The Charity is restricted under its governing instrument mainly to providing homes for men of retirement age. Subject to this restriction, the trustees do not discriminate on grounds of race, religion, sexual orientation, disability and gender, and welcome applicants from all parts of the community.

FINANCIAL REVIEW

5. The Charity's Financial Position

The Charity made a deficit of £93,893 for the year ended 31st March 2022 (2021 - Surplus of £63,784). At 31st March 2022 the Charity has funds of £1,043,461 (2021 - £1,140,354).

CHARITY OF ROGER REEDE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2022

FINANCIAL REVIEW

6. Investment Policy

The Charity's permanent endowment is not large in proportion to its size. Presently all its regular expenditure is met by its regular income but to the extent that there is a surplus, that surplus is mostly in funds designated for future use. The need to gain access to those funds at short notice means that they cannot be invested in anything other than deposit accounts of one sort or another.

In view of the comparatively small size of the Charity's permanent endowment, an investment adviser is not retained, and the Charity's money is placed in a selection of dedicated Charity Funds. These produce a modest income, but which are selected in the hope that they will produce capital growth which will at least ensure preservation of the value of those funds.

7. Reserves Policy

A General Repair Fund, a Cyclical Repair Fund, and an Extraordinary Repair Fund are carried and funded as thought appropriate each year. An analysis of anticipated commitments on these Funds is contained elsewhere in this Report.

In addition, unallocated Bank balances are carried forward and in this regard the Trustees have in mind the need to always maintain sufficient reserve to ensure that fluctuations in income do not cause short-term problems in funding the Charity's activities.

The Trustees review their Reserves Policy at least once a year.

8. THE CHARITY'S PLANS FOR THE FUTURE

Broadly speaking these constitute more of the same i.e., to repair and maintain the Charity's present Estate, to improve its facilities as occasion requires and funds permit.

The Trustees continue to review how the role of the Charity may be adapted/extended/modernised, Consideration will be given to the provision of additional services to residents.

The Schemes of the Charity Commissioners under which the Charity operates are kept under review.

TRUSTEE RESIGNATIONS

None

The Scheme under which the Charity is administered permits a total of thirteen competent persons to constitute the body of Trustees. When selecting Trustees, consideration is given to the specialist and professional knowledge they may offer the Charity. They are persons who through residence, occupation employment or otherwise have special knowledge of the area of the ancient Parishes of Romford, Hornchurch and Dagenham. The Trustees are appointed by the existing body of Trustees for a term of five years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees have appointed a Clerk to co-ordinate the activities of the Charity and to advise upon and administer the Charity's affairs. Mr.D. Holland, a Partner in the Firm of Hunt & Hunt LLP of Blackburn House 22/26 Eastern Road, Romford, Essex, RM1 3LT is the Clerk to the Trustees. The Clerk through his firm employs Mrs M.A.Grant who deals with much of the day to day work involved in administering the Charity's affairs and who attends at Mr.Holland's offices part-time for this purpose.

Due to the nature and size of the Charity no specific training is given to Trustees. Trustees are kept up to date by the Clerk with changing rules from the Charity Commissioners and also through a publication by the Almshouse Association which is sent to each Trustee.

The Clerk and his assistant attend training courses, and where appropriate guidance is given to Trustees.

The Trustees meet quarterly. They have appointed five sub-committees, a Building Committee, Finance Committee, Social Committee, Frail Residents Committee Additional Services Committee, and Interview Committee who meet separately and from time to time as required. Over the past year the Building Sub-Committee because of Covid restrictions has only met on two occasions, and the Social Sub-Committee again, because of Covid restrictions have not held any meetings. The Charity's Bankers are National Westminster Bank Plc. 10 South Street, Romford.

On the Estate residents are provided with the use of Clubroom and clothes washing and drying facilities. Although the Clubroom has been closed since March 2020 due to the pandemic.

The Charity had the assistance of the Local Call Centre situated at Royal Jubilee Court, Main Road, Gidea Park now give assistance 24 hours 7 days a week. Special and separate arrangements are made for the collection of contributions of the Almspersons in respect of their accommodation.

The Charity arranges and pays for all external windows on the estate to be cleaned regularly. The Charity also arranges and pays for the grass on the estate to be cut and the grounds maintained in a tidy condition. In addition, a gardener cuts the grass for any resident unable to undertake this task. The Charity meets the Water Charge for the Estate from its endowment income.

Ian Stephenson undertook a Quinquennial Inspection of the estate- 12th November 2019.

Clemence Hoar Cummings Chartered Accountants, of Riverside House, 1-5 Como Street, Romford, Essex. RM7 7DN, are the Accountants to the Trustees and certify the Annual Accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

10. Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

No material change has taken place since the assessment carried out last year, which was as follows:

(a) An inability to find suitable applicants for the accommodation.

This may arise for various reasons but perhaps particularly due to the changing requirements of potential beneficiaries. The Trustees are not at present having difficulty obtaining applicants for any accommodation, and this is supported by very low experience of voids during the past year. The Trustees are aware that bedsit accommodation is becoming less popular, but this is not a problem at present.

(b) Right to Reside

In view of the recent legislation an additional clause has been inserted in the application form requesting proof of an applicant's right and the right of anybody who will live in the property to reside in the United Kingdom.

(c) Changes in State Benefits arrangements upon which most of our applicants depend.

It is very difficult to formulate a strategy for dealing with this should it ever occur because most of our residents would be unable to pay an economic occupancy charge. The Charity can do no more than monitor potential developments and make plans as may be appropriate in the light of them. The London Borough of Havering has agreed to continue to pay Housing Benefit for eligible residents instead of the new Local Housing Allowance.

(d) Crime, trespassers on the Estate and personal security of Residents.

Vigilance is clearly the answer to much of this potential problem. Crime prevention advice is given to residents when and where appropriate. The Charity however must be mindful of the fact that its residents are entitled to their privacy and to lead independent lives.

(e) CCTV

CCTV cameras have been installed which cover the main roadway and the entrances to the maisonettes on the front of the estate as well as entrances to Laundry room and Clubroom.

(f) Fraud, Corruption, Theft, & Mis-appropriation of Assets.

This is not believed to have been a problem thus far. The risks of theft centre principally on items in the Club Room and to a lesser extent perhaps in the guest bedroom accommodation but also of course so far as the Charity's cash is concerned when the Contributions Collector collects funds regularly and delivers them to the Bank. Loss of Money Insurance is carried in this regard and funds are regularly checked in the Clerk's office.

(g) Failure to meet statutory and regulatory requirements.

The Clerk's office regularly keeps an eye out for notification of potential changes. Some Trustees have experience in relevant fields. Where appropriate the Trustees seek professional advice. It is thought that as much as can be done is presently being done.

(h) Public Liability.

Risks are monitored and Insurance protection is carried.

(i) Fire in an Almshouse rendering it uninhabitable.

Insurance protection is carried against this risk. Again, vigilance is required to minimize the risk of fire. Each almshouse has a smoke detector fitted which is regularly tested. Were any such problem to arise it is thought that the short-term solution would be the Guest accommodation on the Estate or in the event of a more serious incident the Club Room. Both would represent very short-term solutions however and in the medium term the Charity would presumably have to look at funding its residents in alternative accommodation which of course could only be found at the time need arose. The Charity fortunately has sufficient funds and is likely to continue to have sufficient funds to meet this sort of commitment should it ever arise.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - 2% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.
