Reydon Annual Parish Meeting
Thursday 24th April 2025
Reydon Trust Report

Hello - My name is Mike Mayhew and I am current Chairman of Reydon Trust.

In the past the Trust has been fortunate to receive an extra income stream from members of St. Margaret's Churches congregation. These parishioners were happy to pay over to the Trust monies from their heating allowance that they felt they could afford to gift away. With this now ended, so has this income. It was ring fenced and used for those less well off in our community, given as individual household grants towards heating. Much has been paid out and the Trust has a minimal amount left. We also 'put on one side' an amount, also ring fenced, to be used as one off grants to families towards their energy bills.

The Rev. Perry attended his last meeting as trustee in early December, and we await the appointment of his replacement.

Again, as in previous Christmases, the Trust gave all primary school children in Southwold and Reydon a Christmas card and £10.00 book token at a cost of approximately £2700.

We also sponsor the large Christmas tree on Jubilee Green.

Susan Moore, a long serving trustee, passed away last year, she had given many years to the Trust.

Amongst the many we helped during the last year included:- The Men's Shed; The Old Hospital; Southwold Golf Club; Southwold Tennis Club; Mr Bus; Waveney Hygiene Bank; a individual with funding towards their education; Reydon Primary School for end of term leavers; Church lunches; Reydon Village Hall towards replacing the heating system.

It is worrying to note that the Trust currently has seen an increase in applications from young adults within our community at the less well off end of society requesting finical help. This could be a knock-on from the recent increase in employer national insurance reducing their working hours and their pay.

As a Trustee, the Rev Alan applied to the Trust on behalf of St Margaret's for zoom facilities at the Church. This enabled services to be live streams throughout the Covid pandemic. My mum died early this year and I held her funeral at Reydon church. I was able to live stream the service, enabling her sister in Australia to be part of the day.

The capital is invested with the CCLA, who once again, have managed to hold our capital value at over £1,000,000 while giving us a return in excess of £30,000 per annum enabling us to use this in the parish of Reydon for need, hardship or distress.

Thank you.

Reydon Annual Parish Meeting
Thursday 25th April 2024
Reydon Trust Report

During this last year, the Trust was again fortunate to receive an extra income stream from members of St. Margaret's Churches congregation. These parishioners were happy to pay over to the Trust monies from their heating allowance that they felt they could afford to gift away.

Again, last Christmas the Trust gave all primary school children in Southwold and Reydon a Christmas card and £10.00 book token at a cost of approximately £2650.
And on the subject of Christmas.

Reydon Primary School was in receipt of grant aid for 15 keyboards for the music department. Communicating with the School is enhanced by the Vicar, Alan, as a Reydon Trust Trustee, he delivers school assemblies and his involvement at the primary school helps to find those in need of energy grants, and we have also considered assistance with a bus pass payment via Reydon Primary School. An application was made to the Trust from Southwold Rotary Club for Coats4Kids scheme. This is a national scheme where anyone can sponsor a child for a winter coat. Reydon Primary is very supportive of it, and requested 50 coats so the Trust pledged some money towards Rotary for this scheme.

The residents of Oaklands were assisted with the purchase of an interactive table at a cost of £5000.

The Trust is continued to see four major projects get off the ground this year, Southwold Tennis Club, The Skate board Park, and Golf Club, these three all have an element of youth encouragement and been supported. Also, Reydon Village Hall to replace the out dated heating system and kick start the anniversary Jubilee fund.

Sole Bay Care Fund was assisted with grants for residents and the coats for kids scheme went through this charity.

A resident from the village had help with vet fees for their dogs operation.

The capital is invested with the CCLA, who once again, have managed to hold our capital value at over £1,000,000 while giving us a return in excess of £30,000 per annum enabling us to use this in the parish of Reydon for need, hardship or distress.

Thank you.

Reydon Trust Report
Annual Report 2023

During this last year, the Trust was again fortunate to receive an extra income stream from members of St. Margaret's Churches congregation. These parishioners were happy to pay over to the Trust monies from their heating allowance that they felt they could afford to gift away. This sum, nearly £3000 to date, has been and will be ring fenced to be used for those less well off in our community, given as individual household grants towards heating.

Again, last Christmas the Trust gave all primary school children in Southwold and Reydon a Christmas card and £10.00 book token at a cost of approximately £2700. And on the subject of Christmas, I hope you all enjoyed the Reydon Christmas Lights switch on, on Jubilee Green. Reydon Christmas Light Committees initiative to get local business and individual to sponsor trees enabled the Trust to sponsor the large tree on Jubilee Green. It is anticipated that this will become an annual sponsorship from The Reydon Trust. Also the Trust paid for the electric connection to the green.

Reydon Primary School was in receipt of a donation of £500 towards 'Wentworth Wood' , an educational setting for the children.

Sole Bay Care Fund was helped to fund a stair lift for a village resident.

The capital is invested with the CCLA, who once again, have managed to hold our capital value at over £1,000,000 while giving us a return in excess of £30,000 per annum enabling us to use this in the parish of Reydon for need, hardship or distress.

Thank you.

REYDON TRUST

England & Wales - Charity number 206873

Accounts

At the beginning of Covid-19 outbreak, the Reydon Trust saw an increase in applications from families requiring support. This was augmented in a variety of ways, from food vouchers to be used in one of Reydon's shops, white goods and flooring for the home, carpeting for tenants in social housing in the area or help from the local food banks, either in town at the VHC or the Lowestoft Food bank, which Flic from the VHC has access to.
Last Christmas the Trust gave all primary school children in Southwold and Reydon a Christmas card and £10.00 book token.

Again we have made a substantial grant to the Reydon Pavilion build project. The Trust had previously helped this group, providing funds to purchase the land for expansion and provided funding towards the building work. It is hoped this project will be completed during the year.

Also during the year, we have provided funds for an electric supply to Jubilee Green,

A grant to Southwold tennis club to enable them to get match funding for a new pavilion.
A number of Reydon private individuals have been helped with financial support to enable them to further their education.
We also supported Restitute, a charity run by a local person that covers the whole of Suffolk, it offers support to family's surviving sexual abuse or violence. These introductions come from the police or social services.
The Trust has been asked by individuals for grants to pay off personal debt. This we do not do.
Also, we have helped the Suffolk Wildlife Trust to fund bike stands at Reydon Wood, these will be used by many people from our community.

The collapsing world economies from Covid-19 and now the War in Ukraine is an ongoing concern to the trustees, the capital is invested with the CCLA, who have again done a good job managing to increase our capital to £1,100,000. This is on deposit which allows us to spend about £30,000 in the parish of Reydon on need, hardship or distress.

The Reydon Trust

Registered Charity No. 206873

Need, hardship and distress in the parish of Reydon

The Reydon Trust Annual Report 2020/21

The Reydon Trust has assisted many residents in the parish of Reydon during the year. The Trust saw a rise in applicants needing support during the Covid19 pandemic.

Reydon Parish Council and The Reydon Estate Charity donated funds to The Reydon Trust during this time to assist the residents.

The Reydon Trust supported the local food bank, they also supported the children of Reydon who did not have access to a laptop for their online learning whilst the schools were closed.

St Margaret's Church in Reydon were granted monies for streaming equipment to allow the residents to attend online church services. This also allowed family and friends to attend funerals whilst tight restrictions were in place.

The Reydon Christmas Lights Committee received a grant to ensure that the residents of Reydon could enjoy the Christmas Lights as the committee were unable to fundraise due to restrictions.
