**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

The Trustees present their report along with the financial statements of the charity for the year ended 30 September 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts on pages 7 to 9 and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Objects of the Charity are:

1. the provision of four almshouses for beneficiaries whose qualification shall be a person in need either born in or resident in the Parish of Danbury for not less than ten years at the date of their appointment;
2. relief in need of persons resident in the Parish of Danbury in accordance with the following - noting that in applying the income of the Charity for relief in need the Trustees shall not commit themselves to repeat or renew the relief granted on any occasion in any case:

The Trustees may relieve persons who are in need, hardship or distress by:

- a. making grants of money to them; or
 - b. providing or paying for goods, services or facilities for them; or
 - c. making grants of money to other persons or bodies who provide goods, services or facilities to those in need;
3. such charitable purposes for the benefit of the residents as the Trustees decide.

Application of income

The net income shall be applied first to repair, insure and meet all other outgoings in respect of the Charity's properties and all proper costs of the Charity's administration and management. Thereafter the net income shall be applied in either of the following ways:

1. for relief in need of persons in need, hardship or distress;
2. for the benefit of the residents of the Charity.

Significant activities

The Charity currently provides four almshouse properties and its aim is to utilise these as far as possible to meet the primary objective of the Charity.

Public benefit

These activities are considered to be for the public benefit and in running the Charity the Trustees have regard for the Charity Commission guidance on public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Trustees continue to be concerned for the welfare of residents and maintenance of the existing four almshouses. Air circulation units were fitted in two of the properties that were suffering from damp and condensation problems. As this has resolved the issue, plans are in place to fit these units to the other two almshouses. The current residents seem settled and happy in their homes.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
LANDISDALE ALMSHOUSE AND UNKNOWN
DONOR CHARITY**

Independent examiner's report to the trustees of Landisdale Almshouse and Unknown Donor Charity

I report to the charity trustees on my examination of the accounts of Landisdale Almshouse and Unknown Donor Charity (the Trust) for the year ended 30 September 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Permanent endowment funds are non-expendable funds which are normally held indefinitely.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Going concern

The accounts are prepared on a going concern basis as there are no material uncertainties about the Charity's ability to continue.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that a distribution will be made, or when a distribution is received from the estate.

Donations and other voluntary income are reflected in the accounts for the period in which they are received. Donations in kind are recognised by the Charity when received except in the case of services provided free or undervalue by voluntary staff or others which are not reflected in the accounts.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

1. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Repairs and maintenance of properties

The charge in the Statement of Financial Activities in respect of Extraordinary Repairs reflect the Trustees' constant concern to keep the properties in good condition, and are in accordance with the Almshouse Associations' recommendation that Almshouse Charities should set aside each year specific sums in this respect. Transfers are made from the Accumulated Fund each year to the Extraordinary Repair Fund to cover extraordinary repairs as they arise.

Support costs

The Charity's support costs are allocated entirely to the Almshouse Costs since support costs relating to other activities are considered immaterial.

Grants

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Housing properties

The housing properties represent the cost of improvements to the four freehold almshouses at Main Road, Danbury, Essex. The original cost of these properties cannot now be ascertained.

Depreciation

The housing properties are depreciated on the straight line method at a rate calculated to write off the asset over its estimated useful life.

The rate used for the improvements to the almshouses at 45 and 47 Main Road is 2% per annum and the rate used for the improvements to the almshouses at 49 and 51 Main Road is 5% per annum.

Investments

Investments are shown on the Balance Sheet at their market value. Changes in market values during an accounting period are reflected in the accounts as unrealised gains or losses. Upon disposal of an investment the difference between original cost and disposal proceeds is reflected in the Statement of Financial Activities as a realised gain or loss and an adjustment is made to unrealised gains or losses to reverse unrealised movements in value in earlier years.

Investment Properties

Investment properties are measured at fair value at each accounting period end with changes in fair value recognised as unrealised investment gains or losses in the Statement of Financial Activities.

Debtors

Contributions and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

1. ACCOUNTING POLICIES - continued

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Taxation

The charity is exempt from tax on its charitable activities.
