**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2023**

The trustees, who are also directors of the charity for the purpose of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2023. The trustees have adopted the provisions of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

The Church Schoolmasters and Schoolmistresses' Benevolent Institution (CSSBI) was established on the 2nd January 1857, becoming a charitable company limited by guarantee in June 1894. It is governed by Articles of Association which were last amended by special resolution on 11th May 2011.

We are extremely grateful to those members and friends who continue to support us and in particular to our late Patron, Her Majesty Queen Elizabeth II and our Vice-Patrons: His Grace the Archbishop of Canterbury, His Grace the Archbishop of York and His Grace the Archbishop of Wales. We also are very pleased to thank our President, the Right Reverend and Right Honourable the Lord Bishop of London DBE.

We always require more funding and for anyone wishing to make a donation a form is available by post from our registered office or on our website at [www.cssbi.org.uk](http://www.cssbi.org.uk). We are able to reclaim tax from HM Revenue and Customs on all donations made under the Gift Aid Scheme.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objectives for which the charity is established are to provide for necessitous present or former teachers/lecturers and those in teacher training who are members of the Church of England or of another recognised Christian denomination by giving financial assistance in times of affliction, disablement or other misfortune, and on their demise to provide for their financial dependants, such financial assistance to include (but not be limited to) assistance towards the cost of subsistence and education in each case anywhere within England and Wales.

**Public benefit**

The trustees have referred to the advice contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning for future activities. The scope of the Charity was revised in May 2011. The trustees aimed to widen their remit without causing detriment to the current beneficiaries. They agreed, that when considering applications for assistance, they would use the Churches Together in England, and the Churches Together in Wales documents listing recognised Christian denominations.

Applications for assistance that are submitted undergo checks for identity, teaching and church connections. Applicants' bank statements and any further information they are asked to provide are scrutinised to aid the CSSBI Council in their decision making.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The trustees have been able to help a wide range of people needing financial support. Grants in excess of £119,690 (2022: £121,050) were awarded this year. Grants and running costs are reviewed monthly. During the pandemic of Covid-19, when the trustees were unable to meet in person, the Administrator emailed all the information regarding applicants for grants to them. The trustees emailed their responses and decisions were made. The Articles of Association allow for this to happen under Section 24A Attendance and Speaking at General Meetings. The trustees also met together twice this year in a large hired conference room to allow for social distancing.

Approximately one third of visitors went directly to our website, the other two thirds were split equally between Turn2us website or Google's 'Search for Grants'. There were 890 (2022: 614) hits to our website, well up on last year and 110 (2022: 88) applications for assistance. Of these 53 (2022: 47) were supported for grants but 57 (2022: 41) were not able to be helped due to their requests not being within our remit, not completing the form or sending the correct information, not being able to provide suitable references or were not considered necessitous. In rare cases it has been difficult to establish eligibility and when this happens the trustees have exercised their discretion. Grants awarded this year were for higher amounts and often for more than one item when compared to the previous year.

The trustees have tried to make the charity more visible to a greater number of people by enhancing their publicity and communications. Our Administrator keeps in touch with many people in various organisations, such as Turn2us and the Church of England. The website, [www.cssbi.co.uk](http://www.cssbi.co.uk), is secure and robust and it adapts and resizes to display correctly on desktops, tablets and smart phones. The website is monitored regularly and updated as appropriate.

The trustees have very much appreciated the many cards, emails and thank-you notes from successful applicants who have been helped in various ways. They are pleased that the CSSBI has made a difference to the lives of many people this year, by, for example, granting financial aid for:

- Council tax, mortgage, rent and utility arrears
- Council tax liability orders
- Rent arrears to prevent eviction
- Modifications to bathroom for retired teacher with mobility issues
- Replacement vehicle for single teacher with young family
- Ramp access to caravan to enable teacher with disabled child to have weekend breaks
- Food vouchers for families with young children
- Vouchers for household furnishings
- New boiler for teacher with young family
- Financial assistance due to cessation of supply work due to illness
- Deposit and rent in advance to enable teacher to move to a more affordable property
- Financial assistance due to cessation of supply work due to Covid 19

FOR THE YEAR ENDED 31 MARCH 2023**

**FINANCIAL REVIEW**

**Financial position**

The CSSBI originally grew out of the needs of retiring teachers and their families when they fell on hard times. The charity's modern-day role continues to provide financial help for those in need as defined in their Articles of Association.

The CSSBI continues to be in a financial position of strength, generated by the invested assets and cash on deposit, realised by the sale of their care home, Glen Arun, in 2009. As a result, the charity invites those in need to put forward relevant details of their situation and why they need financial support for consideration by the trustees of the charity.

The activities of the CSSBI, in terms of both fulfilling successful grant applications and the administrative requirements of the charity, are now funded by monthly withdrawals from the two investment portfolios on an equal basis.

The selected portfolio of Unit Trust Funds held on the Old Mutual Wealth platform are managed by a range of fund managers according to the individual fund profiles. This portfolio is now known as the Quilter portfolio and continues to be held as a General Investment Account on the Old Mutual Wealth platform. The Quilter Cheviot portfolio is managed on a discretionary basis, investing largely in directly held stocks and shares. The combination of these two approaches to investment decisions has provided a balanced and diversified spread of assets that have weathered the changes in the economic, political and investment environments both in the UK and globally.

As a result, the CSSBI was able to support 53 of the 110 applications for grants made during the year ending 31st March 2023. During the year ending 31st March 2022 88 applications were received of which 47 were accepted.

The funding for these grants came from regular monthly withdrawals of £5,000 from each of the invested assets with Quilter (Old Mutual Wealth) and Quilter Cheviot. The value of each investment as at 31st March 2023 is £1,082,136 (Quilter, formerly named Old Mutual Wealth) and £901,944 (Quilter Cheviot). The total value of the invested assets is £1,984,080 as at 31st March 2023 whereas the value stood at £2,311,816 at the same date in 2022.

Although the effect of the Covid 19 pandemic was in evidence throughout the UK, grants continued to be made.

**Principal funding sources**

The principal funding source for the activities of the charity will be the income and/or growth of the combined total of the cash on deposit and the investment portfolio.

**CHURCH SCHOOLMASTERS AND  
SCHOOLMISTRESSES' BENEVOLENT INSTITUTION**

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 MARCH 2023**

**FINANCIAL REVIEW**

**Reserves policy**

The charity has total reserves of £2,258.083 at 31st March 2023. (2022: £2,564,454).

The principal funding source for the activities of the charity will be the regular withdrawals from capital combined with any naturally arising income where appropriate from the cash on deposit and within the investment portfolios.

The Reserves Policy agreed by the trustees for the financial year ending 31 March 2023 was:

- 1) to hold up to 20% of the combined cash and investment portfolio on deposit for both normal running costs and the distribution of grants.
- 2) for cash deposits to be maintained as far as was viable, bearing in mind the very low rate of interest being applied to the CSSBI accounts.
- 3) for the remaining 80% to be invested in a broad spread of assets combining both fixed interest and equity-based holdings with a geographical split that would represent a realistic approach to investment risk and reward.
- 4) to maintain the target growth level for the capital invested at 3.5% plus the Consumer Price Index then standing at 1.5% for the coming year. Overall, a balance continues to be sought between the need for capital growth and the requirement for funding for the grants
- 5) that the monthly trustees' meeting will review the cash deposit levels and investment capital values alongside the political landscape as it changes
- 6) that all variations in the value of grants awarded, running costs and inflation will be reviewed, where considered appropriate, against a benchmark of a three-year average, and appropriate action taken
- 7) that the process of drawing down capital on a monthly basis will continue to fund the grants to be made and the administrative running costs. This process can be stopped or amended to suit the needs of the charity as well as re-positioning the portfolio as investment and deposit returns change over time.

Having reviewed the performance of the total portfolio as well as the investment criteria, the trustees were satisfied there was no need for change at present. However, ongoing monitoring of the financial strength of the charity is vital and will continue to be reviewed on a monthly basis at the trustees' meetings.

It should be borne in mind that the level of withdrawals remains at £10,000 per month from the investment portfolios; running costs have increased due to the additional workload generated by the number of successful applications as well as their value. There were 53 successful applications as at 31st March 2023 (2022: 47). The value of the grants awarded was £119,690 (2022: £121,050). However, the total value of all the assets remains strong at £1,984,080. Therefore, it is felt that the CSSBI is in a good position financially to help those in need, with established procedures to ensure that all transactions and projects are properly authorised.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Charity constitution**

The Church Schoolmasters and Schoolmistresses' Benevolent Institution (CSSBI) was established on the 2nd January 1857, becoming a charitable company limited by guarantee in June 1894. It is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the companies act 2006. Company number: 41482. The trustees are all guarantors in a sum not exceeding £1 each.

**Recruitment and appointment of new trustees**

New Council members are recommended to the CSSBI Council by current members or by local clergy. It is preferable, but not altogether necessary, that they have a background in education. The Council must approve the nomination before the person takes up the responsibility of a trustee.

The trustees become members of the CSSBI Council. They are responsible for the general control and management of the charity. They decide what is to be done and how money is to be distributed to those in need. They meet regularly, usually monthly, at the registered office in Horsham.

The trustees keep proper accounting records to ensure that their financial statements comply with the Companies Act 2006. They are responsible for the preparation of the accounts. They also make sure that they understand and take responsibility for safeguarding the assets of the charity. They take reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees review financial and other risks when appropriate, and have established procedures to ensure that all transactions and projects are properly authorised. Their actions include developing policies and procedures for many areas, such as defence against cyber-attack, malicious disruption and malware. Other policies and procedures include managing complaints, general data protection, privacy, safeguarding, risk assessment and conflict of interest. All are reviewed on a regular basis. The trustees have now written a new business plan.

**Independent examiner's report to the trustees of Church Schoolmasters And Schoolmistresses' Benevolent Institution ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

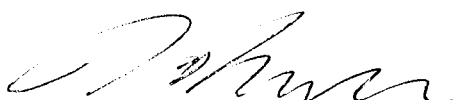

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category.
