ST LAWRENCE PARISH HALL TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report and financial statements for the year ended 31 March 2023.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Legal and administrative information

The information on page 1 forms part of this report.

The trustees set out below have held office during the entire year to the date of this report, unless otherwise stated:

Jo Banthorpe

Jack Earwaker

Stephen Runnacles

[appointed 13 November 2022]

Alan Forsdike

Liz Harsant

Susan Ryan

The Charity was founded by the Will of Martha Penelope Leggatt proved on 17 April 1903 and comprised in a conveyance dated 29 January 1904.

The Charity is governed by Scheme Regulations approved by the Charity Commission.

Management and governance arrangements

The appointment of trustees is by a resolution of the trustees. New trustees are identified by the existing trustees and invited to join the trustee body. They are chosen as being people of good character and standing within the local community usually with previous experience of being a charity trustee. With this background formal training is not usually required but where necessary appropriate briefing is arranged. Background information is provided in the form of previous year's annual report and financial statements, minutes of the meetings of the trustees in the previous year and a copy of the grant application pack.

Trustees meet every six months to consider the grant applications received and to review any feedback from grants previously given.

Objectives and activities for the Public Benefit

The object of the Charity is to hold investments and apply the income for the general benefit of the inhabitants of Ipswich, and for which provision cannot be made from public funds.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy for the year. The Charity carries out these objectives by carefully considering each grant application and awarding grants which meet the criteria set out in its objectives.

Review of the year

The primary function of the Trust is to provide grants to organisations in the Ipswich Area.

In normal circumstances to carry out this function trustees meet twice a year to consider applications from local organisations and concentrate the grants on supporting projects that are providing or enhancing existing facilities for the disadvantaged in society.

ST LAWRENCE PARISH HALL TRUST

TRUSTEES' REPORT [continued]

FOR THE YEAR ENDED 31 MARCH 2023

Review of financial situation

There was a deficit for the year ended 31 March 2023 of £63,655 [2022: Surplus £30,807] after investment revaluations. The activities of the Trust are affected by the level of income produced by the investments in the endowment fund. The capital value of these investments has decreased during the last year resulting in a decrease in the balance sheet value to £874,109. The overall level of current assets [unrestricted funds] that is available for grants at the end of the fiscal year amounts to £16,306.

Investment policy

The policy is to generate income to enable charity grants to be made, but with only a moderate risk to the investment. The trustees regularly monitor the performance of their investment managers with the last full review having taken place in August 2023. The next full review is scheduled for November 2025.

Grant policy

1. To help to provide facilities for the disabled and other disadvantaged groups in the community
2. To help to provide the means of transport for such groups
3. To assist in the provision of refurbishment of church halls that are used for the benefit of the community
4. Other purposes being for the benefit of the people of:
 - The ancient parish of St Lawrence
 - The rest of Ipswich
 - Organisations which, while not situated in the town, have a substantial proportion of their members living in Ipswich

The money shall not be used for any project that could be provided by taxes or rates. In the past fiscal year, all grants made were paid to institutions and are detailed in note 5.

Reserves policy

Unrestricted reserves, of £16,306, not applied to grants are carried forward for future periods. The endowment funds, of £874,495, are not available for distribution. The trustees have considered that of the present level of reserves £10,000 should be allocated as a non-usable reserve leaving £6,306 to meet future demand for grants.

Going concern

Trustees consider that with these provisions the Trust remains a going concern.

ST LAWRENCE PARISH HALL TRUST

TRUSTEES' REPORT [continued]

FOR THE YEAR ENDED 31 MARCH 2023

Risk review

The trustees continue to review the major risks to which the charity is exposed, and the systems in place to mitigate against those risks.

The trustees will work towards increasing the promotion of the Trust to those who might benefit from their benevolence. This is to ensure that the income at their disposal is fully utilised in meeting the objects of the trust deed.

The specific risks that the Trust faces are in the management of the funds and use of the income. These are negated by all grant applications requiring all trustees to consider and agree to the award of grants; financial updates and review by the trustees at their meetings; contingency plans for the provision of accounting should the treasurer no longer be available either in the short or longer term; independent examination of the accounts by qualified accountants.

Trustees' responsibilities

The Charity's trustees are responsible for preparing financial statements for each fiscal year which give a true and fair view of the Charity's incoming resources and application of resources during the year and of its situation at the end of the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue.

The trustees are responsible for maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 29 January 2024 and signed on behalf of the trustees

J Earwaker

Independent Examiner's report to the trustees of St Lawrence Parish Hall Trust

I report to the trustees on my examination of the accounts of the St Lawrence Parish Hall Trust (the Trust) for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ST LAWRENCE PARISH HALL TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2023

Note 1 ACCOUNTING POLICIES

Charity information

The Martha Penelope Leggatt for a parish hall, in the Ancient Parish of St Lawrence, Ipswich, in the County of Suffolk, generally known as St Lawrence Parish Hall Trust is an unincorporated registered charity, governed by a Trust deed, domiciled in England and Wales.

The object of the Charity is to hold investments and apply the income for the general benefit of the inhabitants of Ipswich, and for which provision cannot be made out of public funds.

Basis of accounting

The financial statements have been prepared under the historical cost convention, with exception of fixed asset investments, which are included at their market value at the balance sheet date.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The accounts have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the version referred to in the Regulations which has since been withdrawn

The charity is a Public Benefit Entity as defined by FRS102.

Going concern

The Trustees have reviewed the financial position of the charity and in particular the level of the unrestricted reserves. The current level of the unrestricted reserves requires the Trustees to monitor the future expenditure and in particular the grants. This is likely to result in a reduced level of grants going forwards until the reserves have been built up again. The Trustees have set aside a Reserve of £10,000 to ensure that commitments can be fulfilled. On this basis the Trustees continue to consider that the charity is a going concern.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Endowment funds are capital funds which are to be used in accordance with the Trust Deed. The capital is only to be used to generate income for use by the charity. The fund is to be held in perpetuity and is not to be expended.

Investments

Investments are stated in the Balance Sheet at their market value at the balance sheet date. All gains and losses arising from investment changes or revaluation are shown in the Statement of Financial Activities. Realised gains and losses on investments are calculated as the difference between the disposal proceeds and either purchase cost [for current year acquisitions] or market value at the start of year [for investments acquired in previous years]. Gains or losses arising from fluctuations in market values during the year are classified as unrealised.

Incoming resources

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

ST LAWRENCE PARISH HALL TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2023

Note 1 **ACCOUNTING POLICIES [continued]**

Resources expended

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay. Expenditure has been classified under headings that aggregate all costs related to the category.

Charitable activities are those resulting from grants issued to institutions and also costs incurred in connection with governance and support

of the charity and compliance with constitutional and statutory requirements.

Raising funds includes the cost of Investment Management.

Resources expended include attributable VAT which cannot be recovered.

Grants

Grants payable are payments made to third parties in furtherance of the charitable objectives of the Trust. Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside the control of the Trust.

Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

ST LAWRENCE PARISH HALL TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2023

Note 1 ACCOUNTING POLICIES [Cont'd]

Accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There are no critical accounting estimates.

Taxation

The Trust is a charity within the meaning of Section 506(1) of the Taxes Act 1998. Accordingly the trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Section 505 of the Taxes Act 1998 or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that such income or gains are applied to exclusively charitable purposes.
