The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to promote, inculcate, propagate and carry on the study and teaching of theology and metaphysical religion and do all things incidental to the advancement thereof. The objects also enable the Society to hold devotional and public meetings, lectures, exhibitions and classes of an educational and spiritual character, to establish and carry on schools and colleges, to construct temples of worship and other institutions for religious services and to supervise, unify, promote and generally administer the activities of the members of the Society in the fulfilment of their religious offices, duties and ideals.

to achieve these objects the charity engages in a number of activities.

Significant activities

The Society is run purely by voluntary help. No volunteers are paid for their work although expenses are covered but only in case of need. Volunteers continue to give time generously.

Publishing

The Society publishes learned articles and books on theology and mysticism and esoteric thought in both print and via electronic media. Redwheel Weiser Publishers continues to operate on our behalf for our readers in the United States and worldwide in relation to the Society's Estate.

Courses

The society continues to provide a supervised correspondence course, its length as a preliminary to admission being one year. Courses involve studies in mysticism, ethics, theology, as well as esoteric thought and practice. Coursework is set and marked by a number of supervisors under the overall supervision of the Director of Studies. The Society is keen to maintain high academic and personal standards from its members and its study course students.

Centre ("The House")

The Society continues to use its headquarters at 38 Steele's Road NW3 as an open centre for the Society's members where they can attend meetings, lectures and talks organised by the Society. The centre is also open for prayers and meditation in an area specially set aside. Overnight accommodation is available to Society members and guests when necessary.

The Trustees continue to spend funds carefully to keep the centre in good order and this year work was undertaken on a wall at the property.

Public benefit

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit in determining the activities undertaken by the Charity.

OBJECTIVES AND ACTIVITIES

Grantmaking

Last year a grant was made to the Temenos Academy to support their aims which are similar in many ways to the Society's own aims and objectives. This year a grant was made in respect of a Dion Fortune seminar.

FINANCIAL REVIEW

Investment policy and objectives

There are no restrictions on the Society's power to invest but the Society continues to be satisfied that the most appropriate policy for investing their funds are the specialised unit trusts designed for the charity sector. The Society continues to invest in Charibond Charities Narrower Range Common Fund and the Equities Investment Fund for Charities (Charibond). Their portfolio continues to be managed by M&G Securities Limited. The Council considers the Society's investments to be managed judiciously by M&G in the face of the continued economic impact of the coronavirus and other Geopolitical events in the world. It is anticipated that the Fixed income will provide some stability, whilst the Shares will continue to recover any lost ground over time as Central Banks and Governments around the world provide economic stimuli and restore confidence to the markets given current circumstances. The Society does not intend to realise capital losses.

Reserves policy

The Council are in continuing discussion with the membership with regard to the current activities of the Society and additional means to carry out the objects. A fundamental factor being a continuous review of the Society's reserves policy.

It is being considered to set up a specific reserve to meet future buildings and maintenance costs.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Memorandum and Articles of Association and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Organisational structure

The directors of the company are members of the Council of Management (the "Council"), who are also its trustees for the purposes of charity law. The Council are self-appointing and must be members of the charity to be selected for appointment. The Articles provide that the Council may choose to specify a term of office but, if no term is so specified, a Trustee shall remain until they cease to hold office due to disqualification, removal or death. The number of Trustees shall not be less than three nor more than twelve.

Independent examiner's report to the trustees of The Society Of The Inner Light Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	25% Reducing balance method
Fixtures and fittings	10% Reducing balance method
