#### **Structure, Governance and Management**

THE INITIATION SOCIETY is a UK registered charity and is governed by the Laws of the Society founded in 1745 and amended most recently in 1996. It is managed by the Honorary Officers and a Board of Trustees. A General Committee, which includes the Honorary Officers and the Trustees, is responsible for establishing the policy of the Society. An Executive Committee, which consists of the President, the Treasurer, the Secretary and the Medical Officer, is responsible for the general day to day management of the Society.

The General Committee meets twice annually. The Executive Committee meets whenever the President considers appropriate and, in any case, if two members of the Executive Committee so require. The Secretary attends but does not vote in the Executive Committee and is responsible for the administrative functions of the Society.

#### **Objectives and Activities**

The main activity and objective of the Society is to promote advancement of the Jewish religion by facilitating the initiation of male Jewish children into the Covenant of Abraham. The trustees confirm that they gave regard to the Charity Commission guidance on public benefit when preparing this report.

#### **Achievements, Performance and Financial Review**

The Society's funds are applied in furtherance of its objectives and the day-to-day running of the Society.

During the year ended 31 December 2022, total incoming resources of the Society amounted to £74,036 (2021: £38,785). The resources expended amounted to £73,157 (2021: £82,861), resulting in net incoming resources of £879 (2021: £(44,076)).

Since the year end, the Society has received approval from external charitable trusts which have guaranteed funding for the period up to February 2024. The trustees are currently pursuing the extension of this funding together with other funders to secure the long term future of the Society and are confident that this will be achieved in the near future.

#### **Trustees Declaration**

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ascertain that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008, and the Society's Laws. ### Independent Examiner's Report to the Trustees of THE INITIATION SOCIETY

I report to the trustees on the accounts of THE INITIATION SOCIETY (Charity number 207404) ("the Trust") for the year ended 31 December 2022 which comprise the statement of financial activities, the statement of financial position and the related notes.

#### Responsibilities and basis of report

As the charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination, other than that disclosed below, which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £.

#### Going concern

The financial statements have been prepared on a going concern basis as the trustees are confident that the Society will continue to operate for the foreseeable future.

#### Recognition of income

## THE INITIATION SOCIETY

### Notes to the financial statements (continued) Year ended 31 December 2022

#### **Taxation**

The Society is exempt from taxation.

#### **Tangible assets**

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

#### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures, fittings and equipment                      -    25%            reducing balance

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

#### **Impairment**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

#### **Basic financial instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 SORP (FRS 102). Subsequent measurement is as per paragraphs 11.17 to 11.19 SORP (FRS 102).

#### **Debtor recognition**

Debtors are measured on initial recognition at settlement amount or amount advanced by the charity. Subsequently they are measured at the cash or other consideration to be received.

#### **Liability and expenditure recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
