Trustees' Report (continued)

Achievements and performance

The Club continued to perform many of its normal activities and collections during the year with our main fundraisers of Christmas, Funday and Children in Need.

Throughout the year, we continued to support local people in short term need through our Making a Difference Fund, together with local youth organisations and young individuals, directly and through local charities and organisations.

In total, the Fund made grants and donations of £20,863 (2024: £20,260) during the year as set out in Note 6 to the financial statements. Of these, £7,492 (2024: £8,534) were to other local, national and international charities, with donations of between £125 and £3000 made to various charities during the year. These include Horsham District Council for play equipment, Horsham Matters, MacMillen Cancer Support, Children in Need, Turning Tides, Olive Tree Cancer Support and Community Transport.

As regards our investments, the Trustees agreed a sale of units to the value of £4,000 to cover our continued support of the Horsham and District community. At the year-end the value of our investments had fallen by a further £4,786. Dividends of £2,893 (2024: £2,941) were received from the fund during the year.

Financial review

Policy on reserves

It is the policy of the charity to maintain unrestricted reserves at a level that gives the trustees flexibility to give, if they so wish, an immediate donation in response to a particular event and some funds are retained in a bank no-notice deposit account for this purpose.

The reserves held by the charity at 30 Jun 2025 were £102,213 (2024: £109,977) comprising £30,702 (2024: £19,865) of unrestricted funds, £61,511 (2024: £80,112) of restricted funds and £10,000 (2024: £10,000) of endowment funds.

Structure, governance and management

Nature of governing document

The Benevolent Fund is a registered charity, number 207417 and is an unincorporated trust constituted under a Declaration of Trust dated 7 July 1959, as revised by a Declaration of Trust dated 22 August 2016. It is governed by a Governing Document dated 22 August 2016.

The minimum number of trustees is four and the maximum number is twelve. At least two (currently four) of the trustees are members of the Rotary Club of Horsham, which is the local branch of Rotary International, and is governed by a Club Council chaired by the Club President. Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of Rotary Club of Horsham Benevolent Fund

I report to the trustees on my examination of the accounts of Rotary Club of Horsham Benevolent Fund for the year ended 30 June 2025.

Responsibilities and basis of report

As the charity trustees of Rotary Club of Horsham Benevolent Fund you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Rotary Club of Horsham Benevolent Fund's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Rotary Club of Horsham Benevolent Fund as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Rotary Club of Horsham Benevolent Fund

Notes to the Financial Statements for the Year Ended 30 June 2025

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Rotary Club of Horsham Benevolent Fund meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Rotary Club of Horsham Benevolent Fund

Notes to the Financial Statements for the Year Ended 30 June 2025 (continued)

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Shed	Over 5 years on a straight line basis

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Debtors

Debtors are recognised initially at the transaction price. A provision for the impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Rotary Club of Horsham Benevolent Fund

Notes to the Financial Statements for the Year Ended 30 June 2025 (continued)

Trade creditors

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose. There are a number of restricted fund as detailed in note 14 to the accounts.

The permanent endowment fund was transferred to the charity from the Horsham Sick and Poor Fund when that charity ceased to exist.
