Report of the Trustees
for the Year Ended 5 April 2023

The trustees present their report and the unaudited financial statements of the charity for the year ended 5 April 2023.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Trust is constituted under a Trust Deed dated 31 August 1946. Its objects are to apply Trust property, either as capital or income, for purposes in connection with: the relief of poverty, the maintenance and education of children whose parents are unable to provide them with an education suitable to their position or abilities; the advancement in life of such children; the payment of subscriptions or donations to charitable institutions or societies; and any other charitable objects.

The Trustees meet annually, in June, to review all applications and agree those that they wish to support; they meet on an informal basis during the year to review general Trust matters.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Trust continues to provide grants towards the education of children whose parents are unable to provide them with an education suitable to their position or abilities; for this purpose 24 grants to children being educated in the UK were made in 2023 (2022: 24 grants). The Trust also continues to support smaller local charities and 8 such grants were made in 2023 (2022:8 grants).

When considering grant applications the trustees have kept in mind the Charity Commission's guidance on public benefit. With the exception of a maximum age of 18, no geographical or other restrictions are imposed on the grant applications.

FINANCIAL REVIEW

Financial position

The Trust has an investment portfolio, the income arising from which is used to make charitable grants and donations in accordance with its objects.

During the year investment income amounted to £66,558 (2022: £55,476), from which the Trust made 24 grants amounting to £45,550 (2022: 24 grants totalling £40,822) towards school fees and other educational costs for children with special skills in music and dance and 8 grants amounting to £3,500 (2022: 8 grants totalling £3,500) to smaller local charities. After deducting administrative expenses there was an overall surplus for the year of £9,816 (2022: £3,653 surplus).

This year there has been an decrease in value in the investment portfolio, giving rise to realised and unrealised losses amounting to £184,409 (2022: gains of £183,378). The funds of the Trust have therefore decreased by a total of £174,593 to stand at £1,711,072 at the year-end.

The investment portfolio had a closing valuation of £1,646,619 (2022: £1,804,643). The Trust has working capital of £64,453 (2022: £81,023) to cover future requirements, which includes cash held by the investment brokers.

PLANS FOR FUTURE PERIODS

The Trustees intend to continue to use the annual income arising on the investment portfolio to support artistically gifted or needy children, mainly through the payment of school fees, and support other charitable causes.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Trustees

The Trustees are appointed in accordance with the provisions of the governing document.

Reserves policy

Although there is no fixed Permanent Endowment, the Trustees treat the amounts held as investments as though they were unexpendable capital, and aim to distribute the income arising each year.

Investment policy

The Trust's investments are professionally managed, with a view to balancing capital appreciation and income.

Procedures and policy for Grant making

The Trustees meet once a year to consider what grants they will make and to review any feedback they have received. Potential beneficiaries are invited to submit an application form for funding. The Trustees always seek feedback on the actual use of the grants given and the achievements made.

Risk management

The Trustees have considered the major risks to which they feel the Trust may be exposed and have taken actions based on this assessment to ensure that appropriate measures are in place to deal with such risks. The chief risk concerns levels of investment income, which the Trustees mitigate by using professional investment managers to implement their investment policy; grants are not made for a period of longer than one year so there are no future commitments.

Independent Examiner's Report to the Trustees of
Sydney Dean Whitehead's Charitable Trust

Independent examiner's report to the trustees of Sydney Dean Whitehead's Charitable Trust

I report to the charity trustees on my examination of the accounts of Sydney Dean Whitehead's Charitable Trust (the Trust) for the year ended 5 April 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
