Objectives

The objectives of the Association are to promote the provision of drinking water for people and animals in the United Kingdom and overseas, and the preservation of the Association's archive materials, artefacts, drinking fountains, cattle troughs and other installations.

Review of Activities and Future Plans

Covid 19 continued to have an impact on the some of the Association income. Subscription and donations fell to £175(2020: £250) however investment income rose to £39,009(2020: £33,571). The Association invested a further £55,000 into the Equities Investment Fund for Charities (Charifund). The investments rose by 12.8% in capital terms with a year-end value of £837,824 (2020: £687,733). Despite the challenges faced by the pandemic the Association maintained a surplus.

During the year the Committee meet virtually and in person.

The Association welcomes applications for grants to help fund projects that fall within its objectives. In 2021 the Association's grants totalled £ 13,178 (2020: £18,005). A detailed breakdown on all grants made can be found on page 13. In principle the Association allocates about one-third of its net income to overseas projects. For cost effectiveness these donations are channelled through other appropriate charitable associations. Based on the merits of grant applications the Committee makes a monetary award ranging from £50 to £2,000. A further third is allocated to restoration work. With the final third being allocated to the provision of Novus drinking fountains to schools. Over the years the Association has recognised a need for supplying fountains to schools throughout the United Kingdom. The Association typically gifts a Novus drinking fountain to a school on the condition that the school pays £50 to join the Association.

Find a Fountain

The organisation was founded to make the public aware of the waste of using bottled water when there is a plentiful supply of easily accessed water. The public can log on and look at the map to find their nearest clean water source at www.findafountain.org.

School Fountains

The Committee did not award any fountains this year.
