Structure, governance and management

The charity is a Company Limited by Guarantee and governed by its Memorandum and Articles of Association. Elections of Directors take place at company meetings.

The overall policies are set by the National Council which comprises of the Board of Directors and the Members of the Company. The local branches are organised into four geographic areas (Irish, Midlands and South, North East, North West) and YL Holidays. Each area is managed by a voluntary Area Director who is supported by a committee and these manage the day to day work.

Objectives and activities

Main Activities

The charity was founded in 1911 to promote the Christian message and teaching amongst teens and twenties in accordance with the Basis of Faith contained in the governing document as well as to encourage them to share that message with others. This remains as our main aim today and all activities are focussed on that goal.

The local branches meet on a weekly basis when a varied Bible based program is held focusing on a specific theme. Most branches also hold a monthly evangelistic preaching time at a suitable local venue.

At area level "Speakouts" are held when young people from the branches gather in a number of cities around the UK to engage in events to take the Christian message to the general populace. The areas also hold a weekend away when people from the branches and their friends are taught biblical truth as well as hear and exchange ideas about the work both locally and nationally.

YL Holidays hold weeks of activity holidays during the summer months for young people aged between 10 and 18. Each day starts with a biblical message. The holidays are very popular with most venues fully booked each year.

Public Benefit Statement

- The Charity's public teaching is based on the message of the Bible. This is at root a message of forgiveness and grace that offers hope and meaning to young people and is as relevant as ever.
- Promoting Christian teaching and ethics brings a wider benefit to society as a whole. For example the Biblical command to love one's neighbour as oneself encourages care for those in need and a positive contribution to public life.
- The Charity seeks to develop leadership and organisational skills among young people. Such skills can be used in many contexts.
- Both the weekly branch meetings and the summer camps help to build relationships and mutual support among young people. In a society experiencing fragmentation and isolation, these connections will prove invaluable for years to come.

Volunteers

All this activity would not be possible without the many volunteers who give so unstintingly and generously of their time and resources and the Directors would like to record their deep and heartfelt appreciation to them all.

Directors' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Achievements and performance

After the disruption caused by the Covid 19 pandemic, we were pleased to return to a much more 'normal' pattern of activity in 2022, with the exception of our planned weekend away, which was postponed from February 2022 to February 2023. Life remains uncertain, and we are convinced of the continuing relevance of the Christian message that forms the basis of the charity's activities. We are grateful for the hard work of staff and volunteers in re-establishing our activities, and trust that God will bring blessing. Some highlights are listed below.

- Branches returned to a regular pattern of weekly or fortnightly in person meetings, maintaining regular Bible teaching and fellowship.
- A week of prayer was held early in the year with daily prayer meetings via Zoom.
- We were able to our holiday weeks as planned, and these were very well received.
- Other activities such as schools work and street evangelism have continued.
- A training weekend for branch leaders was run in March, in co-operation with United Beach Missions. Around 35 young people attended and benefited from intensive teaching as well as fellowship.

in the latter half of the year, our Chairman Alan Steele confirmed his retirement as Chairman and Director on health grounds. We are very grateful for Alan's wise and committed leadership over the years.

National Young Life Campaign Trust Limited

Company Limited by Guarantee

Directors' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Financial review

The financial results for the period under review have been consistent with the plans and forecasts prepared by the Directors, albeit not all the usual holidays operated. The Directors consider that should the charity's operating circumstances remain the same then the forthcoming financial period will produce similar results. There are no funds materially in deficit.

Reserves Policy

The Directors consider that a free reserve sum sufficient to cover three months' expenditure is the minimum required and as at the date of this report this is exceeded. Additionally, most of the investments are available on less than a month's notice.

Financial Support

We are very grateful to our supporters who even in this challenging year have funded 45% of our operating costs with the balance coming from investments.

Investment Powers and Restrictions

Funds not immediately required are invested in such investments as the Directors deem appropriate with advice being sought from time to time from qualified investment managers. The primary factor in these decisions is the provision of income with little or no capital depreciation. Currently the funds are held in unitised investments which are managed according to our primary consideration.

Safeguarding and Risk Management

There have been no safeguarding issues reported during the year.
A Risk Register has been maintained.

Plans for future periods

Some of our plans for the future include:

- Running a full suite of holiday weeks in summer 2023.
- A national conference weekend. This has subsequently taken place in the West Midlands in February 2023. Around 200 people attended and the event was a great success.
- A training weekend for committee members and leaders. This is planned for March 2023.
- Holding an online week of prayer in April.
- Easter speakouts at various locations.
- Building a resource bank of material to support branch leaders in running effective programmes.
- Producing a new edition of one of the four Gospels with explanatory comments alongside the text.
- Seeking to identify future National Committee members and others who can contribute to the strategic development of the charity's work.

Independent Examiner's Report to the Directors of National Young Life Campaign Trust Limited

Year ended 31 December 2022

I report to the directors on my examination of the financial statements of National Young Life Campaign Trust Limited ('the charity') for the year ended 31 December 2022.

Responsibilities and basis of report

The trustees are also the directors of the company for the purposes of company law are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of 'Accounting body'.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 December 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 10 April 2023, and are signed on behalf of the board by:

Mr A Wells
Director

The notes on pages 9 to 16 form part of these financial statements.

National Young Life Campaign Trust Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 December 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 35 Shelley Close, Bromsgrove, Worcestershire, B61 0NQ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

National Young Life Campaign Trust Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)* Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

National Young Life Campaign Trust Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)* Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
