Trustees' Annual Report

Period start date: 01/04/2020

Period end date: 31/03/2021

Objectives and Activities:

As set out in the Charity's governing document, the Charles Amherst's Almshouses is for housing six elderly people who are in need and who have resided in the area of the parish of Pembury. The Charity provides independent living for people over the age of sixty who are in financial need. Exceptions can be made to the age limit with approval of the Trustees. Residents are charged a weekly maintenance charge which is below the amount charged for similar social housing. The Trustees have regard to providing housing and welfare for public benefit.

The Charity acknowledges the contribution made by two volunteers who act as secretary and treasurer to the Charity.

Achievements and Performance:

The six houses are over 300 years old and are grade1 listed. They have been improved by additional refurbishments over the years and are maintained to meet modern building standards. Repairs to the properties are carried out promptly.

The Trustees visit on a regular basis to assess the well-being of the Residents and to give advice where necessary. Any problems are openly encouraged in order for the Residents to be a happy community and also feel involved with the wider village community.

The following policies have been reviewed:

Complaints Handling
Financial Control
Investment
Risk Management
Safeguarding vulnerable beneficiaries
Volunteer Management
Data Privacy Notice
Health and Safety

A quinquennial survey was carried out in 2020 and a time frame for carrying out repairs or improvements was agreed by the Trustees.

In the period 2020-2021 the following repair/improvement work was undertaken:

Repairs to the roofs in respect of replacing broken tiles and general moss removal.

Electrical work carried out. New circuit boards were fitted to meet new building regulations, new sealed lcd light fittings in bathrooms and toilets, extra power sockets fitted, electric supply to outdoor sheds and any electrical fixtures which needed updating.

A working party is still considering the landscaping of the rear gardens.

The Charity has achieved its objectives set for the year.

The Charity does not fundraise. The weekly maintenance charge is the sole form of income for the Charity. By careful prudence the Charity has been able to meet costs involved in the quinquennial review.

Financial Review:

The Charity is in a good position to meet the cost of repairs, improvements etc.

The Charity is diligent in keeping a reserve of money to meet the cost of repairs and improvements. A reserve of approximately 50% of funds is kept to meet unexpected costs of repairs. The weekly maintenance charge is the sole source of income.

The principal risk is having funds to maintain the properties.

Structure, Governance and Management:

The Charity is governed by Trust Deed, which also states how the Charity is constituted.

Trustees are appointed by organisations in the community. A co-optative Trustee is appointed by the organisational Trustees.

All new Trustees are given training for their role. They are made aware of policies which are in place and their responsibility as a Trustee.

The Charity is run by five Trustees with the help of a volunteer secretary and a volunteer treasurer.

Representative Trustees report on the Charity to their particular organisation. Their term of office is laid out in the Trust Deed.

The Trustees:

Revd R M Worssam	Vicar of Pembury
Mrs J M Ditchett	Representative Trustee of Pembury Parish Council
Mr S Rose	Representative Trustee of Pembury Parish Council
Mrs A Saunders	Representative Trustee of Pembury Women's Institute
Mrs P Franks (Chairman)	Co-optative Trustee of the Charity
