THE BRUNSWICK CLUB TRUST

CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2021

From January to March 2021, The Brunswick Club was closed because of Lockdown 3. As in previous Lockdowns, we made our pitch available for family exercise. A popular move, with more than 50 families and over 200 children benefiting from use of the space. In April 2021 we restarted face-to-face delivery: evening football sessions and our Senior Youth Club at the beginning of the month; a 1-week Junior Easter Holiday Scheme in the middle of the month; and our Junior Youth Club at the end of the month.

In delivering these activities we followed the Covid-19 guidelines, issued by the National Youth Agency and the Football Association, for the safe delivery of youth activities during the pandemic. Although there were no longer any legal restrictions on group sizes, both organisations continued to advise caution, so we continued to limit the number of children and young people who could attend.

We also made three major changes to our delivery methods. We moved our Thursday evening Senior Youth Club to Saturday nights, the first weekend opening of a youth club at The Brunswick Club for over 30 years. We limited attendance on our Junior Holiday Activity Schemes to a maximum of three days per week per child, so doubling the number of children who could benefit. And Covid-related changes to our Junior Youth Club - reduced session times, limited numbers, pre-booking required, one activity per session, free entry, and free food – now became the norm.

The rest of the year had its occasional difficulties, as we tried to stay abreast of ever-changing pandemic regulations, and it had its worries, as children and staff were affected by Covid. Overall, however, it was a slow, but constant journey back towards normality. By the end of the year, things had certainly changed, but the feel of The Brunswick Club was now closer to how it used to be pre-pandemic, than how it was at the beginning of the year.

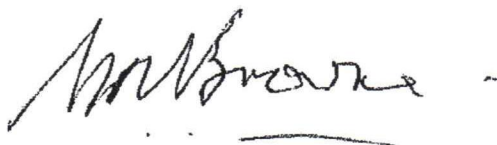

Financially, we remain secure. We ended 2021 with a net income of £80,458, our investments increased in value by £80,227, and we began 2022 with a high level of reserves. Sufficient, we believe, to cope with any problems caused

I would like to thank the Chairman of the Management Committee, Boris Dunning, the other members of the Management Committee, and the Trustees of The Brunswick Club, for their dedicated service throughout the year. I would like to thank the Club Manager, Danny Volino, the Fundraising & Development Worker, Piers Player, and the rest of the staff team, for their continuous hard work. And I would like to thank the children and young people who come to the Club, and their families and friends, whose unwavering support help make The Brunswick Club the special place that it is.

If any of our supporters would like to visit the Club in Haldane Road, Fulham, you would be most welcome. Just give the Club Manager a call to arrange a suitable time.

And finally, although the year ended well for the Club, it began in sadness with the passing of Mr John Bird, a long-standing member of the Management Committee. John's 65-year association with the Club began in 1955 when he joined as a PT and Games Instructor. He will be best remembered for his single-handed running of the Club's summer football tournament for over 35 years.

He joined the Club's Management Committee in the early 1990s and was still an active member up until the day he died. In everything that he did, John was a true gentleman, kind and caring to everyone he met. His energy, enthusiasm, and sheer dogged determination should be an inspiration to us all. God bless you, Mr Bird, you are a true Brunswick legend.

NN Browne
Chairman

THE BRUNSWICK CLUB TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 of the financial statements and comply with the charity's Governing document, Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

Governing document

The Brunswick Club Trust is a registered charity operating under a Declaration of Trust dated 26 February 1945 as amended by a scheme which was sealed by the Charity Commission for England and Wales on 14 May 1997.

Objects of the charity

The object of the Club is the provision of cultural, sporting and social activities for young people, aged from seven to eighteen, in a safe and friendly environment.

Going concern

The trustees' report and financial statements have been prepared on the going concern basis, which assumes the ability of the Club to continue its activities for the foreseeable future, being a period of not less than twelve months from the approval of these accounts.

The Trustees continue to monitor the financial effects of both the Covid-19 epidemic and inflation in particular its effect on the cost of living. The trustees have considered the information available and have reasonable expectation that the Trust has adequate reserves and resources to continue its operational activities for the foreseeable future. Accordingly the trustees have concluded that they can continue to adopt the going concern basis in preparing the financial statements.

Public benefit

In planning the Club's activities for the year, the Board of trustees confirm that they have given due regard the Charity Commission's legislative and regulatory requirements to comply with Section 17 of the Charities Act 2011. This report outlines how our achievements during 2021 have benefited the public.

Review of activities

Following the end of Lockdown 3 in March 2021, the Club was open seven days a week for the remaining nine months of the year. We offered a variety of activities and services, including:

- a three night a week Senior Youth Club;
- a two night a week Junior Youth Club;
- a two night a week Junior and Senior Table Tennis Club;
- competitive football teams at seven different age levels, from Under 9s to Under 16s;
- six weeks of activities for Junior Club members during half-term and school holidays; and
- two weeks of activities for Senior Club members during the Summer holidays.

In the nine months we were open we also played host to Kixstar Dragon Taekwondo, the Fulham Junior Chess Club, Little Kickers, Aspire FC, Fulham Lions FC, Tiny Feet Sports, and Samba Soccer Schools, all of whom provided regular sessions for children and young people in their respective fields.

THE BRUNSWICK CLUB TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

Highlights

To a certain extent, given the difficulties of the previous year, the fact that the Club was open for nine months was the biggest highlight of 2021. Other achievements include:

- 948 children and young people coming through the Club's doors at an average of 67 per day;
- 212 children attending six weeks of Junior holiday activity schemes at an average of 41 per day;
- 133 young people attending two weeks of Senior holiday activity schemes at an average of 42 per day;
- 200 children and young people enjoying food, inflatables, and fun at our annual children and young people's Christmas party;
- 123 young people attending an October 2021 Mental Health Awareness Day event organised in partnership with Fulham FC Foundation and attended by Fulham FC footballers; and
- nine young people receiving Jack Petchey Achievement Awards for their voluntary contribution across the full range of Club activities.

Plans for the future

Our plans for 2022 are to continue providing a wide range of services for the children and young people of Fulham, including:

- a welcome return to Hindleap Warren Outdoor Education and Activity Centre for the whole Club in early January;
- weekend football tours to Bognor Regis for four Brunswick football teams in late April / early May;
- a 9-week programme of Holiday Activities, including much-missed day trips to the seaside and local theme parks, for our Junior and Senior Club members during the half term and school holidays; and
- the delivery of a high-quality programme of on-site and off-site activities for the children and young people of Fulham for the full 12 months.

Cost of living crisis

We are monitoring the impact of the developing cost of living crisis on our members and, as a result, continue to provide most of our services free of charge. We are aware of the impact on the Club's finances that would be caused by the predicted rise in energy prices. However, we believe these will be moderated by government intervention. If that does not materialise, we are confident we have sufficient reserves to cope should the crisis

Recruitment and election of trustees

Trustees are appointed or re-appointed annually at the Annual General Meeting. New trustees are briefed on their legal obligations under Charity Law and the Charity Commission guidance on public benefit.

THE BRUNSWICK CLUB TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

Trustees

The trustees who served during the year were:

NN Browne (Chairman)
LEJ Bicknell, ACIB (Treasurer)
MF Dunning BEM
CE Hancock
G Hands, M.P.
WJB Lake
Lady Camilla Osborne
FR Watts
PCG Witheridge
SGG Witheridge

Financial Review and Policy on Reserves

The Statement of Financial Activities for the year to 31 December 2021 shows a net income of £80,458 (before net investment gains of £80,227), compared to net income of £22,561 for 2020 (before net investment gains of £38,147). Note 15 shows the movement in all the Trust's funds in the year and gives an explanation of the nature and purposes of each fund. The balance of total unrestricted funds at the year end was £992,619 (2020: £857,686) and that of restricted funds was £32,372 (2020: £6,980). During the year £110,162 was transferred from unrestricted to restricted funds and expended on the building project.

In the trustees' view, the reserves should provide the Club with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future. Of the £992,619 held in unrestricted funds, £326,926 (raised in capital appeals since 1945) and £135,595 (designated as at 31 December 2021) has been earmarked for future capital expenditure on buildings, vehicles and equipment; £530,098 is equivalent to eighteen months' running costs and held to cover management, administration and support costs in the event of unexpected loss of income streams.

The trustees have a policy pertaining to their portfolio of investments. This is managed in a conservative fashion between investing for long term capital growth and providing a reasonable income for the Club. Reserves and investments are reviewed on a quarterly basis by the trustees.

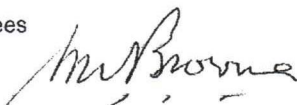

Risk statement

The major risks to which the Club is exposed, as identified by the trustees, have been reviewed and systems or procedures have been established to manage those risks.

Our volunteers

All the trustees donate their services without charge. The charity often also relies on the contribution of unpaid general volunteers in carrying out its activities. During any given year, 8-12 adult volunteers give approximately 1,000 hours of their time and 15-20 junior volunteers (members of our Senior Club aged 15-18 years) give approximately 1,500 hours of their time. Volunteering includes, but is not limited to, assisting staff in the supervision of younger children on activities, driving one of the minibuses, running the line at football matches and helping organise events. The trustees have considered the specific provisions regarding the valuation of donated items and services and concluded that placing a monetary value on their contribution would not be possible or appropriate.

On behalf of the trustees

NN Browne

Chairman

14 September 2022

THE BRUNSWICK CLUB TRUST

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

I report to the trustees on my examination of the financial statements of The Brunswick Club Trust for the year ended 31 December 2021 on pages 9 to 19. These financial statements have been prepared in accordance with the accounting policies set out therein.

This report is made solely to the trustees in accordance with Sections 144-147 and 151-155 of the Charities Act 2011. My work has been undertaken so that I might state to the trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees for my examination work.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

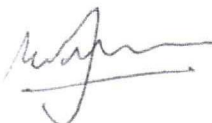

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England & Wales.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

For the financial year ended 31 December 2021 the charity was entitled to exemption from audit and an audit has not been requested by the trustees for the year in question.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with the requirements of the Charities Act 2011 ("the Act") and for preparing financial statements which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of the Act.

The financial statements were approved by the board of trustees and authorised for issue on 14 September 2022 and are signed on its behalf by:

NN Browne
Trustee

LEJ Bicknell
Trustee

Charity Registration No.: 209865

THE BRUNSWICK CLUB TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

Charity information

The Brunswick Club Trust is an unincorporated charity. Its place of business is 34 Haldane Rd, Fulham, London SW6 7EU.

1.1 Accounting convention

The financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), the Charities Act 2011, "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements have been prepared on the historical cost convention except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below.

1.2 Going concern

The trustees have prepared the financial statements on the going concern basis, which assumes the ability of the Club to continue its activities for the foreseeable future, being a period of not less than twelve months from the approval of these accounts.

In particular, in response to the continuing Covid-19 coronavirus pandemic, the trustees have considered the information available and have reasonable expectation that the Club has adequate reserves and resources to continue its operational activities for the foreseeable future. Accordingly the trustees have concluded that they can continue to adopt the going concern basis in preparing the financial statements.

1.3 Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.4 Grants and legacies accounting

In accordance with Charity SORP, grants and legacies are only be recognised when all the following criteria are met: Entitlement – control over the rights or other access to the economic benefit has passed to the charity.

Probable – income is recognised when there is sufficient certainty of receipt - receipt is more likely than not. Measurement – the monetary value or amount of the income can be measured reliably.

THE BRUNSWICK CLUB TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1.5 Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

In accordance with the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements. The trustees' Report details the role played by general volunteers and the nature of their contribution to the charity.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes, and their associated support costs.
- Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1.7 Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Trust's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 6.

1.8 Tangible fixed assets and depreciation

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Freehold property which is held for charitable and investment purposes is not depreciated.

Depreciation is recognised so as to write off the cost less their residual values over their useful lives and written off over 3 years.

1.9 Fixed asset investment

Investments held as fixed assets are revalued at mid-market value at the balance sheet date in order to comply with the requirements of the SORP. Realised and unrealised gains and losses are shown separately in the appropriate section of the Statement of Financial Activities.

1.10 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments.

THE BRUNSWICK CLUB TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1.12 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.13 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, which include trade and other receivables and cash and bank balances, are initially recognised at transaction value and subsequently measured at their settlement value.

1.14 Fund accounting

Unrestricted funds comprise accumulated surpluses on the general funds and designated funds.

Designated funds are amounts which have been put aside out of unrestricted funds at the discretion of the trustees. General unrestricted funds represent unrestricted income which is expendable at the discretion of the trustees in furtherance of the objects of the charity.

Restricted funds represent grants and donations for specific purposes which are therefore not available for other purposes.

1.15 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

	2021	2020
	£	£
This is stated after charging:		
Payment to the accountants for:		
Independent examination	2,430	2,070
Accountancy services	1,950	1,700
	<u>4,380</u>	<u>3,770</u>

6 Analysis of governance and support costs

The charity apportions its support costs and governance costs between the key activities undertaken in the year on a basis consistent with the use of the resources including allocating employees costs by the time spent and other costs by their usage. The table below shows the basis for apportionment and the analysis of support and governance costs.

	Raising funds	Lettings/ pitch hire	Club activities	Other	Total 2021	Total 2020
	£	£	£	£	£	£
