WORCESTERSHIRE MASONIC CHARITY ORGANISATION

REPORT OF THE TRUSTEES

Year ended 31 December 2024

Structure, Governance and Management

Governing Document

The Charity is governed under a Trust Deed dated 29 December 1934.

Recruitment and Appointment of Trustees

The power of appointing and removing Trustees is vested with the Provincial Grand Master for the time being of the Masonic Province of Worcestershire. In exercising these powers the Provincial Grand Master gives consideration to the skills mix and any identified skills gap within the existing trustee body.

Trustee Induction and Training

On agreeing to become a Trustee an individual is thoroughly briefed by the co-trustees on the history of the charity, the day to day management, the responsibilities of Trustees and the current objectives and future plans of the charity. A copy of the Trust Deed and latest financial statements are provided.

Risk Management

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems and investment policy ensures adequate control over the charity's assets while providing sufficient resources in the event of adverse conditions.

Organisational Structure

Matters of policy and management are determined by the Trustees. The day to day operations of the Charity are administered by the Secretary to the Trustees who is responsible to the Trustees.

The Trustees meet in plenary session with a structured agenda at which relevant papers and reports are considered.

Related Parties

Related parties with a number of common Trustees are as follows:

Provincial Grand Lodge of Worcestershire Masonic Library and Museum
Leslie and Ivy Pountney Bursary Fund

Objectives and benefits for the public benefit

In shaping the objectives of the Charity and planning its activities, the Trustees have taken into consideration the Charity Commission's guidance on public benefit.

The primary function of the Charity is to act for the benefit of distressed Masons, their widows and children.

The Trust Deed also provides for the Charity to act for the benefit of such Masonic charities or other charitable institutions and objects as the Trustees shall, in duly constituted meeting, from time to time direct.

REPORT OF THE TRUSTEES

Year ended 31 December 2024

Achievements, Activities and Performance

The Charity continued to operate accommodation in Bromsgrove. A high level of occupancy was obtained and the scheme of renovations has continued with flats being redecorated/refurbished as and when they fell vacant. Support for local charities continued this year.

Planned Changes

The Trustees have resolved to:

1. Restructure the Charity and make donations to the Worcestershire Freemasons Charity, for the purpose of making grants for good causes and public benefit.
2. Transfer the majority of the Charity's assets into a Charitable Incorporated Organisation to undertake the continued objectives of the Charity; subject to the required approvals from the Charity Commission.
3. Transfer out of the charity any potentially non-charitable activity other than activity related to investments.

Financial Review

The accounts for the year show net incoming funds (before unrealised gains/losses on investments) of £(20,071)- a deficit, (2023 - £(181,257)).

Income

Income from all sources amounted to £89,103 (2023 - £102,429) This shows a decrease in total incoming funds..

Expenditure

Expenditure totalled £115,323 (2023 - £263,686). This included donations to the Worcestershire Freemasons Charity which is now responsible for a restricted fund and giving to charities previously supported by this charity. The expenditure also includes the ongoing costs of maintenance at the Ellard Hanson Home.

Principal Funding Sources

The principal funding sources arise through:

- (i) Donations and legacies from individual freemasons
- (ii) Investment income derived from the Charity's portfolio of investments
- (iii) Licence income from residents of the sheltered accommodation run by the Charity

Charity Land and Buildings

The charity owns the residential complex known as Ellard Hanson Court on the Birmingham Road, Bromsgrove.

REPORT OF THE TRUSTEES

Year ended 31 December 2024

Investment policy

The investment objectives are for a secure level of income together with capital protection. The Trustees reviewed the charity's investment policy during the year. The charity is a long-term investor and holds a mixed portfolio of institutional deposits, NS&I products, and funds managed by COIF. No changes were made in the year to the funds held by COIF or other institutions holding deposits..

Reserves policy

The Trustees consider that the level of reserves is appropriate to generate the income required by the Charity for its charitable commitments and to provide for the maintenance of the buildings of Ellard Hanson Court,

Statement of Responsibilities of the Trustees

The Trustees are responsible for preparing an Annual Report of the Trustees and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe the methods and principles in the applicable Charities SORP (FRS 102) – (second edition- October 2019);
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2022 , the applicable Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees on 6 September 2025 and signed on their behalf by:

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF THE WORCESTERSHIRE MASONIC CHARITY ORGANISATION

We report on the accounts of the Charity for the year ended 31 December 2024, which are set out on pages 6 to 14.

Respective responsibilities of trustees and examiners

The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. We are qualified to undertake the examination by being members of professional bodies listed in the Charities Act 2011.

Having satisfied ourselves that the charity is not subject to audit and is eligible for independent examination it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters may have come to our attention.

Basis of independent examiners' report

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with our examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act and the methods and principles of the Charities SORP (FRS 102).

have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

31 December 2024

1 Accounting policies

1.1 Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention, modified to account for investments which are stated at fair value, and include the results of the charity's operations which are described in the Report of the Trustees. The financial statements have been prepared in Sterling which is the functional currency of the Charity.

The financial statements have been prepared in accordance with the provisions of the Charities Act 2011 and in compliance with Accounting and Reporting by charities: SORP applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Ireland (FRS 102). The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

1.2 Fixed assets

Tangible fixed assets

Individual fixed assets costing £500 or more are capitalised at cost.

Depreciation is provided on the cost less the estimated residual value of fixtures and fittings at the rate of 25% per annum straight line and at 33.3% straight line on computer equipment. No depreciation is provided on freehold land or the cost of freehold buildings as, in the opinion of the Trustees, the residual value of the assets are so high and the life span so long that any element of depreciation would not be material.

1.3 Fund accounting

Restricted funds

Restricted funds represent grants and donations which are subject to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Unrestricted funds and designated funds

Unrestricted funds represent funds that are expendable at the discretion of the Trustees in the furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment. Designated funds are those funds which are unrestricted in nature, but which have been designated by the Trustees to be used in a particular manner.

1.4 Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income by way of donations and gifts is included in full in the Statement of Financial Activities when receivable.
- Income from investments is included in the Statement of Financial Activities in the year it is receivable.

WORCESTERSHIRE MASONIC CHARITY ORGANISATION

NOTES TO THE FINANCIAL STATEMENTS

31 December 2024

- Fees and charges for services are accounted for in the year in which services are provided. Fees received in advance are treated as deferred income.

1.5 Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include independent examination fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity comprise both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.6 VAT

Value added tax is not recoverable by the charity, and as such is included in the relevant costs in the Statement of Financial Activities and tangible fixed assets.

1.7 Investments and Investment Gains and Losses

Investments are a form of basic financial instruments and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing market price. All gains and losses are recognised in the Statement of Financial Activities as they arise and accounted for through the fund for which they are held. Realised gains and losses are calculated as the difference between opening carrying value (or cost if purchased in the year) and sales proceeds. Unrealised gains and losses are calculated as the difference between their fair value at the year end and their carrying value. All investment gains and losses are combined in the Statement of Financial Activities.
