### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024**

---

The Trustees present their report along with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts on pages 7, 8 and 9 and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The aim of the Charity is the provision of almshouses for the beneficial class of the Charity - "poor persons who (except in special cases to be approved by the (Charity) Commissioners) shall be resident in the Parish of St Osyth at the time of their appointment. The residents of at least two of the almshouses shall be married couples, widows or spinsters qualified as aforesaid".

##### **Application of Income**

The net income shall be applied first to repair, insure and meet all other outgoings in respect of the Charity's properties and all proper costs of the Charity's administration and management. Thereafter net income shall be applied for the benefit of the almspeople of the Charity.

##### **Significant activities**

The Charity currently provides six almshouse properties and its aim is to utilise these as far as possible to meet the objectives of the Charity.

##### **Public benefit**

These activities are considered to be for the public benefit and in running the Charity the Trustees have regard for the Charity Commission guidance on public benefit.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

The Trustees held four meetings during the year. They continued to be concerned with maintenance of the properties and wellbeing of residents.

The Trustees were delighted that the Charity was the recipient of a significant bequest of £70,000 from the estate of Mr and Mrs Norman Bassett, formerly of St Osyth. This bequest was invested in the COIF Deposit Account and would enable the Charity to commit to major roof works required in the near future. The Trustees were grateful to Mrs Charlotte Scott who had made this gift in memory of her aunt and uncle.

During the year the rear exterior to Clacton Road was redecorated. Boilers were replaced at three properties.

#### **FINANCIAL REVIEW**

##### **Financial position**

The Charity's financial position is as set out in the Balance Sheet on page 6 and is considered satisfactory.

##### **Reserves policy**

The Charity's policy on reserves is to maintain sufficient reserves to enable the Charity to continue to achieve its principal objectives.

## **THE ST OSYTH ALMSHOUSE CHARITY**

### **REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024**

---

#### **FUTURE PLANS**

The Almshouses are over 400 years old and require major works to the roof. Thanks to the kind gift received during the year and maintenance funds set aside by Trustees, the Trustees commissioned a structural surveyor and architect to inspect and draw up plans for renovations. The works are due to take place during the 2024/25 financial year.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The St Osyth Almshouse Charity is a registered Charity governed in accordance with a Scheme which was sealed by the Charity Commissioners on 5 July 1979 as amended on 17 July 2018 and a Scheme sealed by the Charity Commissioners on 3 March 1997 which provided for the amalgamation with the John Gilders Charity. Copies of the Schemes are available from the Clerk upon request.

##### **Recruitment and appointment of new trustees**

As vacancies for Trustees arise applications are sought from potential candidates known to the Trustees and other suitable local people. Applicants are then considered by the Trustees and appointments made by resolution of the Trustees.

##### **Organisational structure**

Day to day administration of the Charity is carried out by the Clerk who reports to the Trustees.

##### **Induction and training of new trustees**

New Trustees are briefed by the Clerk and the existing Trustees on the history and activities of the Charity. They are provided with a copy of the Charity Commission publication "The Essential Trustee" detailing their responsibilities and providing guidance on being a Trustee. New Trustees are provided with a copy of the Charity Scheme and the latest accounts.

##### **Related parties**

There are no other charities related to The St Osyth Almshouse Charity. The Clerk to the Charity is also Clerk to other almshouse charities.

##### **Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Through the employment of professional advisers the Trustees seek to ensure that all of the Charity's management and decision making processes take full account of, and comply with, relevant legislation and regulatory controls. Insurance including property ownership and public liability is reassessed annually.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
THE ST OSYTH ALMSHOUSE CHARITY**

---

**Independent examiner's report to the trustees of The St Osyth Almshouse Charity**

I report to the charity trustees on my examination of the accounts of The St Osyth Almshouse Charity (the Trust) for the year ended 31 March 2024.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## THE ST OSYTH ALMSHOUSE CHARITY

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

---

#### 1. LEGISLATIVE POSITION

The Charity is unincorporated but is registered with the Charity Commission as a Registered Charity and with the National Association of Almshouses as a Registered Almshouse Charity.

#### 2. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception that housing properties are included at valuation and investments which are included at market value.

##### **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of Charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are funds which the donor has specified are to be solely used for a particular purpose. Permanent endowment funds are non-expendable funds which are normally held indefinitely.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Going concern**

The accounts are prepared on a going concern basis as there are no material uncertainties about the Charity's ability to continue.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that a distribution will be made, or when a distribution is received from the estate.

Donations and other voluntary income are reflected in the accounts for the period in which they are received. Donations in kind are recognised by the Charity when received except in the case of services provided free or undervalue by voluntary staff or others which are not reflected in the accounts.

##### **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

THE ST OSYTH ALMSHOUSE CHARITY

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 MARCH 2024

---

2. ACCOUNTING POLICIES - continued

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Repairs and maintenance of properties**

The charges in the Statement of Financial Activities in respect of Cyclical Maintenance and Extraordinary Repairs reflect the Trustees' constant concern to keep the properties in good condition, and are in accordance with the Almshouse Associations' recommendation that Almshouse Charities should set aside each year specific sums in this respect. Transfers are made from the Accumulated Fund each year to the Extraordinary Repair Fund to cover extraordinary repairs as they arise and to the Cyclical Maintenance Fund to cover repairs which arise on a cyclical basis.

**Support costs**

The Charity's governance costs are allocated entirely to the Almshouse Costs since support costs relating to other activities are considered immaterial.

**Tangible fixed assets**

The housing properties are included in the accounts at their insurance reinstatement value. Additions after each revaluation are included at cost until a further revaluation.

The cost of refurbishment and improvements to the existing property are written off to the General Fund as incurred. Any major improvements or extensions to the property are capitalised.

The housing properties are not depreciated as revaluations are performed with sufficient regularity to ensure that the carrying amounts are not materially misstated.

The land is included at cost and is not depreciated.

Fixtures and fittings are included at cost and are depreciated over their estimated useful lives using the reducing balance method at a rate of 15% per annum.

**Investments**

Investments are shown on the Balance Sheet at their market value. Changes in market values during an accounting period are reflected in the accounts as unrealised gains or losses. Upon disposal of an investment the difference between original cost and disposal proceeds is reflected in the accounts as a realised gain or loss and an adjustment is made to unrealised gains or losses to reverse unrealised movements in value in earlier years.

**Debtors**

Contributions and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Cash at Bank**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 MARCH 2024

2. ACCOUNTING POLICIES - continued

**Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Taxation**

The charity is exempt from tax on its charitable activities.
