This was due to the grant paid to Totnes Town Council to reduce the rates burden on the town. Also Trustees chose to pay out more in Cost of Living support grants than was received as investment income as it was felt there was an urgent need to support the community through the crisis. Income from lettings this year was a third up on last year as a result of the recovery of confidence after the COVID pandemic and improvements made to the facilities to attract more hirers.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The original Bequest has been determined as £50000. The Trustees take the view that the remaining value of the Fund is available to use for the objectives as detailed in the Will, as accumulated income.
Amount of reserves held	Para 1.22	<p>The closing current account balance is £41586.52.</p> <p>The Trustees do not have an agreed policy on reserves but simply retain sufficient funds to be able to meet any future commitments.</p>

Details of fund materially in deficit	Para 1.24	N/A
