THE HONYWOOD AND DOUGLAS CHARITY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

OBJECTIVES AND ACTIVITIES

Principal activities

The Charity's governing document is a scheme of the Charity Commissioners of 5 July 1996. This merged the separate Honywood and Douglas charities to be administered and managed together as one charity (registration number 211272). The Honywood and Douglas charities were originally founded in 1622 and 1858 respectively.

The Almshouses belonging to the Charity are used for the accommodation of residents of not less than 60 years of age who, except in special cases approved by the Charity Commissioners, have lived in the ancient Parish of Lenham or the Parish of Boughton Malherbe for at least two years. Appointments of residents are made by the trustees.

The trustees maintain an Extraordinary Repair Fund for the purpose of providing for the extraordinary repair, improvement or rebuilding of the Almshouses. The fund is invested in Accumulation Shares in the M&G Charity Multi Asset fund.

Having constructed almshouses on all the land which it previously owned, a further property was acquired in December 2019, and conversion work, which had been delayed by the Covid-19 pandemic, was completed in 2022 to provide a further three almshouses. This brought the total residential units provided by the charity to 29, all of which were let at the year end.

Public benefit

The trustees have had due regard to the Charity Commission's published guidance on public benefit.

Trustees

The board of trustees usually consists of one ex-officio trustee, four nominated trustees and seven co-opted trustees. Two nominated trustees are appointed by the Parish Council of Lenham and two by the Parish Council of Boughton Malherbe, for a period of four years. Co-opted trustees are appointed by resolution of the trustees for a term of five years.

The trustees who served during the year are detailed on the information page.

The trustees meet regularly, and at least twice a year, to attend to the charity's affairs. Decisions are taken based on a majority of the votes and, in the event of equality of votes, the chairman has a casting vote.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

THE HONYWOOD AND DOUGLAS CHARITY

REPORT OF THE TRUSTEES (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

Management of the charity's affairs and risk

The trustees appointed have local knowledge and are therefore generally aware of the charity's aims and housing stock. New trustees are provided with a copy of the charity's Trust Deed, the latest accounts and details of the obligations of the residents and the trustees.

The day to day management of the charity is delegated to the Treasurer, Mr WJ Collins, under consultation with the Board of Trustees. The overseeing of the ongoing repair of the charity's properties has been delegated to a local maintenance co-ordinator in consultation with the trustees.

The trustees consider that the major risks to which the charity is exposed are the preservation of the properties, the need to comply with relevant legal and regulatory obligations and the need to ensure that all financial transactions are properly recorded. They have therefore put the following systems into place :

(a) the buildings insurance is reviewed annually to ensure it remains appropriate and regular safety checks on fire equipment and gas appliances in the properties are undertaken. The general state of repair of the properties is reviewed by the Board of Trustees;

(b) Mr WJ Collins ensures that he remains up to date with the requirements of the Regulator of Social Housing, the Charities Commission and the National Association of Almshouses and draws any relevant information to the attention of the trustees.

(c) the charity's total income from maintenance contributions is reconciled annually and all major expenditure requires prior approval at a meeting of the trustees.

The trustees consider that the above measures enable them to meet the Value for Money and the Governance and Financial Viability Standards.

MARKET VALUE OF LAND AND BUILDINGS

The trustees consider that the market value of freehold land and buildings is in excess of the amount shown in the financial statements but, as these assets are used in the charity's activities and no disposals are envisaged, the excess has not been quantified.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the report and financial statements in accordance with applicable law and regulations.

Charity law and registered social housing legislation requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its income and expenditure for that period. In preparing these financial statements, the trustees are required to :

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

THE HONYWOOD AND DOUGLAS CHARITY

**REPORT OF THE TRUSTEES (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2023**

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing in England 2022. They also have a general responsibility for taking reasonable steps to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

Approved by order of the Board of Trustees on 14 May 2024 and signed on their behalf by:

THE HONYWOOD AND DOUGLAS CHARITY

ACCOUNTANTS' REPORT TO THE BOARD OF TRUSTEES ON THE PREPARATION OF THE UNAUDITED STATUTORY FINANCIAL STATEMENTS OF THE HONYWOOD AND DOUGLAS CHARITY FOR THE YEAR ENDED 31 DECEMBER 2023

We report on the accounts for the year ended 31 December 2023.

Respective responsibilities of the Board of Trustees and reporting accountants

The Board of Trustees of the Registered Social Housing Provider is responsible for the preparation of the accounts, and they consider that the Registered Social Housing Provider is exempt from an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our procedures consisted of comparing the accounts with the accounting records kept by the Registered Social Housing Provider and making such enquiries of the officers of the Registered Social Housing Provider as we considered necessary for the purpose of this report. These procedures provide the only assurance expressed in our opinion.

Opinion

In our opinion:

- the accounts for year ended 31 December 2023 are in accordance with the accounting records kept by the Registered Social Housing Provider under paragraph 135(2)(a) of the Housing and Regeneration Act 2008;
- having regard only to, and on the basis of the information contained in the accounting records:
 - (1) the accounts comply with the requirements of the Charities Act 2011;
 - (2) the Registered Social Housing Provider has satisfied the conditions for exemption from an audit of the accounts for the year ended 31 December 2023 specified in section 136(3) of the Housing and Regeneration Act 2008;
- the accounts comply with the requirements of the Housing and Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing in England 2022.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. General information

The charity is registered in England with the Regulator of Social Housing as a Registered Social Housing Provider and as a charity. The registered address is The Homestead, Headcorn Road, Grafty Green, Maidstone, ME17 2AP. Details of its principal activities are shown on page 1.

2. Accounting policies

2.1 Basis of preparation of financial statements

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared in accordance with applicable accounting standards including Financial Reporting Standard 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102) and the Statement of Recommended Practice for Registered Social Housing Providers 2018 and comply with the Accounting Direction for Private Registered Providers of Social Housing in England 2022.

The financial statements are prepared on a going concern basis and under the historical cost convention as modified by the revaluation of investments.

The following principal accounting policies have been applied:

2.2 Turnover

Turnover represents maintenance contributions and heating charges income receivable in the year, net of maintenance contributions and heating charges losses from voids.

2.3 Tangible fixed assets

Tangible fixed assets (including social housing properties) are stated at cost, less accumulated depreciation and Social Housing Grants.

Freehold land is not depreciated.

Housing properties in the course of construction are stated at cost and are not depreciated.

Depreciation is provided on all other tangible fixed assets to write off the cost, less estimated residual value, over the estimated useful life as follows :

Almshouses and conversions - by equal instalments over 25 years
Refurbishment, kitchens and bathrooms - by equal instalments over 15 years
Integral features - by equal instalments over 10 years
Fixtures - by equal instalments over 5 years

Development costs of properties are capitalised to the extent that they are directly attributable to bringing the properties into working condition for their intended use. Directly attributable costs include costs of architects, surveyors and project administrators.

2.4 Taxation

The charity is exempt from tax on its charitable activities.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

2. Accounting policies (continued)

2.5 Extraordinary repair fund

The extraordinary repair fund is maintained for the purpose of providing for the extraordinary repair or rebuilding of the Almshouses.

2.6 Investments

Investments are carried at market value or, where this is not readily available, at the Trustees' estimate of market value. Investments held for the long term are included in fixed assets. Investments held as part of short term treasury management are included in current assets.

2.7 Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income in other administrative expenses.

2.8 Grants

Grants towards capital expenditure are deducted from the cost of the asset.

2.9 Loans and borrowings

Loans and borrowings are considered to be basic financial instruments and, as such, are measured at amortised cost.

2.10 Cyclical repairs and maintenance

Due to the establishment of a regular programme of repair and maintenance, provision for future works is not made and actual costs are charged to the income and expenditure account when incurred.

2.11 Major repairs

Provisions are made for future major repair costs on all housing properties, in so far as this is not eligible for grants from the Homes and Community Agency or local authorities. Provisions are only recognised to the extent that they represent a present obligation as a result of a past event, a payment is likely to be made and a reliable estimate can be made.

2.12 Judgements and key sources of estimation uncertainty

No significant judgements have had to be made by the trustees in preparing these financial statements, nor have they identified any key sources of estimation uncertainty.

2.13 Finance costs

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.
