THE CARROLL-MARX CHARITABLE FOUNDATION

REPORT OF THE TRUSTEE FOR THE YEAR ENDED 31ST DECEMBER 2024

The Trustee presents herewith the report and financial statements for The Carroll-Marx Charitable Foundation for the year ended 31st December 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) published in October 2019.

Status and objects of the Charity

The Carroll-Marx Charitable Foundation is a Settlement Trust governed by the Trust deed dated 4th February 1960 as amended on 14 July 2025. The Trust is a Registered Charity, Number 212605.

The Trust provides donations for such charitable purposes in any part of the world at such time or times and in such manner as the Trustee shall, in their absolute discretion, think fit.

The Trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit – "Public benefit: reporting (PB3)".

Trust Deed Requirements for the Appointment of Trustees

In accordance with the provisions of the Trust Deed the statutory power of appointing new or additional Trustees shall be vested in the Settlor during his life.

Trustee

The name of the Trustee who served during the year is set out on Page 1.

Review of the year

During the year, actual charitable donations totalling £47,420 were made. At year-end, the Trust held net assets of £1,152,798.

Investment objectives

The investment objective is to obtain capital growth by the way of non-taxable appreciation and to generate income for charitable donations. The return on investments continues to provide these resources.

Risks faced by the Charity

The Trustee recognises the volatility of the stock market. The investment held is considered 'moderate risk' and is highly regarded.

Reserves Policy

The Trustee aims to maintain sufficient reserves to enable the Charity to sustain its charitable donation activity at the current level and, if possible, to increase it.

THE CARROLL-MARX CHARITABLE FOUNDATION

REPORT OF THE TRUSTEE FOR THE YEAR ENDED 31ST DECEMBER 2024 - continued.

Statement of Trustee Responsibilities

The trustee is responsible for preparing the report of the trustee and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the surplus or deficit of the Trust for that period. In preparing those financial statements, the Trustee is required to:

select suitable accounting policies and then apply them consistently;

observe the methods and principles of the Charities SORP;

make judgements and accounting estimates that are reasonable and prudent;

state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements; and

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Trust will continue in the near future.

The Trustee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and to enable compliance with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed.

The Trustee is also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud, error and non-compliance with law or regulations.

THE CARROLL-MARX CHARITABLE FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEE OF THE CARROLL-MARX CHARITABLE FOUNDATION

I report to the Trustees on my examination of the accounts of the Carroll-Marx Charitable Foundation ("the Foundation") for the year ended 31 December 2024.

Responsibilities and Basis of Report

As the Trustee of the Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the Act and, in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe, in any material respect that:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE CARROLL-MARX CHARITABLE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st December 2024

1. PRINCIPAL ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Trust's financial statements:-

Accounting Convention

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) issued in October 2019 ("the Charities SORP (FRS102)") and The Charities Act 2011.

The Carroll-Marx Charitable Foundation meets the definition of a public benefit entity under FRS 102.

Going Concern

In the opinion of the Trustee the foundation is able to settle all its obligations as they fall due, and to meet its charitable objectives for the foreseeable future. Accordingly, the accounts have been prepared on the basis of a going concern.

Fund Structure

Unrestricted funds are general funds that are available for use at the trustee discretion in furtherance of the objectives of the Trust.

The unrestricted funds are split between the capital and income funds.

Basic financial instruments

The trust only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, and loans from or to banks and related parties. Debt instruments (other than those wholly repayable or receivable within one year), including loans and other debtors and creditors, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid.

Investments

Investments are a form of basic financial instrument. Fixed asset investments are initially recognised at their transaction value and are subsequently measured at their fair value (market value) as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. Quoted stocks and shares are included in the Balance Sheet at the current market value quoted by the investment analyst, excluding dividends. Other investments are included at the trustee's best estimate of market value.

THE CARROLL-MARX CHARITABLE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS – contd.
For the year ended 31st December 2024

Creditors

Creditors are amounts owed by the trust. They are measured at the amount that the trust expects to have to pay to settle the debt.

Investment income

Investment income is included on a receipts basis.

Interest

Interest is included on a receipts basis.

Expenditure on charitable activities

Costs directly incurred on delivering charitable objectives, such as donations are included on an accrual basis.

Governance costs

Governance costs include trustee fees, independent examiner's fees and other administering costs. All such costs are recognised on an accrual basis.

Raising funds expenditure

Costs of raising funds relate solely to the management of Trust's investment portfolio and are included on accrual basis.

Taxation

The Trust is exempt from corporation tax on its charitable activities.

Market values are based on unadjusted quoted prices in an active market – Level I in the fair value hierarchy.

5. INVESTMENT RISK

The main form of risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, volatility in yield and the attitude of the trustee to investment risk. The trust is reliant on dividend yield in part to finance its work, however, as investments are held in sterling, the trust is not exposed to exchange rate risk. The trust manages investment risk by retaining an investment manager and operating an investment policy. The trust does not make use of derivatives and similar complex financial instruments as the trustees view is that investments are held for their longer term yield total return and that any volatility over a long term period is usually corrected.

9. TRANSACTIONS WITH RELATED PARTIES

For the year ended 31 December 2024, amounts totalling £14,411 (2023: £14,967) were invoiced by Sequent (U.K.) Limited for the provision of Trustee and Administration services. Amounts totalling £nil (2023: £569) were outstanding at the year-end.

The Trustee did not receive any further remuneration or expenses during the year.

10. STAFF COSTS

The Trust had no employees during the financial year ended 31 December 2024. Accordingly there were no staff costs incurred, and no employee received emoluments exceeding £60,000.

11. TAXATION

The Trust is exempt from taxation on income and gains falling within sections 466 to 493 of the Corporation Tax Act 2010, to the extent that such income and gains are applied to charitable purposes. In accordance with the Charities SORP (FRS 102) and the Charities Act 2011, no provision for taxation is required in the financial statements.
