The Charity is a relief in need Charity and its area of benefit covers the Parish of Gorleston in Great Yarmouth. The Charity's aims are to provide relief to those in need in the parish taking into account any statutory and other benefits and assistance available.

In 2023, the Charity's annual income amounted to £50,560.27 which accrued from interest on its investments with the Equities Investment Fund for Charities and a withdrawal of the Charities Treasury Stock investment which equated to £27,544.79. The Charity has no full or part time employees, with the Secretary and Independent Examiner receiving Honoria in recognition of their services, these remained unchanged from the previous year.

2023 has again been an extremely quiet year for requests for the Charity. The Government Request for Assistance scheme also continues which provides an alternative funding opportunity for professionals to request assistance for residents in need and is managed by Norfolk County Council.

Basis Of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements

 - b. To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act.have not been met; or
2. To which, in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached.
