MILLINGTONS CHARITY

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees present their annual report together with the financial statements of the Charity for the period from 1 January 2024 to 31 December 2024.

Objectives and activities

a. Policies and objectives

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

The charity is governed by a Charity Commission Scheme dated 12 April 1988. In accordance with the bequest and Trust of Mr James Millington, Millington's Charity and the scheme, the Trustees shall apply the income of the charity in one or both of the following ways:

- (a) for the benefit of the residents in the almshouse of the charity or any of them in such manner as the Trustees think fit from time to time; and
- (b) in promoting the education of beneficiaries.

b. Strategies for achieving objectives

The charity continues to provide almshouse apartments for 35 residents in 33 units, with one apartment currently vacant. During the year the charity continued to refurbish and upgrade apartments as they became vacant, before new residencies are offered. The grounds and environs are maintained to a high standard.

c. Main activities undertaken to further the Charity's purposes for the public benefit

The main activity of the charity is to provide residential almshouse accommodation with a wardening and emergency call out service for those in need. The charity also provides educational grants to students under the age of 25 in further education.

Achievements and performance

a. Review of activities

The charity has rented out 33 units in the year at near full capacity. During the year the charity continued to concentrate on maintaining the properties and surrounding areas to the highest standards

b. Investment policy and performance

The trustees have adopted a low risk policy to investment. Investments are with the COIF Charities Investment Fund, Quilter and M&G Investments.

After much research and consideration the trustees invested £80,871 in Photovoltaic cells in 2011 and have seen a 16.15% return on this investment during 2024 (2023: 16.45%). The investment is being written off over a 20 year period.

MILLINGTONS CHARITY

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Financial review

a. Going concern

The Trustees will again set a balanced budget in 2025 where expenditure on operating and improvements will be met by the annual income. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

b. Reserves policy

The charity has designated funds of £175,000 (2023: £175,000) set aside for future repairs.

The free reserves of the charity are calculated as the unrestricted reserves of £891,287 less designated funds, fixed assets, ERF investments and the solar panels and amount to £106,364: (2023: £110,878). The Trustees are satisfied that the total funds held can cover all foreseen contingencies. Total reserves are £1,493,414 (2023: £1,341,768).

Structure, governance and management

a. Constitution

Millingtons Charity is a registered charity, number 213371, and is constituted under a Trust deed.

The principal object of the charity is to provide almshouses with on site warden assistance to the residents.

There have been no changes in the objectives since the last annual report

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

c. Financial risk management

The Trustees meet on a quarterly basis where careful consideration is given to any matters arising. They consider financial risk in light of the current economic climate and have made careful decisions regarding their cash deposits. They receive reports from the clerk and warden regarding work carried out in the period on the accommodation and consider whether this raises any risks regarding future events.

Plans for future periods

The charity will continue to ensure the properties and surrounding areas are maintained to the highest of standards ensuring sufficient resource is expended. As properties become vacant a refurbishment policy will be followed before new residents take up occupancy.

MILLINGTONS CHARITY

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Daphne Capps.

Mrs D Capps
(Chair of Trustees)

Date: 3 April 2025

MILLINGTONS CHARITY

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024**

Independent examiner's report to the Trustees of Millingtons Charity ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2024.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

MILLINGTONS CHARITY

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024**

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

MILLINGTONS CHARITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

Millingtons Charity is a registered charity, number 213371, and is constituted under a trust deed.

The principal object of the charity is to provide almshouses with onsite warden assistance to the residents.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Millingtons Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

MILLINGTONS CHARITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.3 Expenditure (continued)

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	-	25%
Storage heaters	-	10%
Housing properties	-	2%

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the statement of financial activities.

Investments held as fixed assets are shown at cost less provision for impairment. On an annual basis the solar panels are depreciated on a straight line basis of 5% of cost.

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

MILLINGTONS CHARITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Endowment funds have restricted capital, not being available for distribution. Any capital appreciation is reinvested in order to generate increased income. Any income generated is distributed to charitable expenditure.

2.11 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

MILLINGTONS CHARITY

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

17. Statement of funds (continued)

Extraordinary Repair Fund

Designated fund for the purpose of providing the extraordinary repair, improvement on rebuilding of the almshouses belonging to the Charity.

Cyclical Maintenance Fund

Designated fund for the purpose of providing for those items of ordinary maintenance and repair of the almshouses belonging to the Charity which recur at infrequent intervals.

Endowment Funds

The capital reserve fund represents the investments held by the Charity for the purpose of carrying out the charitable objectives of the Charity.

Restricted Fund

The restricted fund represents a Government grant to replace existing storage heaters with new High Heat Storage Heaters. During the year all of the replacements have been made

19. Pension commitments

The Charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the Charity in an independently administered fund. The pension cost charge represents contributions payable by the Charity to the fund and amounted to £1,663 (2023- £1,337). Contributions totalling £139 (2023 £109) were payable to the fund at the balance sheet date and are included in creditors.

20. Related party transactions

The Charity has not entered into any related party transaction during the year, nor are there any outstanding balances owing between related parties and the Charity at 31 December 2024.
