### **Trustee's Report For the year ended 31 March 2025**

---

The Trustees of Brunts Charity present their report and the audited financial statements of the Charity for the year ended 31 March 2025.

#### **Trustees**

The Trustees who have served during the year were as follows:

#### **Co-optative Trustees**

D Undy \* - Chair of Brunts Charity  
S Higgins \* - Vice Chair of Brunts Charity  
M Sage \* - Trustee  
J Benson - Trustee  
R Bottomley - Trustee  
I Jackson - Trustee

#### **Representative Trustees**

Cllr S Garner (Nottinghamshire County Council Representative)  
Cllr T Clay (Mansfield District Council)  
Cllr J Coxhead (Mansfield District Council)  
Cllr P Henshaw (Mansfield District Council)

#### **Senior Management**

L P Williams \* - Chief Executive Officer  
A Hopkinson \* - Operations Director  
M Jowett - Administrative Executive

\* Delegated Senior Management Team appointed to deal with day-to-day operational matters on behalf of the Board of Trustees.

#### **Review of the business**

The Brunts Charity, was founded back in 1711 under the will of Mr Samuel Brunts, which appointed Guardians to manage his estates and carry out his bequests which at the time were to provide financial assistance for the education of poor children and pay regular sums to elderly poor persons within the Borough of Mansfield and further maintain property repairs and collection of its Nottinghamshire rents.

During 1884, agitation was made by inhabitants of Mansfield for a new scheme. The Charity Commission were applied to, and the first proposition made by them was to strike off all pensioners, until a new scheme could be drafted. However, the Guardians at the time, could not agree to that and a compromise was made where existing pensioners remained, but no new ones were added. Between 1884 to 1893, the number of pensioners reduced by death and other causes from 450 to 160.

In 1891 a new scheme was adopted, including funds given to Brunts Guardians, under the will of Charles Thompson, where the Charity then provided two and a half acres of land and £6,000 towards the building of school premises, called The Brunts Technical School. A further contribution of two and a half acres of land were additionally provided where a girls school was erected in connection with The Queen Elizabeth's Endowed Grammar School (now Queen Elizabeth's Academy).

## **BRUNTS CHARITY**

### **Trustees' Report for the year ended 31 March 2025**

---

By 1895, Guardians were further appointed to the scheme which consisted of eight representative and five Co-optative members, and in 1911, with yearly income increasing, Trustees were able to support over 558 elderly persons and provided £1,000 a year to the Governors of The Brunts Grammar School (now Brunts Academy). In 1948 The Charity Commission agreed that the Guardians Committee should cease to exist on the coming of The National Assistance Act 1948.

By 1950, eleven new Trustees were appointed to the Brunts Charity and by 1958 the Charity scheme had evolved to include the management of lands (allotments), leases (property) and the provision for repair and insurance. The charity also paid out sums of money, initially £1 (now £120) to The John Fletcher Congregation (now the Unitarian Chapel), £1,000 to the Governors of The Brunts Grammar School (now Brunts Academy) and residual income, not to exceed £1,000 in any one year (via Governors of The Charity Commission) for the general benefit of the poor. This would have covered items such as grants for bedding, clothing, food, furniture, a weekly allowance or gifts in money to reduce sickness, infirmity or distress. Additionally, payments could be made to almshouses and other charitable institutions or organisations who had similar objects that would benefit the poor in the area, such as subscriptions to homes, hostels for the residents or care of the old, infirm or homeless.

The Brunts Charity number 213407 was formally registered via The Charity Commission dated, 29 November 1962 and amalgamated the Charity, formally known as John Greenwood (235191) into Brunts Charity (213407).

By 1963 the Charity scheme records the introduction of almshouses, with properties being purchased, and it is from here that the Charity's main purpose was established, to provide low-cost accommodation and facilities to the older generation in need within the Mansfield District. Specific note was made that the Charity Trustees should apply income of the Charity for the benefit of the residents in such manner as the Trustees think fit and that almshouses should be provided to those in need of good character and residing in the Borough of Mansfield.

Since the Charity was constituted on 8 July 1958, and the inception of the Charity becoming an Almshouse Charity, there have been numerous revisions, updating the scheme. However, the scheme objects and designation remains the same to this day.

The inception of the Charity came under the Charitable Trust Acts of 1853 and is regulated by the current Scheme of the Charity Commissioner's dated 10 May 2007.

#### **Objectives and strategies for achieving those objectives**

Historically, the Charity aided the community in meeting the Governor's share of the cost of building the first two phases of the new Brunts School (now Brunts Academy), prior to it being placed under the County Educational System. In 1977, with the agreement of the Charity Commission, Brunts Charity became the custodians of John Greenwood Charity, and six new almshouses were erected in 1978 to replace Greenwood's old almshouses. It is during this period that the Charity became officially registered as a Housing Association.

Today the Charity continues to carry out the original bequests of Samuel Brunts in continuing its charitable objects, which provides 153 almshouses across two geographical sites, with additional community hub facilities, open spaces, welfare support and safeguarding assurance within an independent living environment. This is provided for those fulfilling the charitable criteria, which is to older people over 60 years (55 with severe medical or disability issues) residing (or having an association) within Mansfield and District and who are on low income means or have complex medical issues.

In addition to its core function, the Charity continues to make annual payments to both Mansfield Educational Foundation and The Old Meeting House (Unitarian Chapel) and provides wider one-off grants, pensions and other support to older people within the community identified within the scope of the Scheme.

## BRUNTS CHARITY

### Trustees' Report for the year ended 31 March 2025

---

#### Principal risks and uncertainties

The Trustees have overall responsibility for establishing and maintaining the whole system of internal control and for reviewing its effectiveness.

The Trustees recognise that no system of internal control can provide absolute assurance or eliminate all risk. The system of internal control is designed to manage risk and to provide reasonable assurance that key business objectives and expected outcomes will be achieved. It also exists to give reasonable assurance about the preparation and reliability of financial and operational information and the safeguarding of the Charity's assets and interests. The Charity relies on income from property and its investment portfolio and hence performance in these areas is considered key to furthering the Charity's objectives.

#### Main trends and factors underlying the development and performance and position of the Charity

Arising out of the proceeds from the sale of considerable amounts of land and property owned by the Charity in Nottingham, Mansfield and other parts of the County by Compulsory Purchase Orders in 1963, the proceeds from these sales were invested to provide for the provision and maintenance of almshouses for older, in-need persons from within the old Borough of Mansfield.

At this present time, there are 153 units of almshouse accommodation belonging to the Charity situated as follows:

Champion Crescent/Westfield Lane	40 Almshouses
Samuel Close	18 Almshouses
The Patchills, off Eakring Road	50 Almshouses
John Greenwood – The Patchills	6 Almshouses
The Patchills, off Eakring Road	25 Flats
The Patchills, off Eakring Road	14 Two bedroomed semi-detached bungalows

The Charity continues to retain land at Balmoral Drive (2.2 acres) which is currently under offer for sale and the funds acquired will be invested to provide future returns to support the Charity's activities.

#### Analysis using financial and non-financial key performance indicators

The Charity presents its annual report in accordance with the requirements of FRS 102.

The income of the Charity is derived from its portfolio of managed investments and from six owned commercial retail properties sited at Brunts Chambers on Toothill Lane and Leeming Street, Mansfield.

Other income is derived from Bank and Building Society Accounts and short term money market bonds, together with a grant from Nottinghamshire County Council towards the day to day running of the Champion Crescent Community Centre, which is used internally and externally for the social well-being of the older generation.

Additional income is derived from residents' weekly maintenance contributions that support the running, repair and maintenance of properties and estates, and a small income from the Patchills and Champion Crescent Community Centres, through room rental and the use of facilities.

The Charity maintains its almshouses to a very high standard from the heavily subsidised weekly maintenance charges imposed and expenditure is strictly controlled to ensure the Charity operates within its financial means and therefore does not put itself at risk.

The Charity, through strict financial management controls, feels it operates sufficiently using its existing income streams and therefore does not envisage having to enlist the services of a professional fund raiser in the foreseeable future.

## BRUNTS CHARITY

### Trustees' Report for the year ended 31 March 2025

---

The Charity had an operating deficit for the year of £82,000 after depreciation (2024: £159,000), excluding unrealised investment movements and interest. This result includes provision for the Charity's current pension deficit, as shown in note 14 to the financial statements.

Income from contributions from residents increased from £647,000 in 2024 to £694,000 in 2025.

Other income reduced during the year to £306,000 (2024: £358,000).

Operating costs reduced to £1,082,000 (2024: £1,164,000).

An annual grant of £1,000 continues to be paid to the Brunts School (now Brunts Academy) via the Mansfield Educational Foundation, as does a yearly grant of £120 to the Unitarian Chapel Wardens.

During the year to 31 March 2025, a total of £26,039 (2024: £23,532) was paid out in the form of other grants.

After taking account of gains and losses on investment assets there was a reduction in funds of £77,000 for the year. This represented an increase of £8,000 on Restricted Funds, a reduction of £98,000 in Unrestricted Funds, including a transfer of £302,000 from Endowment funds, and an increase of £13,000 on Endowment funds, after the transfer and unrealised investment movements in the year.

The movement in funds represents a reduction in the level of net current assets of £952,000 when compared to 2024 and a reduction of £77,000 in the level of net assets.

Total funds at 31 March 2025 were £16,229,000 of which £9,858,000 were unrestricted. The fund balances include £7,931,000 represented by unrealised gains on investments.

In the opinion of the Trustees the net assets of the Charity of £16,229,000 at 31 March 2025 are adequate and available to fulfil the obligations of the Charity including all known commitments.

#### Future Prospects

Brunts Charity Trustees are pleased to report on another successful year as the Charity continues to commit towards its strategic vision in consolidating, developing and expanding the Charity's infrastructure and service delivered to the older generation within Mansfield and district.

The Charity continues to provide considerable investment in its properties. In 2024-25 the Trustees approved a £2,000,000+ spend focusing on improving the infrastructure and facilities at The Patchills Centre, including renewal of the central heating system, adding temperature controlled zones, solar energy panels, newly refurbished toilet facilities catering for all visitors to the site, adding a new entrance-way orangery to improve access and security to the building, especially at weekends.

At the Brunts Chambers building (grade II listed) the Charity received a Townscape Heritage grant of £320,000 towards improving the front of the properties (34, 36, 38, 40 and 42 Leeming Street and 2, 4 and 6 Toothill Lane). In addition to this, three new flats have been added with the first and second floors of 38 and 40 Leeming Street, and the roof, chimneys and rear sash windows have been completely refurbished, including all external pipework and guttering. This investment will ensure the premises are fit for purpose going forward and that they are utilised to their full capacity to bring in important sustainable income to enable the Charity to meet its charitable objectives. The Charity has also continued with two major rolling projects involving the installation of new walk-in bathrooms and kitchens within all bungalows across all sites, and replacement roofing and insulation for the 19 bungalows at Samuel Close.

Looking ahead, the Trustees continue to advance the sale of land at Balmoral Drive, where an investor acting on behalf of another housing charity has signed a contract with Brunts Charity and is currently applying for full planning endorsement to build social housing on this site.

## **BRUNTS CHARITY**

### **Trustees' Report for the year ended 31 March 2025**

---

Additionally, the Charity is conducting its own due diligence through land surveys, ground exploration and ecological surveys towards hopefully purchasing land adjacent to the Patchills estate and, should these be favourable, the Charity's aim is to purchase this site as a land bank so that, in the future, the Charity can expand its older person housing capability which is identified as a necessity as demand grows for almshouses as the older generation are living longer.

The Charity additionally continues to meet its other charitable objectives in providing grants and pensions to the older generation within the wider community and the Charity has partnered with several other local charitable groups to expand its outreach (via marketing and promotions) so that the Charity can target those individuals most in need and who can be assisted via the Charity scheme.

The Charity continues to partner with The Patchills Pantry who provide low-cost, nutritious meals to residents and the wider older generation within the geographical area. This joint service is a life-line to so many vulnerable people and both The Patchills Centre and the Champion Crescent Centre offer central hubs where staff continue to provide coffee mornings, craft sessions, monthly themed events and annual fairs to encourage individual health and well-being through social engagement, which in turn aids the prevention of social exclusion and isolation.

In summary, the Trustees are proud of the Charity's record to date, developing and offering support within the community. The Charity conducts its affairs to the highest standards and the Trustees work closely with Senior Management in applying in applying solid governance and compliance. The Trustees are reviewing the Charitable Scheme documents via a working group to ensure the Charity remains current and acts within the legal framework of its charitable objectives.

As a registered social housing provider, the Charity has adopted best-practice standards in terms of complaints procedures and is now complying with the Housing Ombudsman in ensuring the Trustees fulfil their obligations towards providing low-cost quality homes and services to beneficiaries in dealing with both timely service requests and complaints, as the Trustees pride themselves in maintaining high standards as custodians of Brunts Charity.

#### **Assessment of how the Charity is achieving value for money**

The Charity will continue to deliver its core business, providing low cost accommodation and supporting its older beneficiaries through the delivery of a support infrastructure, such as community facilities, which offers essential safeguarding and well-being services at reduced costs. The Charity also offers one-off grants and pension opportunities to the older generation within the wider community of Mansfield and District that are eligible.

The Trustees and Senior Management Team operate strict control over expenditure, working with all stakeholders to maximise overall cost efficiency. The investment portfolio is carefully managed to ensure it generates adequate income streams within the acceptable risk profile and the Trustees achieve this through regular review of policies and updates on market performance from the investment managers.

#### **Code of governance**

The Charity's Scheme lists 11 Trustees made up from non-executive appointments with 4 representative councillors from the local authority and 7 Co-optative Trustees made up from volunteers within the community of Mansfield and District. In the year the Charity was Governed by 10 Trustees and is taking pro-active measures to recruit and appoint an additional Co-optative volunteer within the current financial year period.

The Trustees are able to draw from relevant broad experience in collective committee deliberations and operate within relevant and recommended governance and compliance frameworks, adopting a democratic process in decision making, covering the charitable objects.

## **BRUNTS CHARITY**

### **Trustees' Report for the year ended 31 March 2025**

---

The collective Board of Trustees, meet three times per year to discuss and agree matters of governance, compliance and financial authority and where operational updates are provided via the Senior Management Team.

The Trustees are collectively responsible for the competent management of the Charity in accordance with its objectives. The Board of Trustees, sub-delegates operational day-to-day running of the Charity via its Senior Management Team (SMT) which consists of the elected officers (The Chair, Vice Chair and one other appointed Trustee) and senior operational employed staff (The Chief Executive Officer (CEO) and Operations Director (OPSD)) who are provided with delegated, controlled authority to enable the efficient and effective running of the Charity day-to-day. The Board of Trustees additionally appoint both the Chair and Vice Chair persons to provide oversight in support of the CEO to manage its employed staff which currently consists of one Operations Director, one Administrative Executive, three Support Officers, one Welfare and Safeguarding Officer and two Housekeeping personnel in delivering its operational capabilities.

The SMT is additionally responsible for advising the Board of Trustees in defining and updating policies and procedures so that Trustees have sufficient information to prudently endorse and approve the Charity's affairs and strategic direction. The Charity conducts its activities with probity in such a way to balance its overall responsibility towards its residents and other beneficiaries with whom it deals and confirms that all the Trustees have paid due attention to the Charity Commission guidance on public benefit.

#### **Reference to Trustees' annual review of internal control**

In meeting its responsibilities, the Trustees have adopted a risk-based approach to internal controls which are embedded within the normal management and governance process. This approach includes the regular evaluation of the nature and extent of risks to which the Charity is exposed and is consistent with the principles as incorporated in the Internal Financial Controls for Charities guidance (CC8).

The process adopted by the Trustees in reviewing the effectiveness of the system of internal control, together with some of the key elements of the control framework includes:

- A Senior Management Team (SMT) made up of the Chair, Vice Chair, one nominated Trustee and two senior personnel responsible for ensuring that the decisions made by the Trustees in relation to internal control and corporate governance are acted upon and are effective. Operational decisions are made by the SMT in the periods between Trustees' meetings, reporting back to the Board of Trustees every four months for scrutiny, assurance and audit purposes.
- Comprehensive management information is presented to the Trustees and the Management Committee. This includes annual budgets and detailed quarterly accounts prepared by the Charity's accountants for board review and approval.
- A system of appointed working groups, made up from delegated Trustees and Senior Operational management to look at specific governance, compliance issues and identified projects as identified via the Board of Trustees.

#### **Public benefit statement**

The Trustees have reviewed the Charity's activities and satisfied themselves that suitable public benefit is provided in pursuit of those charitable activities.

#### **Trustees' responsibilities**

The Trustees are responsible for preparing the report and financial statements in accordance with applicable law and regulations.

## BRUNTS CHARITY

### Trustees' Report for the year ended 31 March 2025

The Charities Act 2011 and registered social housing legislation require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its income and expenditure for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable it to ensure that the financial statements comply with the Charities Act 2011, the Housing and Regeneration Act 2008, the Statement of Recommended Practice for Social Housing Providers 2022 (plus Housing SORP guidance 2022) and the Accounting Direction for Private Registered Providers of Social Housing in England 2019. They have general responsibility for taking reasonable steps to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

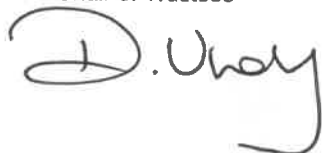

#### Disclosure of information to the auditors

The Trustees of the Charity who held office at the date of approval of these financial statements as set out above each confirm, so far as they are aware, that:

- there is no relevant audit information of which the Charity's auditors are unaware; and
- they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that

The Trustees' report was approved by the Trustees on 10 July 2025 and signed on their behalf by

**D Undy**  
Chair of Trustees

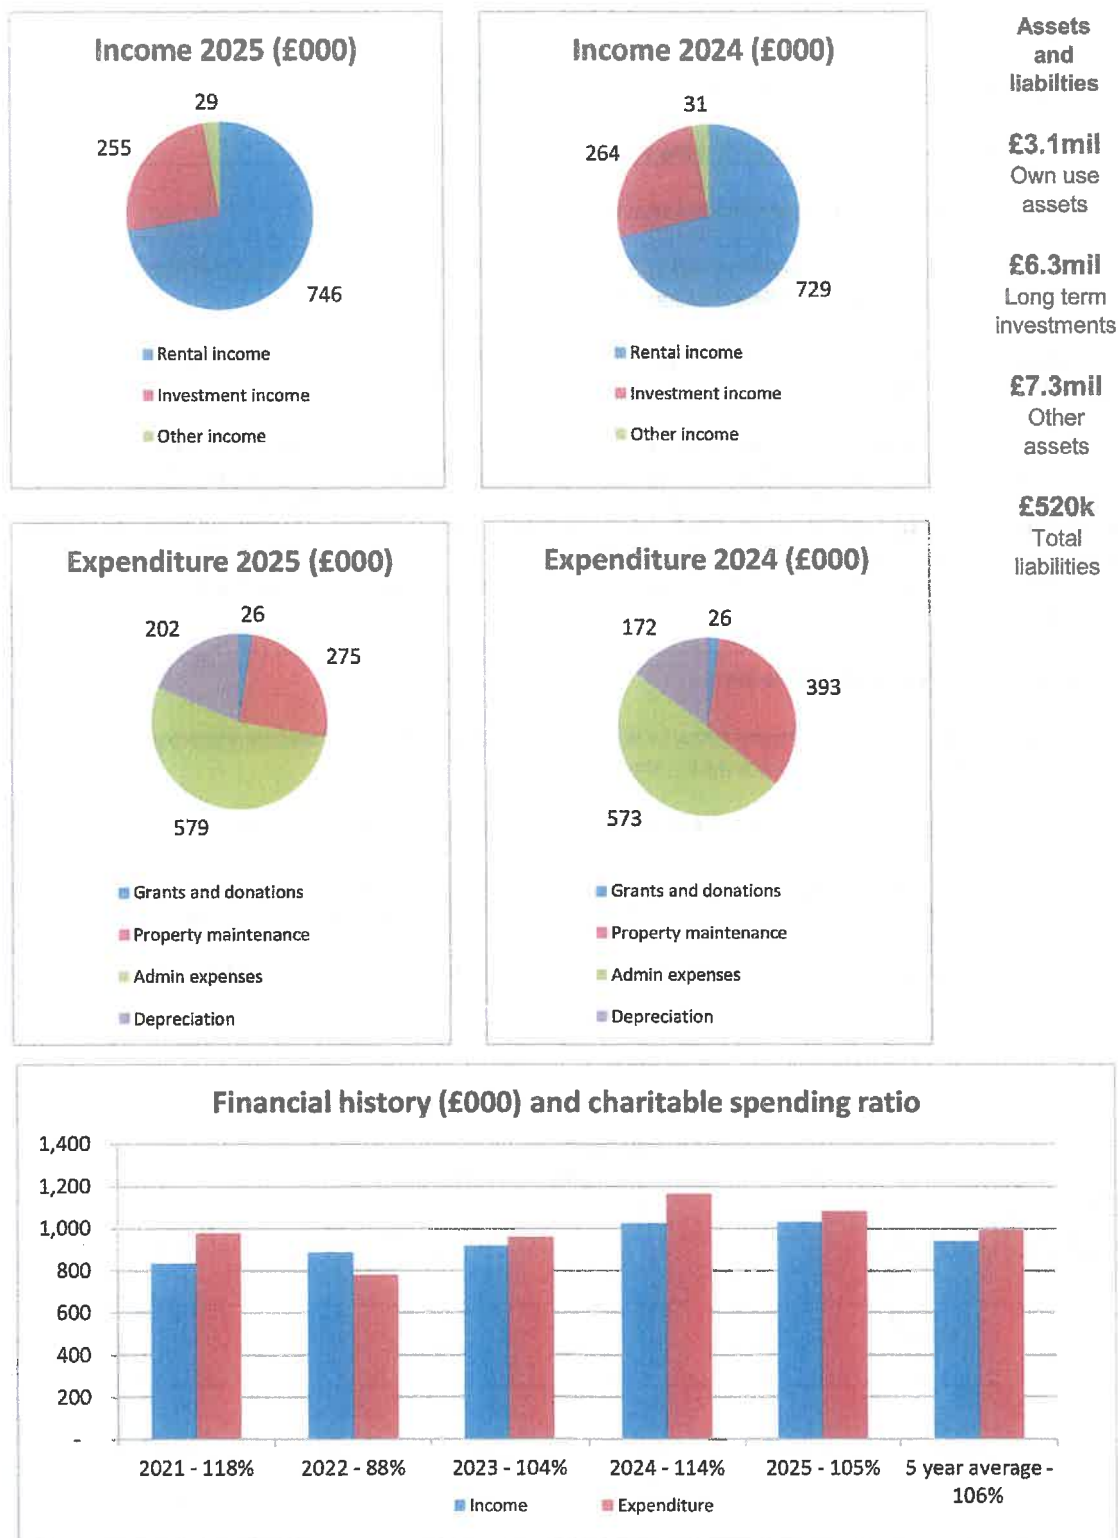

**S Higgins**  
Vice Chair of Trustees

**BRUNTS CHARITY**  
**Trustees' Report**  
**for the year ended 31 March 2025**

The recent performance of the Charity can be summarised as follows:

## **BRUNTS CHARITY**

### **Independent Auditor's Report to the Trustees of Brunts Charity for the year ended 31 March 2025**

---

#### **Opinion**

We have audited the financial statements of Brunts Charity for the year ended 31 March 2025 which comprise The Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Reserves, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the Charity's affairs as at 31 March 2025, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing in England 2022.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The Trustees are responsible for the other information. The other information comprises the information included in the annual Trustees' report; we do not express any form of assurance conclusion thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **BRUNTS CHARITY**

### **Independent Auditor's Report to the Trustees of Brunts Charity for the year ended 31 March 2025**

---

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

In addition, we have nothing to report in respect of the following matter where the Housing and Regeneration Act 2008 requires us to report to you if, in our opinion:

- a satisfaction system of control over transactions has not been maintained.

#### **Responsibilities of the board**

As explained more fully in the Trustees' responsibilities statement, set out on page 8, the Trustees (who are the Trustees of the Charity for the purposes of charity law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and section 136 of the Housing and Regeneration Act 2008 and report in accordance with regulations made under section 154 of the Charities Act 2011 and section 137 of the Housing and Regeneration Act 2008.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

## BRUNTS CHARITY

### Independent Auditor's Report to the Trustees of Brunts Charity for the year ended 31 March 2025

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

As part of our planning process:

- We enquired of management regarding the systems and controls the Charity has in place, the areas of the financial statements that are mostly susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud. The Charity did not inform us of any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the Charity. We determined that the following were most relevant: FRS 102, the Charities Act 2011, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing in England 2022.
- We considered the incentives and opportunities that exist in the Charity, including the extent of management bias, which present a potential for irregularities and fraud to be perpetuated, and tailored our risk assessment accordingly.
- Using our knowledge of the Charity, together with the discussions held with the Charity at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to this risk assessment.

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Identifying and testing journal entries and the overall accounting records, in particular those that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by management in their significant accounting estimates, in particular in relation to the valuation of investments and depreciation.
- Performing a physical verification of key assets.
- Obtaining third-party confirmation of material bank balances and investment values.
- Reviewing documentation such as the Charity board minutes, correspondence with solicitors, for discussions of irregularities including fraud.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with the Trustees.

## **BRUNTS CHARITY**

### **Independent Auditor's Report to the Trustees of Brunts Charity for the year ended 31 March 2025**

---

These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **Use of our report**

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008 and section 137 of the Housing and Regeneration Act 2008. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in our auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## BRUNTS CHARITY

### Notes to the Financial Statements for the year ended 31 March 2025

---

#### 1. Summary of significant accounting policies

##### a. General information and basis of preparation

Brunts Charity is a registered charity and a private registered provider of social housing in the United Kingdom. The address of the registered office is given in the Charity information on page 1 of these financial statements. The nature of the Charity's operations and principal activities are the provision and maintenance of almshouses for elderly poor persons from within the old Borough of Mansfield.

The Charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102 "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" (FRS 102), the Statement of Recommended Practice for Social Housing Providers 2018, and with the Accounting Direction for Private Registered Providers of Social Housing in England 2022. The financial statements are also prepared under the requirements of the Housing and Regeneration Act 2008 and the Charities Act 2011.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling, which is the functional currency of the Charity, and rounded to the nearest £000.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### b. Going concern

Changes in general economic conditions have resulted in significant changes in the values of the Charity's investments during recent years.

On the basis of their assessment of the Charity's financial position, the trustees have a reasonable expectation that the Charity will be able to continue in operational existence for the foreseeable future. Hence, the trustees believe it is appropriate to adopt the going concern basis of preparation of the financial statements.

##### c. Tangible fixed assets

Tangible fixed assets (including social housing properties) are stated at cost less social housing grant, accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended such as the cost of acquiring land and buildings, developments costs, interest charges on loans during the development period and expenditure on improvements. Expenditure on improvements will only be capitalised when it results in incremental future benefits such as increasing rental income, reducing maintenance costs or resulting in a significant extension of the useful economic life of the property.

Depreciation is provided on all relevant tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Housing properties	Straight line over 33 to 50 years
Almshouses improvements	Straight line over 10 to 25 years

The useful economic lives of all tangible fixed assets are reviewed annually.

## BRUNTS CHARITY

### Notes to the Financial Statements for the year ended 31 March 2025

---

#### 1. Summary of significant accounting policies (continued)

##### d. Investment properties

Investment properties have a readily assessable market value and thus the fair value can be measured reliably. These properties are therefore measured at fair value at each reporting date with changes in fair value recognised in the statement of comprehensive income. Land obtained speculatively is accounted for as investment property. Properties rented to provide social housing are not investment properties.

##### e. Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income in other administrative expenses.

##### f. Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value through the statement of comprehensive income if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

##### g. Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. The level at which an impairment is assessed is considered on a property by property basis.

If such indication exists, the recoverable amount is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in expenditure through the statement of comprehensive income.

The following key judgement has been made in estimating the recoverable amount:

- Assessment of void periods and maintenance requirements.

The estimation technique used in measuring the recoverable amount is based upon comparison to the open market. The method used to calculate value in use in respect of service potential to estimate the recoverable amount is based upon future earning potential. The key assumption made in calculating this value is:

- Property will remain occupied at similar levels in the future.

##### h. Provisions

Provisions are recognised when the Charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

Provisions for cyclical maintenance or major works to existing stock are not made unless they represent commitments or obligations at the balance sheet date where there is no discretion to avoid or delay the expenditure.

## **BRUNTS CHARITY**

### **Notes to the Financial Statements for the year ended 31 March 2025**

---

#### **1. Summary of significant accounting policies (continued)**

##### **i. Taxation**

The Charity is not liable to direct taxation.

The activities of the Charity are exempt from VAT.

##### **j. Turnover and other income**

Turnover is measured at the fair value of the consideration received or receivable. The policies adopted for the recognition of turnover are as follows:

Turnover represents rental and service charges income receivable in the year net of rent and service charge losses from voids, revenue grants from the government (local authorities) and the Homes and Communities Agency.

Interest income is recognised using the effective interest method and dividend income is recognised as the Charity's right to receive payment is established.

##### **k. Government grants**

A grant from Nottinghamshire County Council is received in respect of county welfare.

Grants received as a contribution to revenue expenditure are recognised in the statement of comprehensive income on a systematic basis over the period in which the landlord recognises the related costs for which the grant is intended to compensate. The related expenditure is included under operating expenses. Grants are recognised in the same period as the related expenditure provided the conditions for receipt have been satisfied and there is reasonable assurance that the grant will be received.

##### **l. Employee benefits**

When employees have rendered service to the Charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The Charity operates a defined benefit plan for the benefit of its employees. Further disclosure of this scheme can be seen in Note 14 of these financial statements.

##### **m. Restricted and endowment reserves**

Restricted and endowment reserves are those reserves which are only expendable in accordance with the wishes of the funder. Restricted reserves include funds from specific legacies. Endowment funds represent those assets which must be held permanently, principally properties. Revenue and expenditure is taken through the statement of comprehensive income and then a transfer between reserves is made as appropriate.

## BRUNTS CHARITY

### Notes to the Financial Statements for the year ended 31 March 2025

#### 1. Summary of significant accounting policies (continued)

##### n. Judgements in applying accounting policies and key sources of estimation uncertainty

Preparation of the financial statements requires the Trustees to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made

##### Depreciation of tangible fixed assets

Determining the appropriate rate of depreciation of tangible fixed assets requires an estimation of the useful economic life and ultimate net realisable value. The useful economic life is determined to be the period during which each asset will generate positive cash flows for the Charity.

##### Valuations of investments

Investments are valued at market value at the balance sheet date. The value of listed investments is determined by reference to the quoted price for identical assets in an active market. Investment properties are valued by the Trustees and involve the use of judgement regarding the state of the local property market.

##### Valuation of defined benefit scheme assets and liabilities

Because of the degree of estimation involved in calculating the value of the defined benefit scheme assets and liabilities at the balance sheet date, reliance is placed on the pensions provider to calculate the Charity's share of the multi-employer fund to which the Charity's employees belong and provide the relevant disclosure for the financial statements.

#### 2. Social housing turnover and costs

	2025 £000	2024 £000
Rents receivable excluding service charges	694	647
Social housing activity expenditure	(763)	(847)
Operating (deficit) from social housing activities	<u>(69)</u>	<u>(200)</u>
Net (deficit) from social housing activities	<u>(69)</u>	<u>(200)</u>

(Gain) on fair value movement of investment property	-	(171)
Loss/(gain) on fair value movement of investments	<u>25</u>	<u>(747)</u>

### 6. Trustees remuneration and expenses

Trustees neither received nor waived any remuneration during the year (2024: £nil).

During the year 8 trustees (2024: 8) received expenses from the Charity totalling £1,905 (2024: £1,760).

### 7. Staff costs

The average number of employees, including members of the executive team, calculated on a full time equivalent was 9 (2024: 9).

The remuneration paid to key management personnel, including pension contributions, was £118,000 (2024: £108,000).

The full time equivalent number of staff who received remuneration (including employer pension contributions) greater than £60,000 was;

	<b>2025</b>	<b>2024</b>
	<b>Number</b>	<b>Number</b>
£80,001 to £90,000	-	1
£90,001 to £100,000	1	-
£100,001 to £110,000	-	1
£110,001 to £120,000	1	-

The Chief Executive Officer is a member of the Social Housing Pension Scheme. He is an ordinary member of the scheme and no enhanced or special terms apply. The Charity does not make any further contributions to an individual pension arrangement for the Chief Executive Officer.

The net book value of land and buildings comprised:		
Land and buildings:		
Freehold	<u>3,130</u>	<u>2,271</u>

9. Fixed asset investments	Investment properties £000	Listed investments £000	Other investments £000	Total £000
<b>Cost or valuation</b>				
At 1 April 2024	2,097	4,156	69	6,322
Additions	-	-	1	1
Revaluation	-	15	-	15
At 31 March 2025	<u>2,097</u>	<u>4,171</u>	<u>70</u>	<u>6,338</u>

Investment properties were valued on 30 October 2023 by Richard Watkinson & Partners, Chartered Surveyors. The Trustees believe that this valuation is still appropriate at 31 March 2025.

The fair value of listed investments is determined by reference to the quoted price for identical assets in an active market at the balance sheet date.

Other investments are measured at cost on the basis that they represent cash held on term deposit.

Investments shown as fixed assets require the Charity Commission's approval before they can be appropriated to new funds. Should new projects be paid for out of these investments, sufficient funds, equal to the amounts spent, have to be set aside out of accumulated income.

## 13 Reserves

### Income and expenditure reserve

The income and expenditure reserve represents cumulative surpluses and deficits net of other adjustments and includes a designated fund, earmarked by the Trustees for the extraordinary repair and maintenance of the Almshouses. No material extraordinary repairs have been required during the year.

### Restricted and endowment reserves

The Ethel Wainwright fund is restricted in accordance with Ethel Wainwright's wishes to provide annual Christmas gifts to the Charity's residents.

The Russell Williams fund is restricted in accordance with Russell Williams' wish to provide the Charity with specific finance towards capital projects at the Trustees' discretion.

The endowed fund represents property held under endowment by the Charity to provide capital growth and general income to allow the Charity to meet its purpose.
