REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are as follows :

- a) Provision of allotments for the poor.
- b) Provision of almshouses for the needy.
- c) For the benefit of residents in the almshouses of the charity.
- d) To relieve either generally or individually needy persons resident in the area of benefit.

Activities

Housing owned by the Charity is maintained and rented, together with income generated from cash and investments so as to be assured that the long term objective can be met.

ACHIEVEMENT AND PERFORMANCE

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in Accounting Policies.

Review of activities

Incoming resources for the year amounted to £31,295 (2024 - £28,418). Resources expended amounted to £6,344 (2024 - £8,738). This has resulted in a surplus for the year of £24,951 (2024 - £19,680).

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

Investments are shown at market value at the date of the accounts.

FINANCIAL REVIEW

Reserves policy

The Trustees have reviewed the general reserves held by the charity and feel that they are not excessive. The trustees also feel that the general reserves should represent at least 1 month's expected general expenditure. The trustees continue to seek alternative investments for the charity, and are in consultation with Charity Commission. In the meantime, excess cash has been invested on long term deposits and an investment portfolio to realise the maximum interest available.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Under schemes established by the Charities Commissioners on 6 September 1910 and 27 February 1934, investment formerly administered as assets of "United Charities" were to be administered as assets of Kennington Parochial Charities.

Organisational structure

The Trustees of Kennington Parochial Charities are responsible for the general control and management of the administration of the charity. The Board of Trustees is made up of six members, one of whom must be a vicar, two of which are appointed by the Council, and the remaining two are voted for by the Board of Trustees.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
