(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2022.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document <small>(e.g. trust deed, trust instrument)</small>	Scheme
How the charity is constituted <small>(e.g. trust, association, company)</small>	Scheme regulated by the Charity Commission
Trustee selection methods <small>(e.g. appointed by, elected by)</small>	Up to ten trustees Two ex-officio, being the vicar of St Mary's Westham and the vicar of St Nicholas Pevensey Five nominated trustees from the parish councils of Westham (2), Pevensey (2) and Hailsham (1) Three co-opted trustees

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Charity consists of a board of Trustees, who generally meet 6 times a year. Safety of residents, repair and maintenance issues and review of the finances of the Charity are standing items discussed at each meeting of the Trustees.

The Trustees pursued plans relating to the forecourt in front of the six Almshouses in Rattle Road, Westham, with a view to improving the access, particularly for wheelchair and mobility scooter users and improve the safety of the area, whilst also improving its aesthetic look. Whilst planning consent has been obtained, the cost of such improvements has proved to be prohibitively expensive.

One of our properties, which was vacated in July 2021, was refurbished as part of the process of continuous improvement. A new resident was appointed and moved in during July 2022. The appointment of a new resident, the first for over six years, allowed the Trustees to update their policies on recruitment of new Almshouse residents.

In 2020 the Trustees took the decision in principle to incorporate the charitable trust into a Charitable Incorporated Organisation. This was completed on 31st December 2022 and beneficial ownership of the business and assets of the Charity were transferred to Hospital of St. John the Baptist CIO (CIO) from that date. There is one asset which is personal to the trustees of the Charity and could not be transferred to the CIO, namely overage rights over land previously owned by the Trustees. The Charity has agreed to hold such rights in trust for the CIO and will

therefore continue as a dormant entity until either a payment is received in relation to such rights or the overage rights expire.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides almshouses to poor persons of good character who are not less than 60 years of age and who are resident in the area comprising the ancient parishes of Westham and Pevensey and the Ancient Liberty of Pevensey in the parish of Hailsham.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Charity's main activity is the provision and management of its eight almshouses.

The Charity is a comparatively small charity and relies on the voluntary work of the Trustees to ensure the almshouses are maintained to a high standard and the residents are safe and comfortable. Tradesmen used for the maintenance and repair of the almshouses are either long term suppliers to the Charity or are vetted prior to appointment, and their work and approach to the residents constantly monitored. There was a major step-up in maintenance activity. In addition to a complete refurbishment of the Almshouse which was vacated in 2021, many of the Almshouses required replacement doors, windows and kitchens. The amount spent on repairs and renewals in the year under review was £20,788 as against the previous year's spending of £5,208.

The Charity has been attentive to the needs of its residents, the Trustees personally conducting at least annual checks on the state of the Almshouses in addition to ensuring the necessary statutory checks are completed.

The Trustees consider that all the properties are in good condition and fit for purpose.

The Trustees declare that they have regard to the guidance issued by the Charity Commission on public benefit and consider the funds spent and actions taken have met the objects of the Charity and meet the public benefit criteria.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Charity is dependent on the voluntary services provided by the Trustees. The Trustees have identified that the board would be strengthened by recruiting trustees with expertise in benefits and occupational therapy.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

From July 2022, all 8 Almshouses were occupied.

The Trustees stepped up the maintenance of the Almshouses, with a constant view to making the houses more accessible for elderly residents with increasing mobility issues. In addition, the insulation in the lofts of all the Almshouses was upgraded in an attempt to help residents use less fuel to keep their houses warm in the face of increasing fuel costs.

The Trustees consider that they are being more responsive to the needs of their residents and, with properties showing signs of age, are more willing to replace items such as windows and doors which are coming to the end of their useful life.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees have been using cash reserves built up to implement improvements to the properties. Reserves are invested in M&G Charity Multi Asset funds. The balance between cash and investments are reviewed annually.

Details of any funds materially in deficit

There are no funds in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity does not undertake external fundraising but relies on income and capital returns from its investments and a weekly maintenance contribution from its residents.

Spending on repairs and maintenance are seen as necessary to protect the well-being of the residents and to maintain the value of the almshouses, which is the Charity's main asset and the core of its charitable objects.

Plans for future major works on or around the Almshouses will be considered in the light of the benefit to the residents and the protection of the value of the properties.

Whilst maintenance issues, such as the replacement of doors and windows and refurbishment of kitchens and bathrooms has to date been dealt with on a reactive basis, the Trustees are planning to look at future spending on major items on a more pro-active basis, planning to upgrade all the Almshouses to a schedule over a period of time.

How the charity is constituted (eg. trust, association, company)	Scheme regulated by the Charity Commission
Trustee selection methods (eg. appointed by, elected by)	Up to ten trustees Two ex-officio, being the vicar of St Mary Westham and the vicar of St Nicholas Pevensey Five nominated trustees from the parish councils of Westham (2), Pevensey (2) and Hailsham (1) Three co-opted trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Charity consists of a board of Trustees, who met on three occasions in 2021, due to problems meeting during lockdown restrictions and difficulties with technology. Safety of residents, repair and maintenance issues and review of the finances of the Charity are standing items discussed at each meeting of the Trustees.

In 2020 the Trustees took the decision in principle to incorporate the charitable trust in to a Charitable Incorporated Organisation, and have agreed the form of the constitution. Due to Covid and other problems it has proved impossible to complete this during 2021. It is currently proposed that the incorporation of the charity will complete at the end of the current financial year.

The trustees have continued to consider the state of the forecourt in front of the six Almshouses in Rattle Road, Westham, with a view to improving the access, particularly for wheelchair and mobility scooter users and improve the safety of the area, whilst also improving its aesthetic look. The Trustees consider that such a product will add value to the properties. This project was put on hold during lockdown but plans have been approved by the Trustees and is currently and is currently in the planning process.

One of the properties was vacated in July 2021 and was refurbished as part of the process of continuous improvement. A new resident has been appointed and moved in during July 2022.

Two new trustees joined the board of Trustees in October 2021, and the board of Trustees continue to seek new trustees with expertise in benefits and occupational therapy to strengthen the board.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides almshouses to poor persons of good character who are not less than 60 years of age and who are resident in the area comprising the ancient parishes of Westham and Pevensey and the Ancient Liberty of Pevensey in the parish of Hailsham.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity's main activity is the provision and management of its eight almshouses.

The Charity is a comparatively small charity and relies on the voluntary work of the Trustees to ensure the almshouses are maintained to a high standard and the residents are safe and comfortable. Tradesmen used for the maintenance and repair of the almshouses are either long term suppliers to the Charity or are vetted prior to appointment, and their work and approach to the residents constantly monitored. The amount spent on repairs and renewals in the year under review was £5,023 as against the previous year's spending of £4,185.

The Charity has been attentive to the needs of its residents, the Trustees personally conducting at least annual checks on the state of the Almshouses in addition to ensuring the necessary statutory checks are completed.

The Trustees consider that all the properties are in good condition and fit for purpose.

The Trustees declare that they have regard to the guidance issued by the Charity Commission on public benefit and consider the funds spent and actions taken have met the objects of the Charity and meet the public benefit criteria.

Additional details of objectives and activities (Optional information)

The Charity is dependent on the voluntary services provided by the Trustees. The Trustees have identified that the board would be strengthened by recruiting trustees with expertise in benefits and occupational therapy and are actively trying to recruit such trustees.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Seven of the properties were occupied continuously throughout the year, with no changes in occupancy. The Trustees are satisfied that they have ensured the properties have remained in a good condition suitable for the residents.

As indicated in Section B, one of the Almshouses has become vacant in July and the trustees refurbished the property to make it more easily accessible for people with mobility issues.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees are looking at the possibility of making major improvements to the forecourt to the front of six of its almshouses in a single location. This will be paid for from reserves. Reserves are invested in M&G Charity Multi Asset funds. The balance between cash and investments is reviewed annually.

Details of any funds materially in deficit

There are no funds in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity does not undertake external fundraising, but relies on income and capital returns from its investments and a weekly maintenance contribution from its residents.

Spending on repairs and maintenance are seen as necessary to protect the well-being of the residents and to maintain the value of the almshouses, which is the Charity's main asset and the core of its charitable objects.

Plans for future major works on or around the Almshouses will be considered in the light of the benefit to the residents and the protection of the value of the properties.

After accumulating sufficient reserves to fund ongoing and capital maintenance requirements, any surplus reserves will go towards the purchase of a further almshouse.

resident.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides almshouses to poor persons of good character who are not less than 60 years of age and who are resident in the area comprising the ancient parishes of Westham and Pevensy and the Ancient Liberty of Pevensy in the parish of Hailsham.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity's main activity is the provision and management of its eight almshouses.

The Charity is a comparatively small charity and relies on the voluntary work of the Trustees to ensure the almshouses are maintained to a high standard and the residents are safe and comfortable. Tradesmen used for the maintenance and repair of the almshouses are either long term suppliers to the Charity or are vetted prior to appointment, and their work and approach to the residents constantly monitored. The amount spent on repairs and renewals in the year under review was £4,185 as against the previous year's spending of £12,629.

The Charity has been attentive to the needs of its residents, the Trustees personally conducting at least annual checks on the state of the Almshouses in addition to ensuring the necessary statutory checks are completed.

The Trustees consider that all the properties are in good condition and fit for purpose.

The Trustees declare that they have regard to the guidance issued by the Charity Commission on public benefit and consider the funds spent and actions taken have met the objects of the Charity and meet the public benefit criteria.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Charity is dependent on the voluntary services provided by the Trustees. Consideration is being given on trustee recruitment and the skills required to improve the decision making of the Trustees to ensure the accommodation remains suitable for the increasing needs of the residents and the support provided to the residents is appropriate, notwithstanding the residents are provided accommodation on the basis they are self-sufficient.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

All the properties were occupied throughout the year, with no changes in occupancy. The Trustees are satisfied that they have ensured the properties have remained in a good condition suitable for the residents.

As indicated in Section B, one of the Almshouses has now become vacant and the trustees are taking steps to refurbish the property and bring it up to date.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees are looking at the possibility of making major improvements to the forecourt to the front of six of its almshouses in a single location. This will be paid for from reserves. Reserves are invested in M&G Charity Multi Asset funds. The balance between cash and investments is reviewed annually.

Details of any funds materially in deficit

There are no funds in deficit.

Independent Examiner's Report

**Report to the trustees/
members of**

HOSPITAL OF ST JOHN THE BAPTIST

**On accounts for the year
ended**

31 DECEMBER 2020

**Charity no
(if any)**

213573

Set out on pages

CC16A pages 1 – 2
TAR pages 1 – 6

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2020.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
