Independent Examiner's Report To The Trustees Of The Saint Pancras Thanet Street Trust

I report to the trustees on my examination of the accounts of the Saint Pancras Thanet Street Trust, Reg. Charity Number 214560 (the Trust) for the year ended 31st December 2024.

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Reserves Policy

The St Pancras Thanet Street Trust was established in 1999 to manage a former trust established in 1870, with the objects of furthering certain aims in the 'Ancient Parish of Saint Pancras'.

The Trustees meet twice a year to consider applications for support that are regularly received from various other charities and help organisations in the St Pancras area.

The Trust property now consists of a fund deposited with CCLA 2183088, which is used to generate income each year in order to meet the demands placed upon it through requests for grants.

Due to the ways the Fund was originally set up, the Trustees, when making decisions about how best to meet the requests for grants must always take into account not only the needs of the present generation, but also those needs that may face future generations.

In order to face this future responsibility, it has been decided not to distribute the Trust property, but to invest it with two aims in mind:

1. to generate an income to meet the requests for grants and
2. to try and achieve growth of the underlying fund in order to increase the amount of income available each year for distribution.

The capital is invested in such a way as to balance both the above aims without taking any undue investment risk and is kept under constant review in order to ensure that these aims are met.

Statement of Trustees Responsibilities

The Trustees are required by the Charities Act 1993 to prepare the accounts for each financial year which give a true and fair view of the state of affairs of the Charity at the end of the financial year and of the surplus or deficit of the Charity for that period. The Trustees consider that in preparing the accounts, the Charity has now appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates and confirm that all applicable accounting standards have been followed. The accounts are prepared on a going concern basis.

The Trustees are responsible for ensuring that the Charity keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and for ensuring that the accounts comply with the Charities Act 1993. The Trustees also have responsibility for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
