The Thorpe and Simon Trust

Trustees' Report

The trustees present the annual report together with the financial statements of the Charity for the year ended 5 April 2025.

Objectives and activities

Objects and aims

The objectives of the Trust are to pay annuities to widows and spinsters in indigent circumstances in the City of Nottingham and surrounding area.

The Trustees confirm that they have referred to The Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities and setting grant making policies. The relief of poverty for the public benefit is met by the payments of annuities to widows and spinsters in indigent circumstances.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

Income from listed investments has increased to £16,218.

Resources expended for charitable activities include total annuities of £9,800, Actons fees of £4,800 which are split equally between restricted and unrestricted funds, Vartans mangement fees of £2,996 which was split £2,247 to endowment fund and £749 to unrestricted fund. Independent examiners fees of £1,638 are included in governance costs.

During the year, a donation of £311,764 was received from dissolved Helen Augusta Simon Trust.

The value of investments is based on Vartans valuation report as at 5th April 2025.

Policy on reserves

The Trustees have considered the reserves held by the trust as at 5th April 2025.

The trust needs reserves to enable the development of future long term aims as well as ensuring the continuation of its current activities. In order to meet their responsibilities, and to ensure that the trust continues to operate on a going concern basis, the Trustees have reviewed the requirements and risks faced by the trust in both the short and medium term.

To continue payment of annuities the Trustees aim to establish a minimum level of unrestricted reserves equivalent to 6 months of operating costs. The free reserves of the Trust at the balance sheet date were £58,136.

The Trust is reliant upon investment income to enable future improvement in unrestricted reserves.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees: I D Baguley
J P Ulke
S M Dakin (resigned 8 July 2024)
A Goodman (appointed 8 July 2024)

Structure, governance and management

Nature of governing document

The scheme was created under the will of Mrs Hannah Thorpe dated 2nd March 1954. It is governed and managed by the Trustees in accordance with the conditions set out in the governing document.

The Trustees have examined the principal areas of the Trust's operations and considered the major risks faced. In the opinion of the Trustees the Trust has established systems to mitigate those risks to an acceptable level.

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including cash flow risk and liquidity risk.

Cash flow risk

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

The Thorpe and Simon Trust

Trustees' Report (continued)

Credit risk

The charity's principal financial assets are bank balances and cash, and investments.

The credit risk on liquid funds is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity ensures sufficient liquid funds are held to cover the forthcoming years activities.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the Charity on 7 July 2025 and signed on its behalf by:

Ian Baguley

The Thorpe and Simon Trust

Independent Examiner's Report to the trustees of The Thorpe and Simon Trust

I report to the trustees on my examination of the accounts of The Thorpe and Simon Trust for the year ended 5 April 2025.

Responsibilities and basis of report

As the Charity trustees of The Thorpe and Simon Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the The Thorpe and Simon Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since The Thorpe and Simon Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of RWB CA Limited, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of The Thorpe and Simon Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

 Trustee

The Thorpe and Simon Trust

Notes to the Financial Statements for the Year Ended 5 April 2025

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

The Thorpe and Simon Trust meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the Charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Investment income

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

The Thorpe and Simon Trust

Notes to the Financial Statements for the Year Ended 5 April 2025 (continued)

Charitable activities

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Governance costs

These include the costs attributable to the Charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the Charity.
