Leicester City Council has, since the inception of the North Memorial Homes in 1918, been very involved in the development and success of the Charity. It was Sir Jonathan North who, as Lord Mayor of Leicester, inaugurated the Fund.

Since that time Leicester City Council has continued to assist the Charity in the provision of professional expertise in the form of Out of Hours and Emergency Repairs.

THE NORTH MEMORIAL HOMES CITY OF LEICESTER

REPORT OF THE TRUSTEES

YEAR ENDED 31ST MARCH 2025

The Trustees and Committee of Management present their report together with the financial statements of the Charity for the year ended 31 March 2025. The financial statements have been prepared in accordance with the accounting policies set out on page 10 and comply with the Trust Deed and applicable law.

Constitution and objects

The Charity is constituted under a Trust Deed dated 22 February 2007 as amended by a Scheme Dated 3 July 2019, and is a registered charity No 215582. The Charity is also a Registered Social Housing Provider No L2793.

The Charity's original object was the provision of self-contained houses for disabled ex-servicemen and their families, who were citizens of the City of Leicester, following the end of the First World War.

Since that time the qualifications have been broadened, with the approval of the Charity Commissioners, to include the widow or widower of such a person; a person who is permanently physically disabled and in necessitous circumstances; a person in necessitous circumstances. In every case the residential qualification applies unless there are exceptional circumstances. The area of benefit has been extended from the City of Leicester, to include the Counties of Leicestershire and Rutland. As a result of a decline in the number of families seeking houses, the Charity commenced a programme to convert each property into two self-contained flats. At the present time there are five houses and thirty flats.

Organisational structure and training

The property of the Charity is vested with the Official Custodian for Charities. The management of the Charity is undertaken by a Committee comprising the Trustees and advised by the Treasurer and Secretary.

The trustees consist of:

- 2 ex-officio Trustees
- 3 nominated Trustees
- and not more than 7 co-optive Trustees.

The Committee meets at least quarterly and receives assistance from officers of Leicester City Council in out of hours emergency repairs.

New Board members are given an induction pack which provides information on the Charity's services, its constitution and financial position, together with their legal obligations. They are also briefed on their duties by the chair of the Management Board.

Financial review and investment policy

At the commencement of the Charity an Endowment Fund was transferred and this must be retained in perpetuity. Income is generated by revenue from rents and investments.

Income earned is used to maintain and improve the properties and grounds and any surplus/deficit is transferred to the Revenue Reserve Fund.

The investment strategy is reviewed regularly and currently the primary aim is to achieve income with minimum risk whilst seeking capital growth.

Reserves policy

It is the policy of the Charity that free reserves should be maintained at a level equivalent to twelve months operating costs without income from Weekly Maintenance Charges (WMC). The Trustees consider that reserves at this level will ensure that, in the event of a significant reduction in income, they will be able to continue the Charity's current activities while consideration is given to ways in which additional income may be generated. The Trustees also recognise the need for investment income to meet any excess of costs over WMC income and have resolved to maintain reserves sufficient to generate such income. However, it is not possible at present to determine a figure for free reserves as North Memorial Homes has been undertaking major refurbishment work which is not yet concluded. The level of reserves will be kept under review throughout the year by the Trustees.

Extraordinary Repair Fund (ERF)

This restricted fund is to be used for future major expenditure projects. Transfers will be made from the Income and Expenditure Account. The fund forms part of the investment portfolio. It can be drawn upon to meet major items of repair as deemed necessary. The Trustees have discretion to make further contributions to the fund should the need arise.

THE NORTH MEMORIAL HOMES CITY OF LEICESTER

REPORT OF THE TRUSTEES CONTINUED

YEAR ENDED 31ST MARCH 2025

Cyclical Maintenance Fund (CMF)

This designated fund, to which transfers are made from the Income and Expenditure account, is used to meet maintenance costs occurring at regular intervals.

The level of funds held in the CMF will be linked to a planned maintenance programme which will be drawn up once the refurbishment works are complete.

Endowment Fund

The endowment fund assets comprise of the housing and functional properties of North Memorial Homes and its endowment investments. Any profit or loss arising from revaluation or sale of those assets is added to the endowment fund each year.

Commitments

The Trustees have agreed upon a major programme of works involving the replacement of the windows and doors to all properties, improvements to the thermal efficiency where needed and a redevelopment of two blocks to convert eight existing one-bedroom flats into two-bedroom ones. The programme of works was ongoing throughout the year.

Value for Money

The Trustees have reviewed the value for money of the operation of the Homes and have had regard to guidance from the Regulator of Social Housing with respect to small housing providers. The recommended value for money indicators specified in such guidance are included in these accounts.

The judgement of the Trustees is that these indicators evidence that the Homes has strong profit margins, interest payment cover and liquidity.

The Trustees have reviewed the state of the building stock resulting in a planned programme of refurbishment and modernisation. The VFM indicators will be reviewed to ensure that they remain appropriate to a modernised stock.

Risk management

The Trustees have examined the major strategic, business and operational risks which the Charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statements

Law applicable to the Charity requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements the Trustees are required to:

- a) Select suitable accounting policies and then apply them consistently;
- b) Make judgements and estimates that are reasonable and prudent;
- c) State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- d) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy, at any time, the financial position of the Association, enabling them to ensure that the financial statements comply with the Housing and Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing 2019. They have general responsibility for taking steps to safeguard the assets of the Association and to prevent and detect fraud and other irregularities.

THE NORTH MEMORIAL HOMES CITY OF LEICESTER

REPORT OF THE TRUSTEES CONTINUED

YEAR ENDED 31ST MARCH 2025

Review of the year

The financial statements for the year are as attached and show an operating deficit for the year because of the ongoing programme of refurbishment works to the homes and work necessary to the North Memorial Homes Hall following the end of the thirty five year lease to Oadby Evangelical Free Church. Negotiations are on-going with Oadby Evangelical Free Church regarding a new lease. The investment portfolio value reduced in the year as funds were withdrawn to undertake those works. The Trustees are advised by Westerby Investment Management Ltd with Tatton managing the portfolio.

The Treasurer works with the Trustees to set a budget each year to take account of the investment income needed from the investments to supplement the income receivable from housing. The Trustees keep the invested funds under review to ensure sufficient reserves are available to carry out their legal responsibilities. The Reserves Policy will be reviewed further once the known quantum of the repairs and upgrades are known.

The Trustees engage Charity Link in a service level agreement for charity administration, weekly maintenance administration and financial management services.

The Trustees held four Management meetings during the year all in person in North Memorial Homes Hall.

A new Trustee joined the Board in November but unfortunately had to resign for personal reasons in February 2025. At the year end there were three vacancies on the Board of Trustees. Active steps are being taken by the Trustees to fill those vacancies.

The Honorary Administrator visits the Homes when necessary and reports any concerns to the Secretary and Trustees. The Secretary also visits the Homes when necessary. The Trustees and Management Committee continue to work towards the maintenance of high levels of service and standards.

The grounds continue to be maintained to a high standard by "Evergreen" Complete Garden Services.

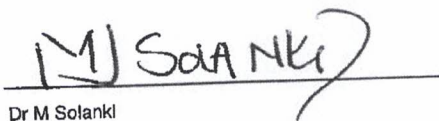

North Memorial Homes continues to have its own website which was updated in this year, giving information on the Homes, policies and prospective applicants are able to download or request an application form.

During this year, refurbishment and maintenance was carried out on several properties, and in particular, the replacement of kitchens and bathrooms to meet the decent homes standard. The Trustees are aware of changing demands and requirements for accommodation and qualifications to the scheme were amended in July 2019 such that the 'Area of Benefit' now extends to the counties of Leicestershire and Rutland.

In the year, the Trustees continued to work with Oadby and Wigston Borough Council with regard to obtaining planning permission to replace windows and doors to all properties to improve the thermal efficiency of the properties. Approval was granted and the installation of the new windows and doors has begun. The project to convert eight existing one-bedroom flats into two-bedroom ones was completed in the year and the new flats are now fully occupied.

The Trustees are advised from time to time on the new directives within the sector and have made active preparations for the implementation of the new Social Housing Act 2024, Awaab's Law and the Renter Right's Bill. North Memorial Homes endeavour to ensure that appropriate procedures are adopted relevant to the size of organisation. In considering the Value for Money standard, Trustees follow existing practice in ensuring property costs are only incurred after several tenders are obtained. Furthermore, any investments are suitable appraised. Weekly Maintenance Contributions follow appropriate guidance. The organisation operates under clearly defined rules provided to all occupants.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31ST MARCH 2025

1. ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the Charity's financial statements.

Basis of Accounting

The North Memorial Homes City of Leicester is a private registered provider of social housing in the United Kingdom. The address of the registered office is given in the Charity's information on page 1 of these financial statements.

The Charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102, the Housing SORP 2018: Statement of Recommended Practice for Registered Social Housing Providers, and with the Accounting Direction for the private registered providers for social housing 2019. These financial statements are also prepared under the requirements of the Housing Regeneration Act 2008. The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling, which is the functional currency of the Registered Social Housing Provider, and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Turnover

Turnover represents rental and service charge income receivable in the year.

Fixed assets and depreciation

Housing properties are stated at cost less accumulated depreciation. Cost includes costs directly attributable to making the asset capable of operating as intended such as the cost of acquiring land and buildings, development costs, interest charges on loans during the development period and expenditure on improvements.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Housing property conversions	10 years straight line
Re-roofing	70 years straight line
Computer equipment	3 years straight line
Fixtures & fittings	20% reducing balance

Social housing grant and other grants

Where developments have been financed wholly or partly by social housing and other grants, the amount of the grant received has been included as deferred income and recognised in Turnover over the estimated useful life of the associated asset structure (not land), under the accruals model. SHG received for items of cost written off in the Statement of Comprehensive Income Account is included as part of Turnover.

When Social Housing Grant (SHG) in respect of housing properties in the course of construction exceeds the total cost to date of those housing properties, the excess is shown as a current liability.

SHG must be recycled by the Group under certain conditions, if a property is sold, or if another relevant event takes place. In these cases, the SHG can be used for projects approved by the Homes and Communities Agency and Greater London Authority. However, SHG may have to be repaid if certain conditions are not met. If the grant is not required to be recycled or repaid, any unamortised grant is recognised as Turnover. In certain circumstances, SHG may be repayable, and in that event, is a subordinated unsecured repayable debt.

Investments

Investments are stated at market value with any surplus over cost being credited to the Statement of Comprehensive Income.
