### **Independent Examiner**

Mr. J. F. Hornby, Chartered Accountant of J.F. Hornby & Co Chartered Accountants of Daltongate Business Centre, Ulverston, Cumbria is to provide an independent examiner's report on the Trustees' annual accounts and as required under the Charities Act 2011.

### **Historical Origins**

The Trust has its origin in the Ulverston Enclosure Act of 1799 - an Act for dividing and enclosing the commons waste grounds and mosses within the Parish of Ulverston, and the subsequent Ulverston Commons Enclosure Award 1813, following which land in excess of 400 acres was vested in the Trustees on the basis that they would apply the income from the same towards the relief of the poor, firstly in lieu or alleviation of the poor rate and secondly, if a surplus remained after disposing of the poor rate in lieu or alleviation of the constable rate. Little is known of the amount that went towards the alleviation of the poor rate, but from such figures that are available it appears that during the period from 1870 to 1882 the contribution then made varied between £148. 19s. 6d. and £456. 7s. 1d.

The Trust was administered by Trustees until 1899 when it became the responsibility of the former Ulverston Urban District Council.

After the reorganisation of Local Government in 1974 the Charity Commission Scheme was prepared and approved by the Charity Commission.

### **General Purposes**

The Trust is a grant giving charity. Under the Charity Commission Scheme the Trusts' income is to be applied for charitable purposes within the area of the former urban district of Ulverston.

The appropriate paragraph of the Charity Commission Scheme reads as follows:-

Subject to the payment of the expenses aforesaid the Trustees shall apply the income of the Charity in one or more of the following ways:-

1. The relief of aged impotent and poor inhabitants of the area of the former Urban District Council of Ulverston (the inhabitants of the said area being hereinafter referred to as "the said inhabitants");
2. The relief of distress and sickness amongst the said inhabitants;
3. The provision and support of facilities for recreation and other leisure time occupation with the object of improving the conditions of life of the said inhabitants in the interest of social welfare;
4. The provision and support of educational facilities for the said inhabitants;
5. Any other charitable purpose for the benefit of the said inhabitants.

The Charities Act 2006 expanded the list of general charitable purposes to include the following, but emphasised that it is a key requirement that there must also be public benefit.

- "(a) the prevention or relief of poverty;
- (b) the advancement of education;
- (c) the advancement of religion;
- (d) the advancement of health or the saving of lives;
- (e) the advancement of citizenship or community development;
- (f) the advancement of the arts, culture, heritage or science;
- (g) the advancement of amateur sports;
- (h) the advancement of human rights, conflict resolution or reconciliation or the promotion of religious or racial harmony or equality and diversity;
- (i) the advancement of environmental protection or improvement;
- (j) the relief of those in need, by reason of youth, age, ill health, disability, financial hardship or other disadvantage;
- (k) the advancement of animal welfare;
- (l) the promotion of the efficiency of the armed forces of the Crown, or the efficiency of the police, fire and rescue services or ambulance services;
- (m) other purposes currently recognised as charitable and any new charitable purposes which are similar to another charitable purpose".

Although the Trustees have got a wide discretion, it is important to stress that the purposes for which grants can be made must be charitable, and must be for the benefit of the

inhabitants of Ulverston. Such grants must not be used directly in the relief of rates, taxes or other public funds but the Trustees may apply income in supplementing relief or assistance provided out of public funds.

### **Aims, Organisation, Progress and Achievements**

The Trustees, whilst not limiting their general powers under the Charity Commission Scheme have over a number of years generally favoured making grants to groups or institutions for capital items which will be available for use by more than one person rather than grants towards a group's running costs or to individuals. Exceptions to this working rule of thumb have and will no doubt continue to be made in cases of special need and at the Trustees discretion.

Grants are generally made in response to direct applications but the wide background and experience of the Trustees means that they from time to time identify and endeavour to meet need without prior application. It has also been recognised that over time those institutions which have been in receipt of grants for regular or annual events would come to rely on such funding when planning future events. It has been decided that the secretary can, in appropriate circumstances, relate to the recipients of such grants that the Trustees' general policy, without being able to be committed to future grants in advance of an application, would be against withdrawing support that had regularly been given without a suitable amount of notice.

The Trustees have felt that the existence of the Trust is generally well known within the area of benefit. The Trustees have not over a number of years experienced any great difficulty in applying the Trust's annual net income towards deserving grant applicants. The Trustees held various meetings throughout the year at which they discussed all the

grant applications received and the management and administration of the various trust assets.

Messrs. H&H Land and Estates made the usual annual inspection of the Trust's various agricultural holdings (reports to follow).

The trustees have an ongoing programme of repairs planned for Burnside Cottage.

The largest individual grants made by the Trustees during the year were for:-

£4000.00 to Ulverston MIND

£3500.00 to Ulverstem

£3000.00 to Ulverston International Music Festival

The grants made and paid by the Trustees during the year are listed below:

The Trustees also have the following continuing commitments: -

	£
Further Education Bursary Scheme at Ulverston Victoria High School – up to £1,800.00 per annum	1,800.00
Townland Trust Prize for Citizenship towards the cost of 4 trophies given to one student from each of Years 7-10 at UVHS	80.00
Total	<u>1,880.00</u>

Taking into account the continuing commitments of the Trustees, unspent income reserves at the Bank at 31st March 2021 were equivalent to the anticipated income receipts for approximately 26 months, which the Trustees consider to be sound.

The Trustees' present policy on the level of reserves required to effectively meet the needs designated by the Charity's trusts, is that unspent income reserves should not fall below 1 year's gross income.

The Trustees were pleased by the number (25) and diversity of the grants made throughout the year, this being despite the Covid 19 pandemic reducing the number of grant applications made in respect of festivals and events which were subsequently cancelled.

The Trustees are hoping for a return to the usual number of grant applications next year as more festivals and events are permitted to proceed.

The Charity's Bankers are HSBC Bank Plc. of Duke Street, Barrow in Furness and all the accounts held with the Bank apart from the Current (Community) account are interest bearing.
