Structure, governance and management

Governing document

The organisation is a unincorporated charity registered on 22 May 1963. The charity is governed by a constitution which was revised in October 2012 and in November 2018.

Appointment of trustees

The Chairperson, Vice-chairperson, Secretary and Treasurer are appointed for a two year term and re-elected or replaced at the annual general meeting. The remaining trustees are appointed for one year at the annual general meeting or co-opted by the Management Committee.

Cymdeithas Ddrama Llangefni

Trustees' Annual Report *(continued)*

Year ended 30 April 2025

Objectives and activities

The Society's principal activity is to stimulate and promote an interest in the arts of theatre within the community by reading, studying and producing plays and similar performances together with all ancillary work. Such activities shall be conducted so that work in both the English and Welsh language be equally encouraged.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Achievements and performance

The year-ended 30th April 2025 saw a full calendar of events at the theatre, with activity including the theatre's own productions (such as the pantomime), performances by touring drama companies, gigs and comedy nights, and the wider use of the theatre for various community-based activities. The successful youth theatre partnership with Theatr Ieuencid Môn (TIM) continued and the refurbished bar was open for all events.

Two significant refurbishment projects to the building were carried out, namely a permanent repair to the part of the roof that was damaged by the early 2024 storm, and a refurbishment of the auditorium to improve its condition. Protecting and improving the theatre building's fabric and facilities continues to be a priority.

Financial review

Total income for the year has increased from £26,711 to £62,553. The increase is mainly due to the additional income from productions, building repair grants and an insurance settlement.

The expenditure has increased from last year from £22,256 to £57,352 and is mainly associated due to the refurbishment projects, and increased running costs.

The trustees are aware that funds must be maintained to ensure the continued aims and activities of the charity and requires careful management.

Risk management

The Trustees are responsible for the overseeing of the risks faced by the Society. Detailed considerations of risk are delegated to the Trustees. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis.

Risk is managed under the headings of financial sustainability, child welfare, events, and trips to other venues. Through the risk management processes established for the Society, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Cymdeithas Ddrama Llangefni

Trustees' Annual Report *(continued)*

Year ended 30 April 2025

The trustees' annual report was approved on 15 September 2025 and signed on behalf of the board of trustees by:

Rhys Parry
Trustee

Cymdeithas Ddrama Llangefni

Independent Examiner's Report to the Trustees of Cymdeithas Ddrama Llangefni

Year ended 30 April 2025

I report to the trustees on my examination of the financial statements of Cymdeithas Ddrama Llangefni ('the charity') for the year ended 30 April 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements

Year ended 30 April 2025

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Pencraig, Llangefni, Ynys Mon, LL77 7LL.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements *(continued)*

Year ended 30 April 2025

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, performances, and non-charitable trading activities.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	over 20 years
Fixtures and fittings	-	25% straight line
Furniture and costumes	-	25% straight line

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements *(continued)*

Year ended 30 April 2025

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Structure, governance and management

Governing document

The organisation is a unincorporated charity registered on 22 May 1963. The charity is governed by a constitution which was revised in October 2012 and in November 2018.

Appointment of trustees

The Chairperson, Vice-chairperson, Secretary and Treasurer are appointed for a two year term and re-elected or replaced at the annual general meeting. The remaining trustees are appointed for one year at the annual general meeting or co-opted by the Management Committee.

Cymdeithas Ddrama Llangefni

Trustees' Annual Report *(continued)*

Year ended 30 April 2024

Objectives and activities

The Society's principal activity is to stimulate and promote an interest in the arts of theatre within the community by reading, studying and producing plays and similar performances together with all ancillary work. Such activities shall be conducted so that work in both the English and Welsh language be equally encouraged.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Achievements and performance

The year-ended 30th April 2024 saw a full calendar of activity at the theatre, with the reduced use of the theatre during the Covid-19 period being a thing of the past. Activity comprised the theatre's own productions (such as the pantomime), productions performed by touring drama companies, and the wider use of the theatre for various community-based activities. The year also saw the youth theatre organised by Theatr Ieuencid Môn (TIM) being held at the theatre for the first time, together with the refurbished bar being open for the full year.

A storm in early 2024 caused significant damage to part of the theatre's roof. Temporary repairs were immediately undertaken, with a permanent repair being carried out later in 2024. Protecting and improving the theatre building's fabric and facilities remains a priority.

Financial review

Total income for the year has increased from £25,754 to £26,711.

The expenditure has decreased from last year from £27,427 to £22,256 and is mainly associated with the costs of productions, further increases in energy costs together with some investment in the theatre building.

The trustees are aware that funds must be maintained to ensure the continued aims and activities of the charity and requires careful management.

Risk management

The Trustees are responsible for the overseeing of the risks faced by the Society. Detailed considerations of risk are delegated to the Trustees. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis.

Risk is managed under the headings of financial sustainability, child welfare, events, and trips to other venues. Through the risk management processes established for the Society, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Trustees' Annual Report *(continued)*

Year ended 30 April 2024

The trustees' annual report was approved on 20 December 2024 and signed on behalf of the board of trustees by:

Rhys Parry
Trustee

Cymdeithas Ddrama Llangefni

Independent Examiner's Report to the Trustees of Cymdeithas Ddrama Llangefni

Year ended 30 April 2024

I report to the trustees on my examination of the financial statements of Cymdeithas Ddrama Llangefni ('the charity') for the year ended 30 April 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements

Year ended 30 April 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Pencraig, Llangefni, Ynys Mon, LL77 7LL.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements *(continued)*

Year ended 30 April 2024

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, performances, and non-charitable trading activities.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	over 20 years
Fixtures and fittings	-	25% straight line
Furniture and costumes	-	25% straight line

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements *(continued)*

Year ended 30 April 2024

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Structure, governance and management

Governing document

The organisation is a unincorporated charity registered on 22 May 1963. The charity is governed by a constitution which was revised in October 2012 and in November 2018.

Appointment of trustees

The Chairperson, Vice-chairperson, Secretary and Treasurer are appointed for a two year term and re-elected or replaced at the annual general meeting. The remaining ten trustees are appointed for one year at the annual general meeting or co-opted by the Management Committee.

Cymdeithas Ddrama Llangefni

Trustees' Annual Report *(continued)*

Year ended 30 April 2023

Objectives and activities

The Society's principal activity is to stimulate and promote an interest in the arts of theatre within the community by reading, studying and producing plays and similar performances together with all ancillary work. Such activities shall be conducted so that work in both the English and Welsh language be equally encouraged.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Achievements and performance

As a result of the Covid-19 regulations relating to the pandemic and the uncertainty around lockdowns and restrictions, the committee decided to cease on-site activities between Spring 2020 and Autumn 2021. The theatre was therefore dormant for this period. A key element of the theatre's ability to manage the period was the annual funding from Ynys Mon County Council and a significant grant from the Welsh Government during the first lockdown.

Activity at the theatre recommenced in late 2021, albeit at reduced capacity due to continuing restrictions. Activity increased in Spring 2022 and returned to normal levels during the year ending 30th April 2023. This momentum has continued since then, and the theatre is now busier than ever. The year also saw significant investment in the theatre building from S4C's "Prosiect Pum Mil" programme and the re-opening of the bar area following the finalisation of works funded by previous insurance receipts.

Financial review

Total income for the year has increased from £13,500 to £25,754.

The expenditure has increased from last year from £22,052 to £27,427, mainly due to the costs associated with increasing activity, significantly increased energy costs and the further investment in the theatre building.

The trustees are aware that funds must be maintained to ensure the continued aims and activities of the charity and requires careful management.

Risk management

The Trustees are responsible for the overseeing of the risks faced by the Society. Detailed considerations of risk are delegated to the Trustees. Risks are identified, assessed and controls established throughout the year. A formal review of the charity's risk management processes is undertaken on an annual basis.

Risk is managed under the headings of financial sustainability, child welfare, events, and trips to other venues. Through the risk management processes established for the Society, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Cymdeithas Ddrama Llangefni

Independent Examiner's Report to the Trustees of Cymdeithas Ddrama Llangefni

Year ended 30 April 2023

I report to the trustees on my examination of the financial statements of Cymdeithas Ddrama Llangefni ('the charity') for the year ended 30 April 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 30 April 2023

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Pencraig, Llangefni, Ynys Mon, LL77 7LL.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

Notes to the Financial Statements *(continued)*

Year ended 30 April 2023

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, performances, and non-charitable trading activities.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	over 20 years
Fixtures and fittings	-	25% straight line
Furniture and costumes	-	25% straight line

Cymdeithas Ddrama Llangefni

Notes to the Financial Statements *(continued)*

Year ended 30 April 2023

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
