ASCOT PRIORY
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2024

We are pleased to present the annual report and financial statements of Ascot Priory for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 and they comply with the Charity's Trust Deed, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" issued by the Charity Commission.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity now known as Ascot Priory was originally founded by a Trust Deed dated 24 February 1874 and was previously known as The Society of the Most Holy Trinity of Ascot, Late of Devonport. In addition, there were schemes for the regulation of the charity made by the Charity Commission on 2 May 1902 and 18 August 1911. The name of the Charity was changed to Ascot Priory on 5 October 2000 and the new scheme replaced the former trusts of the Charity. The scheme of 5 October 2000 lays down detailed requirements for the governance of the Charity and the conduct of the business of the Trustees. The Trustees are obliged to have at least two ordinary meetings in each calendar year. A further scheme dated 7 March 2001 conferred some additional powers on the Trustees.

The Charity is registered with the Charity Commission (registration number 217425). The Trustees of the Charity administer the Charity's property and assets for the benefit and purposes of the Charity.

Ascot Priory is a self-supporting organisation and is not dependent on donations or any sources of intangible income. Ascot Priory is not materially dependent on the services of unpaid volunteers. The income of the Charity is to be used to meet the costs of administering the Charity and managing its property and furthering the objects of the Charity.

St Andrew Holborn Trading Company Ltd acts as the Clerk for the Charity and discharges the duties of the Bursar.

In addition to the *ex officio* Trustee (the Principal for the time being of Pusey House, registered charity number 1190385), the scheme states that there should be four co-opted Trustees. All four co-opted Trustees were re-appointed for a further five-year term in 2022 at a special meeting in accordance with the provisions of the scheme.

New Trustees are briefed by the Clerk to the Trustees on matters including Trustee duties, powers and responsibilities.

See note 17 for details of transactions with Trustees, who are considered to be the only related parties of the Charity.

PUBLIC BENEFIT

We confirm that we have referred to the guidance contained in the Charity Commission's general guidance on the subject of Public Benefit when reviewing the Charity's aims and objectives and in planning future activities for the forthcoming year.

ASCOT PRIORY**REPORT OF THE TRUSTEES****FOR THE YEAR ENDED 31 DECEMBER 2024****OBJECTIVES AND ACTIVITIES**

The objects of the Charity are the furtherance of the religious and other charitable purposes of the Church of England, in particular in accordance with the doctrines commonly known as Anglo-Catholic, by such means as the Trustees think fit, and the relief of persons who are in need, hardship or distress or who are sick, convalescent, disabled or infirm by relieving their suffering or assisting their recovery. The Trustees may relieve those eligible for assistance by making grants of money to them directly or providing or paying for goods, services or facilities on their behalf or by making grants of money to other persons or bodies who provide goods, services or facilities to those eligible for assistance.

Our main goals for the year were:

- To meet the Charity's objects.
- To explore the best use of the property at Ascot in furthering the aims and objects of the Charity.

In order to achieve these goals, we held three meetings during the year to consider all matters relating to the administration of the Charity including the investment policy and the income arising from the property and investments held by the Trust. In particular we continued to consider the potential sale or other disposal of the Charity estate in ways that will maximise the benefit to the Charity while still respecting the heritage of the conventual property and burial ground.

ACHIEVEMENTS AND PERFORMANCE

We are delighted to be able to award grants totalling £58,400 (2023: £87,830). Our grants have, amongst other things, supported academic studies, administrative support and improvements to community facilities. The largest single grants were for £15,000.

Discussions continued throughout the year on the possible disposal of the Charity's property. These discussions have been ongoing now for some time, but progress was made in planning terms during the year and we hope to be able to reach a resolution during 2025. The Priory remains closed to the public as we progress those discussions towards sale.

Towards the end of 2024, we received the consent of the Charity Commission to amend the Charity's Scheme by Resolution under powers granted under s.280A of the Charities Act (as amended). This has allowed us to make the changes necessary to enable the sale of the property.

Our investment assets have been invested in accordance with the powers available to us. We have delegated to the discretion of investment managers the acquisition and disposal of investments for the Charity in compliance with the investment policy we have laid down. 2024 was for us, as for virtually all other investors a mixed year for investments, but we eventually ended the year with investment income above that for 2023. Rental income continued from the care home, which leases the majority of the Priory and its grounds. The rental income means that we are able to meet our responsibilities in respect of the maintenance of the fabric of the buildings and the maintenance of the grounds.

OBJECTIVES FOR FUTURE YEARS

The main objectives for the coming year are:

- To continue to provide financial support for the primary objects of the Charity.
- To continue to explore the best use of the property at Ascot in furthering the aims and objects of the Charity.

ASCOT PRIORY**REPORT OF THE TRUSTEES****FOR THE YEAR ENDED 31 DECEMBER 2024****FINANCIAL REVIEW**

The Charity holds listed investments, which are professionally managed, and the land and buildings of Ascot Priory. No value for the properties is included in the accounts as they are regarded as heritage assets.

In the year ended 31 December 2024 an amount of £23,965 (2023: £8,018) was incurred on repairs, maintenance and improvements on the properties. These have been included under the heading of maintenance and restoration in the Charitable Activities. The Trustees continue to review the options available for the future use of the Priory to support the long-term objectives of the Charity and for this purpose £18,816 (2023: £10,224) was incurred in professional fees. The market value of the listed investments at 31 December 2024 was £2,074,280 (2023: £1,886,711) against cost £1,495,126 (2023: £1,450,632). In addition, cash available for investment at 31 December 2023 totalled £22,898 (2023: £47,193).

Funds available to the Charity arise mainly from dividend income derived from the investment assets, rents received, other interest on bank deposits and some small donations. Such funds have been applied principally to meet the cost of ensuring the furtherance of the Catholic tradition within the Church of England, maintaining and insuring properties held by the Trustees and meeting the administrative costs of the Charity. The Charity is not involved in fund-raising and is not dependent upon particular donors.

The Charity had expenditure for the year of £261,723 (2023: £269,398). Realised and unrealised gains on investment assets totalled £135,437 (2023: 116,437).

The Trustees believe that the assets available to the Charity are adequate to fulfil its obligations in the short term. However, if the Trustees fail to identify a purchaser for the property in the foreseeable future, considerable maintenance work to the property is expected to deplete investments, especially in the Charity's unrestricted funds. It is in this context that the Trustees are giving consideration to the best future use of the Charity's property.

INVESTMENT POLICY AND REVIEW OF INVESTMENTS

Investments held within the endowment fund are managed by Evelyn Partners to provide a balance of income generation, for general purposes, and capital growth in excess of inflation over the long term. The investment policy in respect of the investments held within unrestricted funds is to deliver maximum capital growth.

The value of the total investment portfolio increased by £163,274 (2023: £142,414). The unrealised and realised gains and losses on investment assets totalled £135,437 (2023: £116,437).

RESERVES

Ascot Priory is endowed with a Grade II listed church and other buildings of great beauty which require continual repair and maintenance. The Trustees consider it would be appropriate to hold reserves to cover unexpected costs in relation to the upkeep and maintenance of the Priory and related buildings and also to cover approximately 6 months' underlying running costs of the Charity, which are estimated to be in the region of £170,000. The Trustees regard the reserves of the Charity as the assets held without restriction, excluding tangible assets held for the charity's own use which totalled £464,662 at the year end (2023: £404,182).

RISK MANAGEMENT

The Trustees have assessed the major risks to which the Charity is exposed, in particular those relating to the operation and finances of the Charity. The Trustees are satisfied that systems are in place to mitigate or lessen exposure to the major risks faced by the Charity.

ASCOT PRIORY**REPORT OF THE TRUSTEES****FOR THE YEAR ENDED 31 DECEMBER 2024**

The principal area of risk to the Charity is its ability to generate sufficient income from investments, rental income and retreats to enable the Charity to fund the necessary maintenance and repair costs relating to the fabric to enable the continued use of the Priory to meet the primary objectives of the Charity. The Trustees have considered these matters in detail in the course of their meetings during the year. The Trustees also ensure that the insurance cover relevant to the Charity is maintained at an appropriate level and obtain regular professional advice on this matter.

RESPONSIBILITIES OF TRUSTEES

The Trustees are required to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of its financial activities for that period. In preparing those accounts the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclose and explained in the accounts
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the applicable Charities (Accounts and Reports) Regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS

The reappointment of Knox Cropper LLP as independent examiners will be put to a future Trustees' meeting.

Signed on behalf of the Trustees.

.....
JDS Booth, Chairman

Date: 25 June 2025

INDEPENDENT EXAMINER'S REPORT**TO THE TRUSTEES****OF ASCOT PRIORY**

I report to the Trustees on my examination of the accounts of Ascot Priory for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet and related notes. This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my work or for this report.

Responsibilities and basis on report

As the Charity Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since your Charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of the Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ASCOT PRIORY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES

1.1 Status of the charity

Ascot Priory is an unincorporated charity, registered with the Charity Commission with registered number 217425. The Charity's registered address is Ascot Priory, Priory Road, Ascot, Berkshire, SL5 8RT. A description of the Charity's operations and principal activities can be found in the Report of the Trustees.

1.2 Basis of Preparation and Assessment of going concern

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. They have been prepared in accordance with the Statement of Recommended Practice Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) Second Edition issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102 March 2018) and the Charities Act 2011.

The accounts have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no uncertainties about the Charity's ability to continue as a going concern.

1.3 Income

Dividends and other investment income are credited on a receivable basis. Deposit interest and rental income are credited on an accruals basis. Investment income arising on holding within the endowment funds is available for use by the Trustees to meet all the objects of the Charity and is therefore accounted as income in the unrestricted fund.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party. It is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs are allocated according to function and hence to the appropriate category. Where expenditure related to more than one functional category, a reasonable method of allocation is determined.

1.5 Operating lease income

Rentals received on operating leases are credited to incoming resources on a straight-line basis over the term of the lease.

1.6 Tangible fixed assets

Land and buildings

Land and building are not recorded in the accounts as (a) they are inalienable and historical in nature and cannot be disposed of except with the written consent of the Charity Commission; (b) reliable cost information is not available and conventional valuation approaches lack sufficient reliability; and (c) the costs to include would far exceed benefits.

Part of the freehold land and buildings are leased to an operation supplying accommodation and services to the aged. Due to the restrictions on realising the value of the property, the leased element of the property has not been classified as investment property and measured at fair value.

Fixtures, fittings and equipment

Depreciation is provided to write-off the cost less estimated residual value of such tangible fixed assets over a useful life of 5 or 10 years in equal instalments.

ASCOT PRIORY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. ACCOUNTING POLICIES (continued)

1.7 Fixed asset investments

The Charity's investments consist only of quoted securities. Initially they are recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on the revaluations and disposals throughout the year.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

1.8 Funds

(i) Unrestricted Funds:

The unrestricted fund may be used by the Charity in furtherance of its charitable objects at the discretion of the Trustees.

(ii) Endowment Funds:

Permanent endowment funds are restricted capital funds where there is no power to convert the original capital to income. Income generated from permanent endowments is available to be used in furtherance of the Charity's objects, subject to any restrictions imposed by the donor.

(iii) Restricted Funds:

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.9 Recognition of Liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to pay out resources.

2. Investment Income

- (a) The permanent endowment fund – No. 1 was first mentioned in a legal document of 1883. Income from the endowment is to be used to meet all costs properly incurred by the Trustees in the objects of the Charity.
- (b) A permanent endowment fund exists in respect of the property at Ascot Priory and was first mentioned in a legal document of 1874. The document notes that the property was to be 'used and occupied rent free by the members of the society in order to carry out the purposes and objects of the Society'. It was initially referred to as the 'Unknown Donors account'. Income derived from the endowment is used on the same basis as the No. 1 fund.
