The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the Charity is to make discretionary payments to those priests within the dioceses of Arundel and Brighton, Brentwood, Portsmouth, Southwark and Westminster who are members of the Charity and who are permanently or temporarily incapacitated, by old age, infirmity or illness from the performance of their clerical duties. Grants are moderated to ensure no material depletion of the Fund.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year all applications for grant were considered carefully and allowances were paid to 121 priests, which has increased slightly from the 127 paid in 2020.

FINANCIAL REVIEW

Financial position

The expenditure exceeded income by £39,154 compared to £39,378 in 2020. Details are shown on page 12. When this is combined with a net increase in market value of investments of £119,752 (net decrease of £20,988 in 2020) the overall increase in the Fund was £80,598 (decrease of £60,366 in 2020). The total unrestricted fund was £1,370,710 (£1,290,112 in 2020).

The principal funding source is investment income, but the fund also receives Annual Donations, Legacies and Gift Aid.

Investment policy and objectives

The Trustees regularly review and consider the investment policy which formulates how the assets of the Trust are managed. Investment activities have been delegated to Barclays Wealth and Investment Management. The investment policy review considers the performance of the asset management to ensure that the investment and asset management functions will be exercised in the best interests of the Trust.

The Trustees intend that the real value of the assets be maintained and enhanced over the long term by investment in a portfolio comprising of equities, fixed income stocks and cash. The Trustees have instructed Barclays Wealth and Investment Management to adopt an ethical policy. No investments are to be made in companies which are predominately involved in the production of armaments, tobacco and contraceptives.

In this regard, Barclays Wealth and Investment Management have been appointed to manage a diversified portfolio of suitable investments on a discretionary basis, and with the Trustees having selected a balanced investment objective with medium risk, Barclays Wealth and Investment Management provide guidance on the on-going suitability of each element of the investments invested in equities, fixed income stocks and cash.

The Trustees regularly consider the need to revise the Policy Statement and the arrangements under which Barclays Wealth and Investment Management Limited act as agents of the Trustees.

The policy of the Trustees is to maintain, where possible, the capital value of the fund and to utilise the annual investment income to pay grants to beneficiaries.

Reserves policy

The Trustees operate a policy of holding sufficient cash reserves to meet the outgoings of the next 12 months.

FUTURE PLANS

The Trustees propose prudent management to match the objectives of the Fund.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

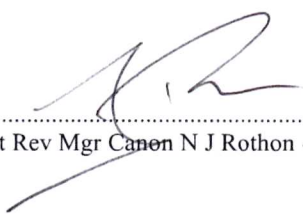

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 14 Oct 2022 and signed on its behalf by:

Report of the Independent Auditors to the Trustees of
Secular Clergy New Common Fund

Opinion

We have audited the financial statements of Secular Clergy New Common Fund (the 'charity') for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Statement of Financial Position and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Trustees of
Secular Clergy New Common Fund

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the entity and determined that the most significant are those that relate to the Charities Act 2011 and FRS 102.

We assessed the risks of material misstatement in respect of fraud as follows: we made full enquiries with management and those charged with governance. As part of our fraud discussions we discussed particular areas we believed to be susceptible to misstatement. Also during our audit we paid particular attention to looking for any related party transactions, however there were no related party transactions in this entity.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
