

SUTTON AND CHEAM ELDERLY PEOPLE'S HOUSING ASSOCIATION

President:

The Worshipful the Mayor of the London Borough of Sutton

EVERSFIELD HOUSE was purchased in 1946 by the Sutton and Cheam Elderly People's Housing Association, through many voluntary contributions, to provide a comfortable home for elderly and lonely people of very modest means.

Generous gifts paid for the addition of the Ely Wing in 1951, the Harold Cotes Lounge extension in 1955 and an additional wing in 1966. A conservatory extension was added in the year of the Association's Golden Anniversary and an extension to what had been a very cramped office during 1999. The Ely Wing was extended in 2005 and major refurbishments to the original rooms took place in 2006.

A substantial legacy from a former resident, Jill French, and other generous donations helped fund the replacement of the lift and creation of an additional bathroom and toilet in 2017.

The original Victorian building was re-roofed and the façade cleaned in 2019.

THE SUTTON AND CHEAM ELDERLY PEOPLE'S HOUSING ASSOCIATION is a registered charity and through its Management Committee is responsible for the running of Eversfield House.

The Aim of Eversfield House is to provide individual care and attention for residents at an affordable cost to create a happy, homely, relaxed and stimulating atmosphere in keeping with the standards that they could reasonably expect in their own home, whilst encouraging as much independence as possible and having regard to the Objective set out in the Constitution of the Sutton and Cheam Elderly People's Housing Association.

INTRODUCTION

This is the fourteenth Annual Report which I have had the privilege of introducing, and once again I am pleased to say that despite the severe and significant operational difficulties of the past year Eversfield House continues to flourish. Due to the diligent work of our Manager Theresa Schwartz, her new Deputy and all the staff the home has remained generally well occupied. I express the thanks of the Trustees to them for all the hard work they have put in during the past year. The whole year has seen the consequences of the Covid19 virus on how the Home could continue to operate with the ever increasing, and often confusing requirements from both central and local government. That necessitated a strict isolation of the home and continued testing regimes for both staff and residents. I am pleased to say that as a result of the vigilance of the Manager and staff the direct impact has been relatively small. During the year we welcomed Ann Gungah as Deputy Manager.

The Trustee body has remained unchanged during the year, but as I have said before we would welcome new Trustees. We all age on a yearly basis and a continuity of experienced trustees is important. There have been a few staff changes during the year, and the Trustees are confident that we continue to have a group of staff that are dedicated and appreciated by the residents who benefit greatly from their hard work. The pandemic has necessitated a number of changes to the way the staff are organised and the use of agency and bank staff, which has increased staffing costs. Fortunately there has been some grant funding from central government to help defray additional costs of staff changes and the provision of personal protective equipment.

As indicated in my report last year we were unexpectedly faced with a requirement from the Fire Brigade to replace most of the internal doors with fire doors to current rating standard. That project has been ongoing throughout the year at substantial expense and has been significantly impacted by operational constraints on access due to the pandemic. We anticipate that the works will finally be completed by the end of June 2021.

Finally, I must thank all the members of the Management Committee for their efforts during the past year. The regulatory, financial and administrative burdens increase but the efforts of the Trustees and all the staff have, I hope, ensured that Eversfield House remains a welcoming 'home from home' for all our residents.

A detailed report about the Home and its activities, together with the Accounts, are contained in the subsequent pages.

REPORT FOR THE YEAR ENDED 31ST. DECEMBER 2020

This Annual Report and these financial statements for the year ended 31st. December 2020 are prepared in accordance with the Statement of Recommended Practice issued by the Charity Commission and in discharge of the charity's trustees' duty of public accountability and stewardship.

The Sutton and Cheam Elderly People's Housing Association (the Charity) was established by a trust deed dated 22 September 1947 and is registered with number 218435 by the Charity Commissioners for England and Wales. The members of the Management Committee form the Managing Trustees of the Association and are elected each year at the Annual General Meeting

In accordance with the Trust Deed and the Articles of Constitution & Management of the Association there is formed a Finance Sub-Committee with responsibility for overseeing the financial affairs of the Association, and a House Sub-Committee responsible for overseeing the running of *Eversfield House*.

The Articles of Constitution & Management of the Association are reproduced at pages 22 to 25 of this report.

The Charity is based at Eversfield House, 45, Mulgrave Road, Sutton, SM2 6LJ and any correspondence may be sent to that address.

The Management Committee for the year to 31 December 2020 was:

R M Duckworth Esq., J.P. (Chairman)*	S Trzebinski Esq. (Treasurer)*
Miss J Hunt (Secretary)*	Mrs S Desborough
P Kearns Esq*.	Mrs L Pond
E Rochford Esq.	Dr D Thomas
C Wheeler Esq., J.P.	Ms S Williams

* Member of the Finance Sub-Committee

As reported previously it was felt un-necessary to continue with the House sub-committee. Any activities which it previously organised are now dealt with on an *ad-hoc* basis by staff assisted as appropriate by volunteers.

Investment powers on behalf of the Charity are vested in the Management Committee in accordance with the Constitution of the Association. Baring Asset Management Ltd continues to provide day to day management of funds invested with them and also has their own Custodian Trustee arrangements. The Association's property (*Eversfield House*) has been vested in the Charity Commission under their scheme of arrangement.

The principal function of the Charity during the year continued to be the running of *Eversfield House*, a residential home for the elderly. It is registered with the relevant regulatory body (Care Quality Commission). The home is registered for a maximum occupancy of twenty-four and during the year the home occupancy levels have fluctuated somewhat, but remain generally high.

As a registered charity we have to demonstrate a public benefit. As a charity we have a favourable taxation status and that, together with fund-raising, donations and legacies and not being required to make a commercial profit enables us to keep our fees below those of comparable commercial operations. All residents benefit equally from the financial savings and better levels of service.

Review of finances

Income exceeded expenses for the year by £43,479 including donations of £1,085 (2019: income exceeded expenses by £54,618 including donations of £1,135). Loss in the value of investments of £4,587 (2019: gain in investments of £13,762) are also taken into account. The net increase in funds was therefore £38,892 (2019: £68,380).

The management committee regularly reviews the level of reserves held by the Association and continues to believe that the levels of reserves held are sufficient but not excessive, which the trustees consider sufficient to be able to cover support and governance costs. The reserves are enough to cover any reasonable shortfall in forecast income or increase in expected costs for a significant period, thus enabling the Charity to take the necessary measures to underpin the finances.

The management committee regularly reviews the investments held by the Association and is satisfied with the current arrangements with Barings. However, Early in 2021 Barings have indicated that they are closing their charitable fund which will lead to the Trustees moving the Charity's investments to another fund yet to be determined.

The management committee confirms that it has given consideration to the major risks to which the charity is exposed and that systems have been designed and established to mitigate those risks.

During the year there has been an average of thirty seven care and domestic staff, some of whom work part-time. A full-time Care Home Manager, a deputy and senior carers oversee the day-to-day running of the Home.

No member of the Management or House Committees has received any remuneration (apart from reimbursement of expenses actually incurred in the performance of their duties) from the Association during the year.

Several members of the Management Committee usually carry out a monthly review visit to the home in accordance with Regulation 26 of the Care Standards Regulations. Unfortunately, due to Covid, these visits have been postponed across 2020.

The general financial position of the Association has continued to allow fees charged to residents to remain below those payable in the private sector for comparable accommodation and facilities. All residents receive the same basic level of subsidy, but in cases of particular hardship additional subsidy may be granted by the Trustees.

The Management Committee are aware that the upkeep of a property such as Eversfield House is substantial, but by careful budget management it is confident of being able to keep any future increases in fees to a minimum.

Statement of trustees' responsibilities

The charity's trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditors

Jacob Cavenagh & Skeet have undertaken this year's audit. They have expressed their willingness to continue in office and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

BY ORDER OF THE COMMITTEE

TREASURER'S REPORT

As Honorary Treasurer I have pleasure in submitting the accounts for the year ended 31 December 2020, the 73rd of the Association.

INCOME

Residents Fees

Levels of occupancy were excellent throughout the year leading to an 8% increase in fee income over 2019. However, increases in expenses of 12% have led to net income being £11,139 (20%) below last year. The major element of this was salaries which were £101,446 (18%) above last year as a result of Covid and the additional night carer mentioned in 2019's report. Covid related grants of £23,600 helped to cover some of these additional costs.

At the time of writing, the occupancy levels since the start of the year have fluctuated although we are now at or near full capacity. The Trustees believe that Eversfield House continues to provide exceptional levels of care to residents at fees significantly below those charged by most local homes of a similar standard.

Fund Raising

We maintain separate accounts for fund raising and donations with the main use being entertainment and outings for the residents and occasional improvements to Eversfield's facilities.

On behalf of the Trustees I would like to thank all those who contributed freely of their time or money to support our fundraising efforts. Also I thank the Management and Staff of Eversfield for the high levels of care provided to the residents through unprecedented challenging circumstances.

INVESTMENT & RESERVES

Designated Funds

Barings continue to manage our investment fund, contributing an income of £5,206 with a decrease in the value of the fund of £4,587. We are currently searching for another Charity focused fund to transfer our investments as Barings are closing their fund later this year.

Building Valuation

It is not felt necessary to review the current valuation of Eversfield which was carried out in 2013.

EXPENDITURE

Apart from the increase in salaries noted above, all other items of expenditure were closely controlled to our budgets with the only major increase over last year being repairs and maintenance

FINANCIAL CONTROL

We continue to monitor the financial performance of the Home against budgets set at the start of the year by Management. This is essential to ensure the ongoing financial viability of the Charity.

FORWARD LOOK

2021 has started well with reasonable levels of occupancy and tight control on expenditure. The planned replacement of all the doors in the building with higher rated fire doors was not able to be started during 2020 due to Covid. With the loosening of restrictions from April this project is now underway with an expected completion date of mid June. In addition, a garden room has been purchased and installed to add to the amenities of the property

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF SUTTON AND CHEAM ELDERLY PEOPLE'S HOUSING ASSOCIATION

Opinion

We have audited the financial statements of Sutton and Cheam Elderly People's Housing Association for the year ended 31 December 2020 which comprise Statement of Financial Activities, the Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 December 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we identified that the principal risks of non-compliance with laws and regulations related to charity, employment, financial reporting legislation, health & safety regulations and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management, considering the internal controls in place and discussion amongst the engagement team.

We determined that the principal risks were related to:

- accounting measurements of property
- disclosure of capital commitments or provisions
- recognition of legacy income
- fraudulent extraction of cash
- government grants

In response to the risks identified we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation
- identifying and reviewing journal entries
- discussions with management and review of legal correspondence
- reviewing Trustees meeting minutes
- evaluating the charity's internal controls
- testing the calculation of claims made under the Coronavirus Job Retention Scheme

There are inherent limitations in the audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**SUTTON AND CHEAM ELDERLY PEOPLE'S HOUSING ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these financial statements. The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £. The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102).

Sutton and Cheam Elderly People's Housing Association meets the definition of a public benefit entity under FRS 102.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Tangible fixed assets

Tangible fixed assets are included at historic cost except for freehold property that is shown at valuation. The charity has utilised the transitional option given by section 35.10(d) of FRS 102 to use the last valuation carried out on 31 May 2013 as the deemed cost going forward. Therefore no further revaluation has been performed.

Depreciation

No depreciation is provided on freehold land. The building structure is also not depreciated as the estimated residual value is such that depreciation is immaterial. A lift is included within freehold land and buildings and is being depreciated over a 20 year period. Depreciation on other fixed assets is provided at a rate of 10% - 33 1/3 % on cost.

Investments

Investments are stated at market value. Realised gains and losses arising on the disposal of investments are included in the statement of financial activities. Unrealised gains or losses arising from changes in market value are also recognised in the statement of financial activities.

Debtors

Trade debtors and other debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

**SUTTON AND CHEAM ELDERLY PEOPLE'S HOUSING ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. ACCOUNTING POLICIES (continued)

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Income recognition

Donations and other incoming resources (including legacies) are included in the Statement of Financial Activities (SOFA) when the charity has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured. Income relating to future periods is included as deferred income within creditors (see note 9).

Residents' income

Income from residents is recognised on a receivable basis.

Investment income

Interest is brought into account gross in the year of receipt.

Government grant income

For CJRS grant income, the income is recognised in the period to which the underlying furloughed staff costs relate to. For Covid Rapid Testing Fund, the income is recognised in the period to which the related expenditure is incurred.

Expenditure recognition

All expenditure is accrued as soon as a liability is considered probable, discounted to present value for longer term liabilities and has been classified under headings that aggregate all costs related to the category.

Charitable activities

This comprises all expenditure directly related to the objects of the charity.

Support costs

This comprises all expenditure incurred in supporting the work related to the objects of the charity. All costs are allocated rather than apportioned.

Governance costs

Governance costs are those costs associated with meeting the constitutional and statutory requirements of the charity and include auditors' fees and costs linked to the strategic management of the charity. These have been allocated directly to charitable expenditure.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Operating leases

Operating lease payments are recognised as an expense on a straight line basis over the lease term.
