**THE BIRMINGHAM MEDICAL INSTITUTE
REPORT OF THE COUNCIL (DIRECTORS AND TRUSTEES)
FOR THE YEAR ENDED 31ST DECEMBER 2022**

Activities and charitable objects

The objects and principal activity of the company during the year was the provision of postgraduate education for members of medical, dental and other healthcare professions. The Birmingham Medical Institute continues to fulfil its charitable activities and objectives by providing educational and training courses for medical practitioners and other healthcare professionals in the city and surrounding areas.

Public benefit

The Council consider they have complied with their duty to have due regard to the guidance on public benefit, as published by the Charity Commission, in exercising their powers and duties.

Achievements and Performance

The Institute's activities are still suffering from the after effects of the pandemic. The acquisition and subsequent merging of Palm Training as a wholly owned subsidiary eased the situation to some degree. It is hoped that this will improve further in 2023.

It is the continued aim of the staff to find new areas in which instruction and accredited training is required. The income generated enables the BMI to continue the provision of medical education and training in the West Midlands.

Financial review

The net expenditure for the year amounted to £87,011. This amount has been deducted from reserves brought forward leaving fund balances of £341,511 at the end of the year. The trustees consider the results to be satisfactory.

Reserves policy

The Institute's reserves are fully committed to maintaining and greatly expanding the current educational programmes and services, and to providing a basis for continuity of the Institute.

Members of the Council

Members of the Council are trustees for the purpose of charity law; trustees who served during the year and up to the date of this report are set out on page 1.

Structure Governance and Management

Governing Document

The Institute is a charitable company limited by guarantee, incorporated on 17th September 1874 and registered as a charity on 7th May 1963. The company was established under a memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and Appointment of Officers and Members of the Council

The members of the Council (trustees) are elected in accordance with the provisions contained in the Memorandum and Articles of Association and until otherwise determined by a General Meeting.

**THE BIRMINGHAM MEDICAL INSTITUTE
REPORT OF THE COUNCIL (DIRECTORS AND TRUSTEES)
FOR THE YEAR ENDED 31ST DECEMBER 2022**

Trustee induction and training

New trustees are briefed by the President on their obligations as Council members and the future plans and objectives of the Institute. Minutes of previous meetings are also available for new Council Members upon request.

Risk review

The Council has conducted a review of the major risks to which the charity is exposed and have established systems to mitigate these risks.

Every effort is made to ensure that all risks are kept to a minimum. The trustees consider that insurance cover and reserves are adequate to ensure the continued operation of the Institute in the event of the occurrence of any unexpected incident.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved on behalf of the Council on 25th May 2023 and signed on its behalf by:

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF THE BIRMINGHAM MEDICAL INSTITUTE

I report to the charity trustees on my examination of the accounts of the company for the year ended 31st December 2022, which are set out on pages 5 to 12.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE BIRMINGHAM MEDICAL INSTITUTE
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2022

1. General information and basis of preparation

The Birmingham Medical Institute is a private company, limited by guarantee, registered in England and Wales. In the event of the charity being wound up, the liability in respect of the guarantee is limited to 50p per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities is the provision of postgraduate education and specialist services for members of the medical and other healthcare services.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Act 2011 and the Companies Act 2006, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling (£) which is the functional currency of the charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. Accounting policies

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds can only be used in accordance with the restriction imposed upon them.

Income recognition

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2022

2. Accounting policies

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Computer equipment	33.3% straight line
--------------------	---------------------

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

The investment in the subsidiary is measured at cost less impairment.

Stocks

Stock has been valued at the lower of cost and net realisable value.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Operating leases

Rentals payable and receivable under operating leases are charged to the SOFA on a straight-line basis over the period of the lease.

Pensions

The company operates defined contribution pension schemes. Contributions payable during the year are charged in the statement of financial activities in the period to which they relate.

Related company

The company owns 100% of the issued ordinary share capital of Palm Training Limited (incorporated in the United Kingdom). It was dormant during the year ended 31st December 2022.
