ST. ANNE'S CATHOLIC SETTLEMENT(THE)

**REPORT OF THE TRUSTEES
for the Year Ended 31 March 2022**

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 5 February 1918 and registered as a charity on 10 September 1963.

The company was established under a trust deed and following incorporation this became the Memorandum and Articles of Association.

Risk Management

The Trustees continue to update its assessment of the major risks to which the charity is exposed, particularly in relation to those which could, if they occurred, have a serious impact on its financial stability or operational effectiveness and, thus, its ability to deliver its aims and objectives.

Recruitment and Appointment of new trustees

The directors of the company are also charity trustees for the purposes of charity law. Regular trustee skills audits are carried out to identify the resources available within the Committee and gaps are addressed through training and by seeking new members with the requisite experience.

Objects and activities

The objectives of the charity are to relieve hardship among people of all faiths and of no faith living or working in the present Roman Catholic Archdiocese of Southwark by providing such persons with support including the provision of community, health and learning facilities and resources.

In furtherance of the above,

- (a) offering resources, support, guidance and mentoring services to those organisations (particularly but without limitation) involved in supporting the vulnerable;
- (b) supporting the work of and developing closer links with the Roman Catholic Parish of St Anne's Vauxhall and the outreach work undertaken by it and the Charity.

Provided always such charitable objectives and activities shall be exercised in the furtherance of and in general accordance with the statements of the belief and doctrines of the Roman Catholic tradition.

Activities

The settlement provides low cost accommodation in the Vauxhall Cross area of London to Catholic charities. This enables these charities, which need a local or London base, to continue their work within the area. The charities concerned provide services such as before and after school care for children, a pre-school nursery and promotion of catholic religion through publications. A professional firm of surveyors is retained to manage the properties concerned.

By provision of this accommodation to other charities the Settlement discharges its own charitable objective.

ST. ANNE'S CATHOLIC SETTLEMENT (THE)

REPORT OF THE TRUSTEES for the Year Ended 31 March 2022

Achievements

The directors have throughout the course of the last year continued to ensure that the property offers both affordable accommodation to charities and also provides a facility for charities to utilise in order to help them deliver services effectively.

The office accommodation offers a base to three core charities that provide much needed services in the Diocese of Southwark and beyond.

Space has also been provided for the delivery of pre and post school hour clubs for children whose parents need child care either before or after school hours.

The hall is heavily utilised by the Latin American community for prayer meetings, children's groups, Community groups and classes in literacy. In addition, it is used by other catholic groups, local groups and for community functions.

The Charity has continued to offer financial support and is the provider of pre and post school services to children in the area providing a safe and secure environment for them to continue to learn and to be cared for.

The Covid-19 lockdowns had a big impact on the work of the Charity but it did benefit from some of its business rates being suspended and it has secured grants from Lambeth Councils Covid-19 assistance fund. This has helped to soften the worst of the negative impacts. In more recent times, the higher utility costs and increasing inflation rates will have another strong negative impact on the Charity. Work is being done to prepare for what is likely to be a very costly winter period.

A large percentage of the director's time has been taken up with attempting to secure a planning permission - it was submitted to the Planning Authority over 18 months ago and has seen little response or reaction despite there being an obligation to determine the application within 16 weeks. This work is vital to the future of the Charity.

Financial review

Results for the year

The net increase in funds for the year amounted to £41,202 (2021 £49,045). This figure includes investment income of £4,675 (2021 £4,815), and total investment gains of £6,152 (2021 £15,879). These results are as expected.

Investment policy

The main investment assets of the Charity are the buildings themselves which continue to need a significant level of attention. The main investment objective of the Charity is to maintain the condition of the buildings to ensure they maintain their value and remain fit for purpose. The designated fund, which the Charity has set aside over the years for this specific purpose, is now being used to make the necessary improvements. Over and above the designated fund the Charity considers that it has sufficient resources for unplanned works to be undertaken should the need arise.

Reserves policy

The balance on unrestricted funds at 31 March 2022 was £3,820,302 (2021 £3,779,100) The Charity aims to maintain adequate reserves to ensure the continued provision of its charitable services. The Charity has set aside an amount of the reserves to fund future repairs to the buildings owned by the Charity, details of which are set out in note 13 to the Financial Statements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small entities.

**CHARTERED ACCOUNTANTS' INDEPENDENT EXAMINER'S REPORT
TO THE BOARD OF DIRECTORS
ON THE UNAUDITED FINANCIAL STATEMENTS OF
ST. ANNE'S CATHOLIC SETTLEMENT(THE)**

We report on the accounts of the company for the year ended 31 March 2022, which are set out on pages 5 to 12.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
