OBJECTIVES AND ACTIVITIES

The Charity runs the Willie Seager Memorial Homes, a development of 10 'Almshouses' in Westville Road, Penylan, Cardiff. The homes were constructed in 1996 and replaced the former Almshouses on land at the junction of Colchester Avenue and Newport Road, Penylan, Cardiff, which had been constructed in 1939 by Sir William and Lady Seager in memory of their son, Second Lieutenant William Henry (Willie) Seager of the 10th South Wales Borderers, who was killed in action at Neuve Chapelle, France on 7th February 1916, aged 23.

Trustees had agreed the move to Westville Road following an approach from Culver Holdings Plc, who had owned property adjoining the site of the former Almshouses, and who had wanted to acquire the site, in order to expand their existing premises and procure a more prominent corner position for themselves, and who had therefore offered to acquire an alternative site, and build replacement Almshouses on that site, at no cost to the Charity except for the loss of what had, by then, become an unsuitable site as a result of surrounding industrial and commercial pressures.

The Almshouses are available to let to infirm persons in need ("except in such special cases as the Trustees shall determine"), aged 60 and over and being either:

- 1) persons having a connection by residence or otherwise with South Wales and a connection with the shipping industry whether by reason of having earned their livelihood at sea or at the docks of South Wales or otherwise; or

2) be the widows/widowers of those qualified as aforesaid.

To cover the cost of running the development, the occupants of the Almshouses pay a 'Weekly Maintenance Contribution', which is reviewed annually by the Trustees.

The charity objectives state that the trustees shall apply the income of the charity for the benefit of the residents in the Almshouses of the charity or any of them in such manner as the trustees think fit from time to time.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general Guidance on public benefit when reviewing The Willie Seager Memorial Homes' aims and objectives, and in planning future activities.

ACHIEVEMENTS AND PERFORMANCE

Aelwyd has undertaken the following works in 2020/21, on behalf of the Trustees:

- Reconstruction of the boundary fence and new gates.
- One replacement adapted bathroom.
- Commissioning of quinquennial survey.
- Routine maintenance of grounds & window cleaning.
- Annual gas safety inspections.
- Various other repairs to some individual properties.
- Regular scheme visits by management and maintenance staff.

No Cottages were re-let during 2020/21 (1 2019/20).

The Weekly Maintenance Contribution per cottage during 2020/21 was £71.28; There was no lost income during the year due cottages remaining empty (1.89% 2019/20). As at 31 March 2021, £1,032 was owed by occupants in respect of Weekly Maintenance Contributions, being 2.99% (4.03% 2019/20) of the charge which was levied throughout the year (£37,065.60).

Detailed final draft financial information was submitted to the meeting of the Trust held on 27/01/2022, and approved by the Trustees, and the resulting final versions of the Independent Examiner's report, Statement of Financial Activities, and Balance Sheet, are provided on the following pages.

In summary, Trustees, thanks to the services of Aelwyd Housing Association, are continuing to improve the quality of life of the residents, but remain ever mindful of the need to monitor, and where necessary, address, the level of funding required to maintain such continuity in the middle-term and long-term future.

FINANCIAL REVIEW

The Charity operated at a surplus of £50,465 for the year after a net gain on investments of £62,944 there was £17,900 of exceptional maintenance carried out during the year which included reconstruction of the boundary fences and a new gate, one adapted bathroom and a quinquennial survey. The Trustees are satisfied that the Charity's own resources are sufficient to meet its future financial needs. The budget for 2021/22 predicts a deficit of £23,855 this is due to reserves being used to fund the replacement of all doors in the cottages. The Trust has £469,305 of investments which will be used to fund the extraordinary work planned for 2021/22.

Reserve Policy

It is the Trust's policy to accumulate income and build up reserves in order to establish and maintain:

- A combined repairs fund which is used for major "one off" repairs and improvements, (such as re-roofing or providing a new central heating system), or for rebuilding and ordinary items of maintenance and repair which recur at infrequent but regular intervals, such as external and internal decoration. Total held at 31 March 2021 £46,860 (2020 £53,396)

THE WILLIE SEAGER MEMORIAL HOMES

TRUSTEES ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2021

Investment Policy

The Trust continues to invest the charities capital and designated funds in a balance of cash, charity fixed interest and equity. The objective of the investment strategy is to provide both income and capital appreciation.

PLANS FOR FUTURE PERIODS

Looking ahead to financial year 2021/2022, the Trustees have applied an inflationary increase of 3.1% to the weekly maintenance contributions. £22,000 for the replacement of all doors to the cottages are planned for the coming year. A number of smaller improvements will be undertaken to enhance the scheme as well as the annual safety checks and routine maintenance of the cottages.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is governed by a scheme approved by the Charity Commission, and sealed on 19th September 1985 and amended on 16th October 2014, and arises from a conveyance and Trust deed dated 25th March 1939. The trustees are assisted by Aelwyd Housing Association (Aelwyd) in managing and maintaining the properties in line with a Service Agreement between the two parties, and also provide accounting support for the Trust.

Trustees are grateful to Martin Hughes, who has acted as Clerk in providing administrative assistance for meetings.

The body of Trustees shall consist of up to seven people, two nominative and five co-optative. Nominative trustees shall be appointed by Cardiff City Council for a term of four years. Co-optative Trustees shall be appointed for a term of five years by a resolution of the Trustees. New Trustees are introduced to the Almshouse residents and are made aware of the Charity's objects and its operation. The Board meets formally at least twice a year. Trustees, individually, visit residents and Aelwyd, through a service agreement also visit the scheme at least monthly. New Trustees are introduced to the operation of The Willie Seager Charity and are made aware of the Charity's objects. Trustees are encouraged to avail themselves of seminars and training courses of relevance which are made available through the Almshouse Association.

INDEPENDENT EXAMINER

THE WILLIE SEAGER MEMORIAL HOMES
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE WILLIE SEAGER MEMORIAL HOMES
YEAR ENDED 31 MARCH 2021

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2021 which are set out on pages 7 to 16.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE WILLIE SEAGER MEMORIAL HOMES

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2021

1. GENERAL INFORMATION

The charity is public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Aelwyd Housing Association, Ground Floor, Unit 9 Ty Nant Court, Morganstown, CF15 8LW.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011, as well as applicable charity law.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investments measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

After making reasonable enquiries and having considered the impact of the COVID-19 pandemic and other factors on the financial performance of the charity and its current performance, the Trustee's believe that the charity will be able to continue to fulfil its charitable purpose, will be able to meet its liabilities as they fall due, and will have adequate resources to continue in operational existence for the foreseeable future. Accordingly, the trustees continue to adopt the going concern basis in in in preparing the financial statements.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There are no significant judgements or estimation uncertainties that would have a material effect on these accounts.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the purposes of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Designated funds are unrestricted funds earmarked by the trustees for specific purposes.

The permanent endowment fund relates to the property and depreciation of the property is charged against it.

NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 MARCH 2021

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- legacy income is recognised when receipt is probable, and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable, and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Freehold property - over 93 years straight line

THE WILLIE SEAGER MEMORIAL HOMES
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 MARCH 2021

3. ACCOUNTING POLICIES *(continued)*

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Gains and losses arising on disposal are recognised in the income and expenditure account. Unrealised gains and losses are recognised in the statement of financial activities.

Dividends, including the appropriate tax credits where applicable, are credited to the income and expenditure account when they are received.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.
