BUXTON COTTAGES TRUST

CHAIRMAN'S STATEMENT FOR THE YEAR ENDED 31 MARCH 2021

The chairman presents his statement for the year.

It is no surprise that the year was dominated by the Coronavirus Pandemic.

Our Governors' Meeting and Annual Inspection scheduled for June 2020 was deferred until October 2020 in the hope that the situation would improve. This turned out not to be the case and so our October 2020 and February 2021 meetings were conducted as postal meetings.

Decorating of the Cottages and the refurbishment of the bathrooms have both been put on hold until the Covid situation improves.

During the year our Residents have been able to seek any help that they required from our list of approved contractors and from the staff at Shacklocks.

Work to amend and update Trust Objectives has continued and Counsel's opinion as to the interpretation and application of the existing objectives has been sought.

The Trust has taken steps to recruit new Trustees and it is hoped that appointments will be made in the near future.

Last year's accounts showed the effects of the Pandemic with a reduction of 8.4% in the funds carried forward at 31 March 2020. I am pleased to report that the situation has recovered very well this year. Funds carried forward at 31 March 2021 were £793,461 an increase of £132,635 or 20.1% over the figure at 31 March 2020.

I would like to thank my fellow Governors for their continued help and support, and also thank Marion Vesey and Amy Spencer of Shacklocks for all their work to keep the Trust matters in order during a difficult year.

M R Copestake, Chairman
Date: 28 October 2021

BUXTON COTTAGES TRUST

GOVERNORS' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The governors present their annual report together with the financial statements of the charity for the 1 April 2020 to 31 March 2021. The governors confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard FRS 102 (effective 1 January 2015).

Objectives and activities

a. Policies and objectives

Aims of the charity:

The aim of the Buxton Cottages Trust is to provide good quality accommodation at a reasonable price as envisaged by the will of the late Mrs Buxton under which the trust was established. Through offering this facility, the governors aim to provide a life changing facility for those who are appointed to the cottages as they are often people experiencing accommodation difficulties whose lives can be much improved by the move to occupy one of the cottages.

In setting objectives and planning for activities, the governors have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Activities undertaken to achieve objectives

The charity's main objectives for the year (2020/2021):

For the year in question the specific objectives of the charity are to maintain the buildings in good order to provide the best quality accommodation available at reasonable cost from its resources in accordance with the main objectives of the charity.

It is also an objective of the charity for the current year to maintain full or near full occupancy levels wherever possible. Should vacancies arise during the course of the year, steps will be taken to publicise the vacancy and to fill the vacancy with a suitable candidate with minimum delay.

Strategies for achieving objectives:

The governors aim to achieve the above objectives as follows:

Maintenance programme:

The governors will use income to cover the cost of routine maintenance and will engage trusted local tradesmen to carry out this work.

Occupancy levels:

The governors will, as usual, instruct the clerk to take pre-agreed steps to facilitate the filling of vacancies with all speed once vacancies have arisen and been reported.

BUXTON COTTAGES TRUST

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Objectives and activities (continued)

c. Main activities undertaken to further the charity's purposes for the public benefit

Objectives of the charity:

The main objective of the charity is to provide accommodation to those in need and who qualify for such accommodation under the terms of the trust.

The governors confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives.

Achievements and performance

a. Review of activities

Occupancy levels:

The governors would set as their preferred benchmark a desire that no dwelling should remain vacant without the payment of contributions for a period in excess of three months in respect of each vacancy unless there are exceptional circumstances arising.

Factors within and outside the charity's control which are relevant to the achievement of its objectives:

The charity has capital funds which are invested and the investment performance in respect of those funds will have an influence on capital refurbishment projects going forward. The income of the charity is sufficient to meet expenditure of a normal recurring nature. The capital projects will be funded from (in the main) capital reserves.

Where improvement to the dwellings is to be undertaken and where services are purchased by the governors, they have no control over labour and material costs and the variations in those costs that might arise from time to time. However, the extent of any such expenditure is well controlled and well planned and therefore it is unlikely that any variations will disrupt the plans of the governors given that a substantial proportion of any of the refurbishment or improvement carried out, tends to be at the behest of the governors seeking to improve the conditions of residence rather than to be driven by other external events.

b. Investment policy and performance

The governors have as their investment objective the generation of income to meet some of the trust's outgoings. Part of the objective is to ensure that they can continue to provide a subsidy to the residents of the almshouses by having sufficient income to discharge outgoings to maintain the level of contribution of the residents at as low a level as possible without having to enforce increases. In addition, the governors also wish to try to achieve some potential growth on the capital to try to keep pace with inflation.

The governors see equity-based investments as satisfying their medium to long term growth requirements and are mindful of the need to maintain adequate cash reserves to meet short term needs and to consider the use of other asset classes (such as fixed interest) from time to time as appropriate, to ensure that they hold a well balanced portfolio.

BUXTON COTTAGES TRUST

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Financial review

a. Going concern

After making appropriate enquiries, the governors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

Reason for holding reserves:

The governors wish to maintain a level of reserve, which is capable of being invested to generate an income, which will meet some of the outgoings of the trust. Part of the objective is to ensure that they can continue to provide a subsidy to the residents of the almshouses by having sufficient income to discharge outgoings to maintain the level of contributions of the residents at as low a level as possible without having to enforce increases. In addition, the governors also wish to try to achieve some potential growth on the capital to try to keep pace with inflation.

Level of reserves:

The governors wish to maintain a level of reserves sufficient to enable repairs and additions to be carried out to the property and to give them the potential to further the aims of the trust by the addition of further premises or facilities if appropriate. The governors are also mindful that they have no other regular source of income (excluding the contributions towards maintenance and heating by the residents) and that they therefore need to maintain sufficient level of reserves to generate a high enough level of income to ensure that they are always able to meet their outgoings.

Designation of reserves:

Part of the reserves has been designated as a sinking fund for the longer term, for partial or total refurbishment in the long term future. The remainder are short to medium term reserves, designed primarily to generate income to enable the trust to continue to have a regular source of income to meet its financial obligations and objectives.

c. Financial highlights

The governors report that incoming resources exceeded outgoing resources by £3,364 (2020 - outgoing resources exceeded incoming resources by £10,593).

After taking into account the unrealised gains of £129,271, the trust showed a net increase in funds of £132,635 compared with a net decrease in funds in 2020 of £60,451. Total funds carried forward at 31 March 2021 amounted to £793,461, 20.1% higher than at 31 March 2020.

BUXTON COTTAGES TRUST

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Structure, governance and management

a. Constitution

Buxton Cottages Trust is a registered charity, number 219033, and is constituted by the will of Mrs Emily Buxton which was proved on 27 September 1946.

Date of will:

1 April 1946

The desire to set up a charity to provide housing for the elderly was conceived by the late Mr Albert Sorby Buxton, who died in 1932, and his wife, Emily, who survived him for fourteen years. In her will Mrs Buxton set aside certain monies representing a considerable part of the proceeds of the sale of her estate, and entrusted it to people whom she wished to be known as the governors of Buxton Cottages, to administer the charity.

The monies were left in order that the governors might purchase a plot of land in Mansfield as a site for cottages for the housing of old men and women of the middle class, of good character, being residents of Mansfield who had resided in Mansfield for not less than ten years.

Various legal problems under the will had to be decided before the monies were handed over to the governors, with the result that the first meeting of the governors was not held until 27 May 1960.

Under her will, Mrs Buxton provided that the governors should comprise the vicars for the time being of the parishes of St Peter, St John, St Mark, St Lawrence and the minister of the Old Meeting House, all in Mansfield. Furthermore, she named certain other local business and professional people whom she wished to act as cooptative governors, all of them being well known to her.

b. Methods of appointment or election of governors

As a preliminary to appointment, potential governors are identified by the current board of governors and are invited to attend a business meeting of the governors to familiarise themselves with the charity and to establish whether they would like to become governors if invited to do so. The clerk is also available at those meetings and at other times to discuss the role of the governors, their responsibilities and duties and any other issues that might be relevant.

Having established that a potential governor may be interested in becoming a full governor, the current board of governors debate the issue and (if appropriate) issue an invitation to the potential governor to attend the next meeting at which time an election will take place and the candidate informed whether they have been appointed as a governor.

c. Organisational structure and decision-making policies

The affairs of the trust are administered by a board of unpaid governors at regular four-monthly meetings and sub-committees are from time to time appointed to deal with special circumstances as and when they arise. The clerk to the trustees controls activities on a day to day basis under delegated authority. The welfare of the residents and the state of repair of their accommodation is thereby closely monitored.

BUXTON COTTAGES TRUST

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Structure, governance and management (continued)

d. Policies adopted for the induction and training of governors

An induction policy is being developed. The governors employ the services of solicitors, investment advisors and accountants to carry out much of the day to day running of the charity and much of the work carried out by the solicitors and investment advisors forms an element of the training in that presentation papers and other discussion documents are presented to the governors for discussion.

Plans for future periods

Planning has commenced for the conversion of the cottage bathrooms to wet shower rooms. It is hoped that these works will be completed in the next 24 months. The objective is to provide accessible and safe bathing facilities to the residents living in the cottages.

Independent examiner

The governors recommend that Jonathan Wilson remains in office until further notice.

Approved by order of the members of the board of governors on 28 October 2021 and signed on their behalf by:

Mr M R Copestake, Chairman

BUXTON COTTAGES TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

Independent Examiner's Report to the Governors of Buxton Cottages Trust ('the charity')

I report to the charity governors on my examination of the accounts of the charity for the year ended 31 March 2021.

Responsibilities and Basis of Report

As the governors of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's governors, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's governors those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's governors as a body, for my work or for this report.

Signed: Jonathan Wilson

Dated: 1 November 2021

Jonathan Wilson
Chartered Accountant

(Chair of Trustees)

Ms M Howarth
(Trustee)

The notes on pages 11 to 18 form part of these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Buxton Cottages Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

At the date of signing there is a degree of uncertainty about the economic impact of COVID-19. The governors continue to monitor the position closely however they believe the charity has sufficient reserves to continue at its current level of activity subject to ongoing investment performance and therefore continue to adopt the going concern basis.

1.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1. Accounting policies (continued)

1.5 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the governors in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the governors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the statement of financial activities.

1.8 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.9 Freehold property

The residents each contributed £269 from April 2020 to March 2021 each month towards maintenance and heating during the year. These amounts are set by the governors at their discretion and are included in the annual income of the trust.

The freehold property is shown in the balance sheet at cost. The buildings were revalued at open market value in October 2017 at £1,064,000.

No depreciation is provided on freehold property because, in the opinion of the governors, the annual depreciation charge and accumulated depreciation are immaterial.

No depreciation is provided on freehold land.

BUXTON COTTAGES TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. Accounting policies (continued)

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

2. General information

Buxton Cottages Trust is an unincorporated charity, registered in England and Wales, with The Charity Commission, registration number 219033.

3. Income from charitable activities
