Independent Examiner's report to the Trustees of PLYMOUTH HEBREW CONGREGATION

I report on the accounts of Plymouth Hebrew Congregation for the year ended 31st March 2025. Respective responsibilities of Trustees and Examiners The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed. It is my responsibility to: - examine the accounts (under section 145 of the Charities Act 2011); - to follow the procedures laid down in the General Directions of the Charity Commission (under section given by the Charity Commissioners under section 145 (5) (b) of the Act and - to state whether particular matters have come to my attention.

Basis of independent examiners' report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts. Independent examiners' statement In connection with my examination, no matter has come to my attention: which gives me reasonable cause to believe that, in any material respect, the requirements: (a)not to comply with the accounting requirements of the Statement of Recommend Practice: Accounting and Reporting by Charities have been met; or b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to bereached.

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes ✓	No ✓	N/a ✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	Yes ✓	No ✓	N/a ✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes ✓	No ✓	N/a ✓
Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes ✓	No ✓	N/a ✓
Deferred income	No material item of deferred income has been included in the accounts.	Yes ✓	No ✓	N/a ✓

Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes ✓	No ✓	N/a ✓
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	Yes ✓	No ✓	N/a ✓

The amortisation rates and methods used are disclosed in note 9.5	Yes ✓	No ✓	N/a ✓
Heritage assets	They are valued at cost. The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	Yes ✓	No ✓	N/a ✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	Yes ✓	No ✓	N/a ✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes ✓	No ✓	N/a ✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes ✓	No ✓	N/a ✓

Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	Yes	No	N/a

Heritage assets

Please complete this note if the charity has heritage assets

16.1 General disclosures for all charities holding heritage assets

	This year	Last year
(i) Explain the nature and scale of heritage assets held.	The Congregation owns Heritage Assets - the freehold of the Synagogue, the Vestry Building, and two cemeteries, one of which contains a two bedroomed lodge (which is let out at present), and a Ohel. The Congregation also owns various silverware, miscellaneous scrolls and tapestries. Due to the nature of the assets, it is not practical to state their market value.	
(ii) Explain the policy for the acquisition, preservation, management and disposal of heritage assets.	The Congregation acquires Assets only when these come up for sale and are of importance to the Heritage Congregation, and these are then purchased to preserve them if they can be afforded. The Congregation's policy is to preserve and manage the Heritage Assets for the future - funds are expended on preservation when it is necessary to do so. Heritage Assets are only disposed of when it is considered that the benefit to the long term financial future of the Congregation outweighs the significance to, and use of, those Assets in the day to day operation of the Congregation.

16.8 Heritage assets (where heritage assets are not recognised on the balance sheet)

(i) Explain the reason why heritage assets have not been recognised on the balance sheet.

(ii) Describe the significance and nature of heritage assets.

(iii) Disclose information that is helpful in assessing the value of heritage assets.

(iv) Explain the reason why it is not practicable to obtain a valuation of heritage assets.

This year	Last year
Because, due to the nature of the Assets it is not practical to value them and recognise them.	
The Assets are of historical and religious importance. The Plymouth Synagogue is a synagogue in the city of Plymouth, England. Built in 1762, it is a Listed Grade II* building and the oldest extant synagogue built by Ashkenazi Jews in the English speaking world. The Heritage Assets consist of the freehold of the Synagogue, the Vestry Building, and two cemeteries, one of which contains a two bedroomed lodge, and a Ohel. Also, various silverware, miscellaneous scrolls and tapestries.	
See (ii) above, and (iv) below.	
Other than a bricks and mortar valuation for insurance purposes, it is not possible to obtain a true valuation of the Heritage Assets. Their value is so much more than the simple bricks and mortar valuation to the Jewish Community which the assets serve, and to the wider Community as a whole.

Note 29	Additional Disclosures
---------	------------------------

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Independent Examiner's report to the Trustees of Plymouth Hebrew Congregation

I report on the accounts of Plymouth Hebrew Congregation for the year ended 31st March 2024. Respective responsibilities of Trustees and Examiners The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed. It is my responsibility to: - examine the accounts (under section 145 of the Charities Act 2011); - to follow the procedures laid down in the General Directions of the Charity Commission (under section given by the Charity Commissioners under section 145 (5) (b) of the Act and - to state whether particular matters have come to my attention.

Basis of independent examiners' report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts. Independent examiners' statement In connection with my examination, no matter has come to my attention: which gives me reasonable cause to believe that, in any material respect, the requirements: (a)not to comply with the accounting requirements of the Statement of Recommend Practice: Accounting and Reporting by Charities have been met; or b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to bereached.

Assets: The Synagogue and Vestry building, Catherine Street; The Old Cemetery, Lambhay Hill; The Gifford Place Cemetery; Ohel (i.e. Chapel) and Cemetery Lodge, Gifford Place; Listed Silverware, Sifrei Torah; Tapestries; Various investments and stocks.

Employees: Part-time residential Custodian: Mr. Jerry Sibley

Purposes of the Registered Charity: to maintain and control the affairs of the Plymouth Synagogue, in accordance with the practice of Orthodox Jews under the jurisdiction of the Beth Din.

Activities: religious services following the practices of Orthodox Jewry.

Reception of adults and schools of all faiths or none, to the Synagogue for the purpose of seeing the historic II* listed building and hearing about Jews and Judaism.

Religious activities:

Due to the restrictions of the Covid-19 pandemic, limited and socially distanced services were held from 18th September (the Jewish New Year) until the beginning of November, then restarted at the beginning of December, and the synagogue was again closed on the 7th January, due to restrictions being re-imposed, and not re-opened until the 2nd April. All the services which we were able to hold were conducted by Dr Joseph Bard. Mr John Mitchell was unable to attend the synagogue, as due to his poor health he was self-isolating.

Visiting Ministers:

Due to the Covid-19 pandemic, we received no visiting ministers this financial year.

Website:

Our very active and much praised website (<http://www.plymouthsynagogue.com>) continues to be managed by Mrs. Anna Kelly.

Community work: Plymouth City Council values the presence in the City of the Jewish community which has a very long history in the City of Plymouth.

Sadly, this year Mr Jerry Sibley was unable to welcome any visitors to the synagogue, neither casual visitors, local groups or local school groups.

Dr Beckman is still a Jewish Faith Speaker in schools for the Plymouth Centre for Faiths and Cultural Diversity, but this year was unable to visit any schools. Most schools were closed anyway!

The Community takes an active role in the City's Holocaust Memorial Day events which take place in the City. This year the Council produced an on-line Holocaust Memorial event, and Dr Beckman was one of the people asked to contribute a message for this.

Mrs. Anna Kelly represents the Jewish community as a Trustee of the Council sponsored Plymouth Centre for Faiths and Cultural Diversity.

Disabled Access

Both the Synagogue and the Vestry buildings are accessible to wheelchair users through the provision of ramps and this facility receives a gratifying amount of use.

Public Benefit Statement: This year has been very difficult for everyone, but we sincerely hope that next year we will be able to return to our local communal activities. We have still welcomed all comers to our services when we were able to conduct them.

Financial Review: The Plymouth Hebrew Congregation consistently runs on the basis of either a surplus of income over expenditure or income approximately equalling expenditure. All our bank accounts remain in credit.

Income is derived from subscription payments by members of the Congregation, voluntary donations, grants for special projects, rent on the Gifford Place Cemetery Lodge and income from investments in the M&G Charifund which produces a regular 5% return.

Declarations

The trustees declare that they have approved the trustees report above

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Note 16

Heritage assets

Please complete this note if the charity has heritage assets

16.1 General disclosures for all charities holding heritage assets

(i) Explain the nature and scale of heritage assets held.

The Congregation owns Heritage Assets - the freehold of the Synagogue, the Vestry Building, and two cemeteries, one of which contains a two bedroomed lodge (which is let out at present), and a Ohel. The Congregation also owns various silverware, miscellaneous scrolls and tapestries. Due to the nature of the assets, it is not practical to state their market value.

(ii) Explain the policy for the acquisition, preservation, management and disposal of heritage assets.

The Congregation acquires Heritage Assets only when these come up for sale and are of importance to the Congregation, and these are then purchased to preserve them if they can be afforded. The Congregation's policy is to preserve and manage the Heritage Assets for the future - funds are expended on preservation when it is necessary to do so. Heritage Assets are only disposed of when it is considered that the benefit to the long term financial future of the Congregation outweighs the significance to, and use of, those Assets in the day to day operation of the Congregation.

16.8 Heritage assets (where heritage assets are not recognised on the balance sheet)

(i) Explain the reason why heritage assets have not been recognised on the balance sheet.	Because, due to the nature of the Assets it is not practical to value them and recognise them.
(ii) Describe the significance and nature of heritage assets.	The Assets are of historical and religious importance. The Plymouth Synagogue is a synagogue in the city of Plymouth, England. Built in 1762, it is a Listed Grade II* building and the oldest extant synagogue built by Ashkenazi Jews in the English speaking world. The Heritage Assets consist of the freehold of the Synagogue, the Vestry Building, and two cemeteries, one of which contains a two bedroomed lodge, and a Ohel. Also, various silverware, miscellaneous scrolls and tapestries.
(iii) Disclose information that is helpful in assessing the value of heritage assets.	See (ii) above, and (iv) below.
(iv) Explain the reason why it is not practicable to obtain a valuation of heritage assets.	Other than a bricks and mortar valuation for insurance purposes, it is not possible to obtain a true valuation of the Heritage Assets. Their value is so much more than the simple bricks and mortar valuation to the Jewish Community which the assets serve, and to the wider Community as a whole.

Note 25 Fair value of assets and liabilities

25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.

The Congregation manages its limited income very carefully to ensure that day to day operational costs can be covered and seeks to separately fund raise via grants and donations for specific projects, often relating to the preservation of Heritage Assets, when those projects need to be undertaken. The only debtors are prepayments and the Gift Aid tax claim payable by HM Revenue and Customs, all of which do not carry risk.

25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.

Note 29	Additional Disclosures
----------------	-------------------------------

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Independent Examiner's Report to the Trustees of Plymouth Hebrew Congregation

I report on the accounts of the Plymouth Hebrew Congregation for the year ended 31st March 2021, which are set out on pages 1 to 7.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required for an audit, and consequently no opinion is given as to whether the accounts present "a true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:-
- to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act;

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
