TRUSTEES' REPORT

for the year ended 31 December 2021

The trustees present their annual report and financial statements for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019.

OBJECTS

The Anglo-Catholic Ordination Candidates Fund is an unincorporated fund established under a charitable constitution.

The objects of the Fund, as set out in the constitution, are to give grants to candidates to train for the ordained ministry of the Church of England and of churches in full communion with the Church of England, to assist Theological Colleges and Courses, and to support other institutions approved by the Committee.

Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The Fund is governed by a General Committee whose members are elected by co-option by the members attending any ordinary meeting of the Committee. The General Committee elects one of its members as Chairman and another as Vice Chairman who serve for a period of three years, and are eligible for re-appointment. No member of the General Committee, apart from officers, shall receive any payment out of the Fund (travelling and subsistence expenses excepted).

REVIEW

During the year the Fund supported 5 (2020: 2) candidates in the United Kingdom.

A more detailed review is contained within the Chairman's Report on page 6.

FINANCIAL RESULTS

The accounts are set out in a format to comply with the Charities Act 2011 regulations and include a Statement of Financial Activities showing all incoming resources and related expenditure. The deficit for the year relating to religious activities amounted to £46,348 (2020: deficit £46,178). When net investment gains are added, the total surplus for the year is £882,873 (2020: surplus £286,596), making the total value of funds held £5,990,439 (2020: £5,107,566).

The movements in investments held during the year are shown in note 4 to the accounts.

The trustees have considered whether it is appropriate to prepare the financial statements on the basis that the charity is a going concern. The charity is reliant on income from its investment portfolio stated at £5,800,844 (2020: £4,947,710) in the form of dividends to meet its annual expenditure. The valuation of these investments may be adversely affected by the ongoing impact of the Covid-19 (Coronavirus) pandemic. Although the balance of the charity's investment portfolio has increased as at 31 December 2021, the trustees are unable to predict the full extent of the impact with regards to the carrying value of the investments and income generation in 2022.

However, the trustees believe that the charity has sufficient funds to continue for at least twelve months from the date of signing the financial statements to continue its activities.

RESOURCES AND RESERVES

The reserves of the fund are split between those available for the general requirements of the fund and those restricted for specific purposes. The committee are empowered under the constitution to arrange for the securities and other properties of the fund to be invested and held in the names of nominees.

The Anglo-Catholic Ordination Candidates Fund

TRUSTEES' REPORT

for the year ended 31 December 2021

There is a separate fund from the General Fund, being the Canon Clarke Memorial Fund. The Canon Clarke Memorial Fund is a restricted fund set up to assist candidates in the Bristol area.

The Trustees intend to maintain capital reserves at levels sufficient to generate income to meet annual operating requirements and to be able to meet special grants as and when they arise.

GRANT - MAKING POLICY

Block grants are awarded to Colleges for training Ordinands upon the approval by the General Committee following Letters of Recommendation from members.

Individual grants to Ordination candidates are awarded upon recommendation of the Committee for the Selection of Candidates. Nominations are presented by the Selection Committee to the Chairman of the General Committee following review of letters from individuals seeking grants and interviews with those candidates whose written requests were provisionally successful.

INVESTMENT POWERS, POLICY AND PERFORMANCE

The Trustees' investment powers are governed by the Trust Deed, which permits the Charity's funds to be invested in any security listed on the London Stock Exchange and Government Stocks.

At present, the Committee's policy is to achieve capital growth with a view to future income streams for the General Fund.

The Committee works closely with the Charity's broker to determine how the policy will be achieved.

Performance of the broker is assessed against the market average for equities brokers.

KEY MANAGEMENT PERSONNEL REMUNERATION

The board of Trustees comprise the key management personnel of the charity in charge of directing and controlling the Fund and running and operating the Fund on a day to day basis. Details of Trustees' expenses are disclosed in note 3 to the accounts.

Trustees are required to disclose all relevant interests and register them with the secretary and in accordance with the Fund's policy withdraw from decisions where a conflict of interest arises. Neither the Fund nor any of the Trustees have interests but any such interests would be disclosed should they arise.

The stipends of the Charity's General Secretary, Treasurer and Subscriptions Secretary are reviewed annually.

RISK MANAGEMENT

The Committee examines the major risks that the Fund faces each financial year when preparing and updating future plans. The Committee works in alliance with the Fund's brokers to monitor and control risks to mitigate any impact that they may have on the Fund in the future.

FUTURE PLANS

The Fund will continue to support ordination candidates by means of grants to needy individual students and by making grants to training institutions. It will also support initiatives that encourage vocations to the ordained ministry.

TRUSTEES' RESPONSIBILITIES IN THE PREPARATION OF THE FINANCIAL STATEMENTS

for the year ended 31 December 2021

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE INDEPENDENT EXAMINERS'S REPORT TO THE TRUSTEES OF
ANGLO-CATHOLIC ORDINATION CANDIDATES FUND
for the year ended 31 December 2021

I report to the trustees on my examination of the financial statements of The Anglo-Catholic Ordination Candidates Fund ('the charity') for the year ended 31 December 2021, which are set out on pages 8 to 15.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the financial statements present a 'true and fair view' and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE UNAUDITED FINANCIAL STATEMENTS

for the year ended 31 December 2021

1. ACCOUNTING POLICIES

BASIS OF PREPARATION AND ASSESSMENT OF GOING CONCERN

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective January 2019.

The Charity constitutes a public benefit entity as defined by FRS 102.

GOING CONCERN

The trustees have considered whether it is appropriate to prepare the financial statements on the basis that the charity is a going concern. The charity is reliant on income from its investment portfolio stated at £5,800,844 (2020: £4,947,710) in the form of dividends to meet its annual expenditure. The valuation of these investments may be adversely affected by the ongoing impact of the Covid-19 (Coronavirus) pandemic. Although the balance of the charity's investment portfolio has increased as at 31 December 2021, the trustees are unable to predict the full extent of the impact with regards to the carrying value of the investments and income generation in 2022.

However, the trustees believe that the charity has sufficient funds to continue for at least twelve months from the date of signing the financial statements and that there are no material uncertainties about the charity's ability to continue as a going concern.

INCOME RECOGNITION

Voluntary Income

Income from donations, gifts and legacies are recognised when there is evidence of entitlement, receipt is probable, and its amount can be measured reliably. Entitlement usually arises immediately on its receipt.

Investment Income

Net dividends, loan stock interest and associated tax credits are accounted for on the accruals basis as recorded in the Statement of Financial Activities.

EXPENDITURE RECOGNITION

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Governance costs include the costs which relate to the general running of the charity and compliance with constitutional and statutory requirements.

Grants

Grants payable are charged in the year when the offer is conveyed to the recipient. Grants agreed upon by the Trustees but not yet paid at the year-end are accrued.
